## Introduction

Starting 13 November 2012, EurexOTC for Interest Rate Swaps (IRS) will be available to the Clearing Members (CMs) as an additional service of Eurex Clearing. Related to this, amendments to the Clearing Conditions for Eurex Clearing AG (Clearing Conditions) and Clearing Agreements entered into with CMs, Non-Clearing Members (NCMs) and Registered Customers (RCs) as well as to the Price List for Eurex Clearing AG (Price List), all effective 13 November 2012, have been made.

With the start of EurexOTC Clear for IRS, also the "Individual Clearing Model" (ICM) offered since August 2011 will be extended and offered to the new customer category Registered Customer (RC). The RC solution addresses customers of CMs who desire a high level of protection in the event of default of their CMs, for clearing services for Eurex derivatives and EEX Cooperation products as well as OTC Interest Rate Swaps.

In the context of the introduction of EurexOTC Clear for Interest Rate Swaps, also amendments to the existing Default Management Processes will be introduced. These changes will also be reflected in the new Clearing Conditions.

The revisions of the Default Management Process and consequently the additional obligations for the Clearing Members are applied only when new Liquidation Groups are established and products are assigned to those Liquidation Groups. As a general rule, Liquidation Groups are announced by Eurex Clearing circulars and published on the Eurex Clearing website.

**Forms relevant for admission and admission process**

In order to start clearing Interest Rate Swaps with the production start of the offering, an application for the granting of an Interest Rate Derivatives Clearing License has to be submitted as well as further forms and evidences for being admitted and set up as a CM. Eurex Clearing will decide on the application for the granting of an Interest Rate Derivatives Clearing License directly after the applicant is technically connected to the required Eurex Clearing systems and all required forms and further documents have been submitted entirely and correctly (see document "Customer Roadmap" available in the Member Section of the Eurex Clearing website). Likewise, registration of a RC will take place after the required documents were submitted.

In general, all documents have to be submitted as originals or certified copies in German or English. The applying institution must provide a list of authorised signatures by means of which Eurex Clearing checks the legally binding signatures on agreements and forms submitted.

Admission forms and corresponding information memoranda (in German and English) are available immediately on the Eurex Clearing website for download under the following link:

Submission of the required forms and, where applicable, further evidences, is dependent on the individual set-up of the applicant. Further information about the admission process and explanations for the various forms and evidences can be found in the Customer Roadmap.

## Overview of documents published

All functional and technical documents were updated and can be downloaded from the Member Section of the Eurex Clearing website under the following link:

**<https://member.eurexclearing.com> > Clearing Resources > Releases > EurexOTC Clear > Interest Rate Swaps**

## **2. Segregation solution for Registered Customers for derivatives**

The segregation solution for Registered Customers (RC) is tailored for customers of Clearing Members (CMs) using clearing services for Eurex derivatives and EEX Cooperation products as well as OTC Interest Rate Swaps who desire a high level of protection and, in the event of a CM default, the possibility of continuous trading. It is based on the principles of the Individual Clearing Model (ICM) already offered for Non-Clearing Members (NCMs). EMIR will require in future from CCPs and CMs to offer the choice of individual client segregation to customers.

Positions and assets of the RC will be held in segregated accounts at Clearing House level. RCs will be able to monitor their positions and collateral through reports under their own RC ID.

The revised Clearing Conditions, which govern the RC solution, will become effective on 13 November 2012.

The requirements for admission as RC are as follows:

- The RC must be a legal entity;
- The RC and its CM must be domiciled in one of the following jurisdictions: England/Wales, Germany or France;
- The RC can be domiciled in the Netherlands, if his Clearing Member is domiciled in England/Wales, Germany or France;
- RCs are required to sign a Tripartite Agreement with their respective CM and Eurex Clearing, whereby the principal relationship remains between the CM and Eurex Clearing;
- The RC needs to have access to the Common Report Engine to be able to receive reports.

