Summary:

After close of trading on **January 28, 2011**, Eurex will distribute Update Kit 1 for Eurex 13.0 Production, Update Kit 2 for Eurex 13.0 Simulation and Update Kit 1 for Eurex 13.0 Advanced Simulation.

The Eurex 13.0 Update Kits contain the following important modifications and enhancements:

- Own Trade Overview does not update correctly for few subgroup filtering scenarios
- Exercise Overview Filter, field “Expiry” does not work correctly
- Trading/Clearing Board: connect/disconnect button is not available

Installation of the Eurex update kits is optional, however it is strongly recommended for all Members.

Please note that support can only be provided on the basis of the most recent software.

Eurex Release 13.0: Distribution of Production Update Kit 1, Simulation Update Kit 2 and Advanced Simulation Update Kit 1

After close of trading on January 28, 2011, Eurex will distribute Update Kit 1 for Eurex 13.0 Production, Update Kit 2 for Eurex 13.0 Simulation and Update Kit 1 for Eurex 13.0 Advanced Simulation.

The Eurex 13.0 Update Kits contain the following important modifications and enhancements:

- Own Trade Overview does not update correctly for few subgroup filtering scenarios
- Exercise Overview Filter, field “Expiry” does not work correctly
- Trading/Clearing Board: connect/disconnect button is not available

Distribution of Update Kit 1 for Production, Update Kit 2 for Simulation and Update Kit 1 for Advanced Simulation

The Eurex 13.0 Production, Simulation and Advanced Simulation Update Kits will be transmitted to the Eurex Members via File Transfer Protocol (ftp) on Friday, January 28, 2011, after 23:00 CET and can be installed from January 29, 2011 onwards. The software will only be sent to the registered report nodes.

In parallel, the kits will be made available for download from the Eurex website under the following paths:

Production Update Kit 1:

www.eurexchange.com > Member Section > Releases > Eurex 13.0 > Software Kits > Production Kits

For direct access click on the following link:
https://www.eurexchange.com/members/releases/eurex13/kits_production_en.html

Simulation Update Kit 2:

www.eurexchange.com > Member Section > Releases > Eurex 13.0 > Software Kits > Simulation Kits

For direct access click on the following link:

https://www.eurexchange.com/members/releases/eurex13/kits_simulation_en.html

Advanced Simulation Update Kit 1:

www.eurexchange.com > Member Section > Releases > Eurex 13.0 > Software Kits > Advanced Simulation Kits

For direct access click on the following link:
https://www.eurexchange.com/members/releases/eurex13/kits_advancedsimulation_en.html

Please ensure that the Eurex 13.0 Production, Simulation and Advanced Simulation environments are connected to the Eurex network on Friday, January 28, from 23:00 CET onwards.

For data transmission the following target directories should have a total free disk space of 350 MB (approximately 115 MB per environment for all platforms).

The software will only be sent to the following paths on the registered report nodes:

Production:

- SUN Solaris (MISS): /opt/gate/transferdir/release00/sun
- SUN Solaris x86 (MISS): /opt/gate/transferdir/release00/x86
- Windows (MISS): <ftp-root directory>\release00\

Simulation:

- SUN Solaris (MISS): /opt/gate/transferdir/release01/sun
- SUN Solaris x86 (MISS): /opt/gate/transferdir/release01/x86
- Windows (MISS): <ftp-root directory>\release01\

Advanced Simulation:

- SUN Solaris (MISS): /opt/gate/transferdir/release03/sun
- SUN Solaris x86 (MISS): /opt/gate/transferdir/release03/x86
- Windows (MISS): <ftp-root directory>\release03\

In order to guarantee successful transmission of the files, please ensure that Eurex production MISSes are available via the Eurex network without interruption between Friday night, January 28, 2011 and Tuesday morning, February 1, 2011 and the necessary read and write permissions for files and folders have been set correctly.

The Update Kits should be installed according to the instructions contained in the respective “read-me” file which will be sent together with the kits to the respective target transfer directories.

If you have not received the Eurex 13.0 Production Update Kit 1, the Simulation Update Kit 2 and the Advanced Simulation Update Kit by Tuesday, February 1, 2011 please contact your Technical Account Manager using your VIP number or tel. +49-69-211-1 12 00.

Should you experience difficulties logging in to the Eurex Member Section, please contact the Service Point hotline on tel. +49-69-211-1 78 88.

Please note that support can only be provided on the basis of the most recent software.

If you have any questions or require further information regarding this circular, please contact your Technical Account Manager using your VIP number or tel. +49-69-211-1 12 00 or via e-mail to cts@deutsche-boerse.com.
