Dear Sir or Madam,

As part of the Xetra Release 14.0 documentation, we informed you in Xetra circular 070/13 from 15 July 2013 that requests for user maintenance will no longer be supported by VALUES API with effect from 3 March 2014.

We would like to remind you explicitly that as of this day, all user maintenance activities, i.e. addition, modification or deletion of users, assignment of instrument groups and trading licenses must be performed via the Xetra J-Trader GUI.

For any questions you may have, please contact the Member Services & Admission team on telephone +49-(0) 69-2 11-1 16 40.

Yours faithfully,
On behalf of the Management Board
