

5 September 2018

Eurex Exchange's T7 release 7.0 readiness news

Dear Eurex participant,

Our next major T7 Release is fast approaching. On 25 May 2018, Eurex announced the introduction of the T7 Release 7.0:

- Production launch is scheduled for 3 December 2018
- Simulation start is planned for 24 September 2018

We are happy to inform you, that **as of now, T7 Release 7.0 is available in the T7 Cloud Simulation**. In case you are not a Cloud Simulation user yet but would like more information about it or how to gain access to the T7 Cloud Simulation environment, then please visit our Cloud Simulation [website](#) or feel free to contact us directly for further assistance.

Further information regarding the enhancements of the release can be found in the [Preliminary Release Notes](#) for T7 Release 7.0 which are available on the Eurex website. The [Simulation Calendar](#) for Eurex derivatives trading & clearing for the period 3 September to 9 December 2018 has been published.

To stay always up to date, visit our dedicated [T7 Release 7.0 site](#).

For further detailed information about current Eurex projects, please visit the Initiatives section on our website: www.eurexchange.com > Resources > [Initiatives](#). Looking for documentation of previous T7 Releases, Product Introductions or Technical Changes? These documents can be found in our [Archive](#) section.

If you have any further questions or comments, please do not hesitate to contact your Key Account Manager or send an email to customer.readiness@eurexchange.com.

Kind regards
Your Customer Readiness Team
