The following changes will become effective on **June 1, 2011**:

1. Options on Tognum AG (TGM) and Hochtief AG (HOT) will be removed from the German Market-Making (AMM) package. Instead, Permanent Market-Making (PMM) will be offered for the two equity options. The number of exceptions will be eleven, as before.

2. Options on Hermes International (HMI) will be assigned to spread class 8 (before: spread class 7).

As of the effective date, an updated overview of the Market Maker Obligations will be published on the Eurex website under the path:

www.eurexchange.com > Trading > Market Model > Market-Making > Market Maker Obligations
