Summary:

The Management Boards of the Eurex Exchanges and the Executive Board of Eurex Clearing AG passed the following decisions that will become effective on **March 15, 2010**:

- Introduction of two equity options and admission withdrawal of one equity option on British stocks
- Introduction of Single Stock Future on Andritz AG

Equity Options: Introduction of two Equity Options and Admission Withdrawal of one Equity Option on British Stocks

The Management Boards of the Eurex Exchanges and the Executive Board of Eurex Clearing AG have decided to introduce two equity options on British stocks (RBE – option on Reckitt Benckiser and ULV – option on Unilever PLC) and to withdraw the admission of one British equity option (CAW – option on Cable and Wireless), effective on March 15, 2010.

1. Contract Specifications and Product Parameters

The detailed product parameters for the new equity options will be available on the Eurex website under the following path as of start of trading:

www.eurexchange.com > Trading > Products > Equity Derivatives > Equity Options > Selection by Country

The following table contains all essential contract specifications and product parameters of the new British equity options:

The following **expiration months** will be available: The next three consecutive calendar months, the following three quarterly expiration months of the March, June, September and December cycle and the following two expiration months of the June and December cycle.

The **last trading day** will be the third Friday of each expiration month. Exercises are possible on any trading day until the end of the Post-Trading period (20:00 CET).

Final Settlement will take place in form of physical delivery of the underlying shares in CREST upon exercise on the t+4 business day after the exercise has taken place.

2. Risk Parameters

Risk parameters will be published on the Eurex website under the following path as of start of trading:

www.eurexchange.com > Clearing > Risk & Margining > Risk Parameters & Initial Margins

No separate circular will be published for this.

3. Trading Hours (all times CET)

Trading hours valid for the country segment GB11 are listed below:

Product	Pre-Trading	Continuous Trading	Post-Trading	OTC Block-Trading
Eurex UK equity options	07:30-09:00	09:00-17:30	18:30-20:00	09:00-18:30

4. Mistrade Parameters

Mistrade ranges for the new equity options will be published on the Eurex website as of the relevant trading date under the following path:

www.eurexchange.com > Trading > Products > Equity Derivatives > Equity Options > Selection by Country

5. Position Limits

Position limits will be published on the Eurex website under the following path as of start of trading:

www.eurexchange.com > Trading > Products > Equity Derivatives > Equity Options > Selection by Country

6. Market-Making

The new British equity options will be assigned to group ID **GB11** and will be part of the Advanced Market-Making package. Permanent Market-Making (PMM) and Regular Market-Making (RMM) will be offered as well.

Market Maker obligations will also be available on the Eurex website as of start of trading under the following path:

www.eurexchange.com > Trading > Market Model > Market-Making

7. Data Vendor Codes

At start of trading, data vendor codes will be published on the Eurex website under the path:

www.eurexchange.com > Trading > Products > Vendor Product Code Search

8. Trading Calendar

The existing trading calendars for the respective country segments apply. They can be found on the Eurex website under the path:

www.eurexchange.com > Trading > Trading Calendar

9. Transaction Limits, Minimum Size for Cross- and Pre-arranged Trades

The same values apply as for the already existing euro-denominated equity options.

www.eurexchange.com > Technology > Transaction Limits

10. Transaction Fees

Fees for trading and clearing of British equity options (order book transactions or OTC block trade entries) will be **GBP 0.30** for matching trades on the A or P accounts, **GBP 0.10** for matching trades on the M account with PMM Market-Making fulfilment on a per product basis or **GBP 0.05** for matching trades on the M account with AMM Market-Making package fulfilment.

OTC Block Trade fee caps:

A account trades	=	300 GBP (1,000 lots)
P account trades	=	150 GBP (500 lots)
M account trades PMM	=	100 GBP (1,000 lots)
M account trades AMM	=	50 GBP (1,000 lots)

11. Product Group

The new equity options will be assigned to the following product groups:

Eurex: UK Equity Options - Launch on March 15, 2010					**FLEX Product Code**			
	Underlying Stock	**Underlying ISIN**	**Product ID**	**Product Group**	**cash settlement / European style**	**physical delivery / European style**	**cash settlement / American style**	**physical delivery / American style**

2	Unilever	GB00B10RZP78	ULV	CNSOEG	ULV6	ULV7	ULV8	ULV9

For further information on the assignment of products and product groups, please refer to Eurex circular 232/07, section 1.6.

12. OTC Wholesale Facilities

For the 30 new British equity options the minimum amount of tradable contracts by means of the Block Trade and Flexible Options Facilities is **100 contracts**.

Members who are already registered for Block Trading and/or Vola Trading may use the Block Trade Facility for the new equity options without any further action.

Members wishing to participate in the OTC Trade Entry Facilities for the first time should confirm their acceptance of the General Conditions for Utilization of the OTC Trade Entry Facilities (General Conditions for Participation) by signing the appropriate form and returning it to Eurex. In addition, where the member firm is a Non-Clearing Member, its General Clearer must sign and return the Declaration Agreement of the General Clearer for the Utilization of the OTC Trade Entry Facilities at the same time.
The necessary forms can be found on the Eurex website under the following path:

www.eurexchange.com > Documents > Forms > Trading Derivatives > Single Forms > OTC Trade Entry

An overview of the OTC trade entry facilities available for the products and detailed information on all equity options on single product basis with regard to their availability, utilization possibilities and minimum contract sizes for the various wholesale trading facilities can be found under the path:

www.eurexchange.com > Trading > Wholesale Trading > Wholesale Trading Parameters

Upon acceptance of the General Conditions of Participation, the Flexible Options facility will be available.

Stock Futures: Introduction of Single Stock Future on Andritz AG

1. Product Parameters
