The Korean Exchange (KRX) plans to extend the offered expiration months for KOSPI200 options to up to 36 months as of **1 September 2014**.

The new expiration months will not be offered for the Eurex KOSPI Product (OKS2) for the time being. The offered expiration months for the Eurex KOSPI Product will remain unchanged with expiration months of up to six months.

Eurex Exchange will inform about the timeline for offering additional expiration months for the Eurex KOSPI Product in due course of time.
