The updated Annex A of the Contract Specifications for Futures Contracts and Options Contracts at Eurex Deutschland and Eurex Zürich will be published on the Eurex website www.eurexchange.com as of start of trading under:

Resources > Rules and Regulations > Contract specifications

3. Risk parameters

You will receive the relevant risk parameters via the Theoretical Price Files after the product set-up in the Eurex® system. The parameters will also be published as of start of trading on the Eurex website under:

Market data > Clearing data > Risk parameters & Initial margins

4. Mistrade parameters and position limits

Mistrade ranges and position limits for the new SSFs will be published on the Eurex website as of start of trading under the path for SSFs:

Products > Equity Derivatives > Single Stock Futures

5. Transaction limits

The same values which currently relate to existing SSFs of the relevant Eurex group ID will apply. Detailed information has been published on the Eurex website under:

Technology > Transaction limits

6. Transaction fees

Transaction fees for the new SSFs will be in line with the corresponding existing SSFs.

7. Data Vendor Codes

At the start of trading, data vendor codes will be published on the Eurex website under the path:
