Content may be most important for:	**Attachments:**
➲ All departments	Only on the Eurex website: 1. Eurex 13.0 Preliminary Functional Release Notes 2. Eurex 13.0 Preliminary Technical Release Notes 3. Enhanced Broadcast Solution Interface Specification Programming Version 4. Enhanced Broadcast Solution Modification Notes 5. Enhanced Transaction Solution Interface Specification Programming Version 6. Enhanced Transaction Solution Modification Notes

The introduction of Eurex Release 13.0 in production is scheduled for **November 8, 2010.**
Simulation is planned to take place between September 6, 2010 and October 29, 2010.
In Eurex circular 053/10, an overview was provided of all technical and functional enhancements which will be introduced with Eurex Release 13.0.
The documents listed above contain – in preliminary versions – additional detailed information about the modifications already announced. They will be available on the Eurex website as of June 14, 2010 under the following path:

www.eurexchange.com > Member Section > Releases > Eurex 13.0

The final versions of the Functional and Technical Release Notes will be published according to the communication calendar issued with Eurex circular 053/10. The documents “VALUES API Member Front End Development Guide” and “VALUES API Modification Notes” will be published one week later.
