Eurex Clearing Readiness Newsflash | Switch to European Summer Time

Dear Clearing Member,

With effect from 10 December 2018, Eurex Exchange and Eurex Clearing have extended the trading & clearing hours for selected benchmark futures and MSCI Futures in order to implement a market opening for these products at 8.00am Singapore time.

We would like to remind all market participants that, due to the switch to Central European Summer Time (CEST) on 31 March 2019, Pre-Trading and Clearing in products with extended trading hours will start at 2.00am CEST from 1 April 2019. The trading system shall remain available for technical connectivity from 00.45 CEST / 06.45 Singapore time.

The end of the Continuous Trading session (22.00 CEST), the end of the Post-Trading period (22.10 CEST) and the closing of clearing services (22.30 CEST) for these products will remain unchanged.

If you have any further questions or comments, please do not hesitate to contact your Clearing Key Account Manager.

Kind regards
Your Customer Readiness Team
