Eurex Clearing Circular 057/18

CCP Release 15.0: Feature to be introduced in production on 18 June 2018

As already announced in Eurex Clearing circular 027/18, the launch of CCP Release 15.0 is scheduled to take place on **18 June 2018**.

Eurex Clearing hereby confirms that the following feature will be introduced in production on **18 June 2018:**

- **Decommissioning of shaping for equities and equity style products**

With CCP Release 15.0, Eurex Clearing will decommission shaping for equities and equity style products from trading locations settling at CBF/T2S.

Please note that this means that shaping will remain active for equities and equity style products from trading locations where cross-border settlement occurs at SIS/CBF.
