Application Form - Publication of Market Maker Data on Eurex Website

Eurex Exchange would like to keep the Market Maker contact data on its website up to date, aiming at increasing the visibility of Market Makers.

Therefore, with immediate effect, Market Makers can have their contact data published or amended in the public section of the Eurex website by filling in and returning the attached form to eurex.sales@eurexchange.com or to fax +49-69-211-1 44 77.

Since there is no admission or license for Eurex Market Makers, submitting the form neither represents a declaration of intent, nor entails any commitment or obligation for participants to act as Market Maker in the indicated products and segments. The form is a simple vehicle to assure that reliable and helpful information is published on the Eurex website. It can be found on the Eurex website **www.eurexchange.com** under the path: **Documents > Participant Lists > Market Makers**.

Under the same path and via the menu „Search Options > Product Group“, individual Market Maker lists can be selected and generated.

With the new procedure the self administration tool for Market Makers in the Member Section of the Eurex website will no longer be available.

Please note: This information is only relevant for Market Makers for options.
