1. The Executive Board of Eurex Clearing AG decided to extend the fee holiday for trading and clearing in the Eurex KOSPI Product as well as the Special Incentive Scheme for Market Makers in this product by three months, i.e. up to and including **February 28, 2011**. For details please see Eurex circulars 128/10 and 159/10.
2. Due to the yearly College Scholastic Ability Test in South Korea on **November 18, 2010**, Korea Exchange (KRX) will reschedule its trading hours on that day by one hour. Therefore, the Management Boards of the Eurex Exchanges decided to postpone the market opening for the Eurex KOSPI Product on that day by one hour as well as follows:

Product	Product Code	Pre-Trading Period	Continuous Trading	Post-Trading Full Period	OTC Block-Trading
Eurex KOSPI Product	OKS2	**09:30-10:00** CET	**10:00-21:00** CET	21:00-21:30 CET	**10:00-21:00** CET

3. As of the implementation of Eurex Release 13.0 on **November 15, 2010**, for the Eurex KOSPI Product the minimum price change for Eurex Strategy Trading via the Eurex functions OTC Wholesale Block Trades or Multilateral Trade Registration will be synchronized in order to be in line with order book trading. In addition, the give-up / take-up functions will be available for this product (see Eurex circular 205/10).
