Following an amendment of the Swiss Code of Obligations, the specification of the legal form was attached to the existing company name and approved by the company's ordinary general meeting on April 30, 2009. Besides, the company name will not be hyphenated any more. The changes became effective as of **December 31, 2009**.

Consequently, the name of the Eurex options and the Eurex stock futures contract on Bâloise-Holding (BALN/BALF) changed as well.

Product codes and ISINs remain unchanged.