In order to achieve registration as RC, the above-mentioned criteria need to be fulfilled and further forms and evidences need to be submitted to Eurex Clearing. As soon as all forms and evidences have been submitted in complete and correct ways, the participant will be registered as RC. Further information on the registration process is available in the "INFORMATION MEMORANDUM - Client Asset Protection - Registration as Registered Customer".

An extension of the above-mentioned jurisdictions is planned for 2013.

Effective immediately, the documents are available for download on the Eurex Clearing website under the following link:

## **3. Change of Default Management Process in the Clearing Conditions for Eurex Clearing AG**

Eurex Clearing has revised its Default Management Process (DMP). The new default management framework promotes best practices and has been developed through intensive consultation with market participants, especially with the members of the Eurex Clearing Risk Committee and under consideration of the relevant regulatory initiatives (e.g. EMIR). The new approach includes separation of a defaulting Clearing Member's portfolio into liquidation groups and the opportunity of Eurex Clearing to hedge its risk exposure inherited by

the Clearing Member default, while being advised and supported by so-called Default Management Committees (DMCs).

Finally, the process foresees an auction enabling Eurex Clearing to enter into transactions with non-affected Clearing Members, replacing those transactions terminated with the defaulted Clearing Member.

The revised DMP is described in Chapter I, Part 1, Number 7.5 of the Clearing Conditions for Eurex Clearing AG. The Clearing Conditions, the Default Management Auction Rules and the Default Management Committee Rules, describing the legal framework for the Default Management Process will become effective on 13 November 2012. The revisions of the Default Management Process and consequently the additional obligations for the Clearing Members are applied only when new Liquidation Groups are established and products are assigned to those Liquidation Groups. As a general rule, new Liquidation Groups are announced by Eurex Clearing circulars and published on the Eurex Clearing website. The foundation of the Liquidation Group "Fixed Income Products" containing the Interest Rate Swap products will be announced with a separate Eurex Clearing circular.

Due to the revised DMP, the statutes for the CDS Market Committee, the statutes for the CDS Default Management Committee and the Auction Terms of Eurex Clearing AG had to be adjusted. The changes to these documents are shown in attachments 7 to 9.

### Introduction of Liquidation Groups

Eurex Clearing introduces a portfolio-based margining methodology combining its OTC and listed business. The new methodology is taking into account a CM's entire portfolio and accounts for hedging and cross-correlation effects, thus determining the CM's margin requirement on a portfolio level. In case of a CM default, the new margin methodology requires the DMP to be conducted on portfolio level rather than on position level. Therefore, Eurex Clearing will introduce so-called "Liquidation Groups" which compile products that can be liquidated together. Within a Liquidation Group Eurex Clearing grants portfolio margining effects. This calculation takes into account different holding periods per Liquidation Group. Such holding periods depend on the time it takes to analyse, hedge and close out the products in the respective Liquidation Group.

The criteria for the composition of Liquidation Groups and the initial Liquidation Groups which were identified on the basis of these criteria are described in more detail in the document "Eurex Clearing Prisma – Liquidation Group Composition", which can be found in the Member Section of the Eurex Clearing website.

### Overview of Default Management Process (DMP)

Experiences with CM defaults showed that each default can differ significantly in its characteristics. In addition, general market conditions during these times might be different and hard to predict. Therefore the revised DMP is designed to consider different default scenarios and designed as a general framework to be able to react flexibly on different situations. The following components form part of the revised DMP framework:

- **Default Management Committees (DMCs):** DMCs assist the Clearing House regarding any relevant matter of the DMP, especially hedging and preparing auctions. Each DMC consists of representatives with sufficient product, trading and clearing expertise in a given Liquidation Group. The DMCs will be convened in case of a CM default situation and for regular simulations.
- **Hedging:** The purpose of hedging within the DMP is to enable the Clearing House to reduce the market risk of the defaulting CM's portfolio. Furthermore, it reduces the portfolio sensitivity to market moves and stabilises it for auctions.
- **Independent trades:** In order to grant sufficient flexibility during a default situation, positions, or a group of positions, can be sold to individual Members, i.e. positions of the defaulted CM are re-established by the Clearing House either on-exchange or via bilateral OTC transactions.

