Futures on the EURO STOXX 50® Corporate Bond Index (FCBI): Tradability for U.S. Participants

As of 1 March 2018, Futures on the EURO STOXX 50® Corporate Bond Index (FCBI) will also be available for trading to Eurex Participants and investors domiciled in the U.S.

The Division of Market Oversight of the Commodity Futures Trading Commission (CFTC) certified the contracts submitted by Eurex Deutschland for assessment. The contracts fulfil the requirements of the Commodity Exchange Act and the regulations of the CFTC and consequently can be offered to U.S. persons via Eurex terminals with direct access in the U.S. or sold to these persons.

The respective new assignment group for these products is:

- XACFQE (Index futures and options in euro)

Please note that as a consequence of the assignments to a new product group, the Multicast addresses for data distribution will remain unchanged. Port numbers, however, will change as follows:

- Snapshot messages: Change from 59032 to 59000
- Incremental messages: Change from 59033 to 59001.

A full list of all Eurex products tradable for U.S. Participants is available on the Eurex website www.eurexchange.com under the following link:

Products > Eurex Derivatives in the U.S.
