RPC Inc.: Adjustment of Eurex stock futures contract

Measure:
Distribution of extraordinary dividend of USD 0.20 on shares of the company RPC Inc.

Last cum trading day:
27 November 2012

Ex date:
28 November 2012

Affected product:
RLDF

Reference to underlying Rules & Regulations:
Contract Specifications for Futures Contracts and Options Contracts at Eurex Deutschland and Eurex Zürich, Section 1.6.7 (2).

Adjustment of ISIN:
The ISIN of the RPC Inc. share (US7496601060) will remain unchanged.

Procedure:

1. Determination of adjustment factor (R-factor)

The settlement price of the RPC Inc. share on the last cum trading day, 27 November 2012, will be the basis for determination of the R-factor.

S1	Settlement price of the RPC Inc. share
S2	S1 minus extraordinary dividend
R-factor	S2 / S1

2. Adjustment of contract size and variation margin

To adjust the calculation of the variation margin of the following exchange trading day, settlement prices of the last cum trading day will be multiplied by the R-factor.

The new contract size will be calculated as follows:

Contract size new = contract size old / R-factor

All outstanding orders and quotes will be deleted after close of trading on the last cum trading day.

The adjustment also refers to existing positions in OTC Flexible Futures.

3. Introduction of a new contract

A new contract on RPC Inc. shares will be introduced with standard contract size 100 and new product code RLDG.

The exact date of introduction will be published in a separate Eurex circular.

As soon as the new contract is available for trading and there are no more series with open interest in the original contract on shares of RPC Inc. (RLDF), trading in this contract will be put on “HALT” and finally discontinued.

Furthermore, as of 28 November 2012, no new contract months will be introduced in the original contract (RLDF). Existing contract months without open interest will be suspended from trading.

If there is no open interest on the last cum trading day after close of trading in the original contract on shares of RPC Inc. (RLDF), no adjustment will be made and no new contract will be introduced.
