BASF: Further Information on the Takeover Offer to the Shareholders of Ciba Holding AG

According to Official Notice No. 42157 of SIX Swiss Exchange, start of trading of the second trading line in Ciba nominal shares will be December 3, 2008. Consequently, trading in Eurex options and in the Eurex stock futures contract on Ciba Holding AG (CIBN/CIBF) will also re-start on December 3, 2008. As of this date, underlying instrument will be the tendered shares (second line) of Ciba Holding AG with ISIN CH0046042302, as already announced in Eurex circular 272/08. Upon exercise of an option, delivery will be made in Ciba nominal shares with ISIN CH0046042302. As announced in the Official Notice, implementation of the offer will be postponed. Therefore, the cash amount will presumably be made available to shareholders only in the first quarter of 2009.

Settlement at fair value of options and futures contracts, which mature after settlement of the transaction, will thus be postponed accordingly. As soon as new information is published on the course of action, we will let you know without delay.