- **Auctions:** The auction process is the main component of the DMP. An auction enables the Clearing House to rapidly transfer positions in bulk to establish fair market prices for each Liquidation Group. Auctions are mandatory for those CMs active in the Liquidation Group affected by the default.
- **Residual Settlement:** If an auction results in remaining positions, Eurex Clearing charges any losses resulting from such positions to parties who did not participate in the auction, or such parties agree to enter into respective transactions with Eurex Clearing (residual settlement). In case no CM participated in a particular auction, Eurex Clearing terminates corresponding transactions with CMs not participating in the auction.

Further detailed information on the different DMP components can be found in the document "Procedures Manual". An extract with just the DMP relevant sections can be found in the "Eurex Clearing– Revised Default Management Process" document, which can be found in the Member Section of the Eurex Clearing website. The "Eurex Clearing Prisma - Auction Tool – Quick Guide" provides information on the usage of the auction tool and how Members are able to participate in an auction.

## **Applicability of the new Default Management Process and CMs' obligations**

### **Applicability of the new Default Management Process (DMP)**

Although the Clearing Conditions will become effective on 13 November 2012, the revised DMP will be applied only to those products assigned to Liquidation Groups. Generally, new Liquidation Groups are announced by Eurex Clearing circulars and published on the Eurex Clearing website.

### **Nomination of a DMP Coordinator**

Eurex Clearing requires a DMP Coordinator to be reachable on the CM's side in the event of another CM's default. This is important for all involved parties, since certain process steps require mandatory participation of the individual CM, e.g. in case a CM is active in certain Liquidation Groups, participation in the auctions of these products is compulsory and the invitation for such auctions will be sent to the nominated DMP Coordinator. By no later than 13 November 2012, each CM shall appoint one of its employees to act as DMP Coordinator and one of its employees to act as DMP Deputy and shall inform Eurex Clearing of these individuals by returning the attached "Appointment of DMP Coordinator and DMP Deputy" form (see Chapter I Part 1 Number 7.5 of the Clearing Conditions). Each CM is responsible to report any potential changes to the details provided immediately.

### **Independent Sales and Auction Contact**

In addition to the registration of a DMP Coordinator, CMs and NCMs can designate persons Eurex Clearing may contact in case it concludes hedging transactions and independent sales transactions. In addition, Members may nominate additional persons who should be contacted for auctions for a specific Liquidation Group. These contacts can be communicated to Eurex Clearing using the attached Independent Sales Contact form. In case no Auction Contact is nominated by a CM, the DMP Coordinator will be contacted and invited to participate in the auction process.

In general, all CMs active in a certain Liquidation Group must participate in auctions for these Liquidation Groups. Clients of a CM can also participate in the auction process. The respective bids of the clients will be entered through the CM's auction tool. In order to disclose relevant auction information to the client, the client needs to sign the attached "Selected Invitee Letter" and return it to Eurex Clearing with a copy to its CM.

### **Establishing Default Management Committees (DMCs) and nomination of DMC Members**

Eurex Clearing will establish DMCs for all major Liquidation Groups. For establishing a DMC, the most active CMs are invited to participate in the DMC separately for a predefined time (DMC term). The invitation will be sent out at least three months prior to the next DMC term. An invited CM needs to nominate one DMC Member and one deputy with sufficient product, trading and clearing expertise for the respective Liquidation

Group. The DMC Members assist the Clearing House in particular with regard to hedging, the independent sale process and the auction process during the default.

In case of a default, DMC Members are required to be present at Eurex Clearing's premises in Eschborn or London at short notice.

Upon nomination to participate in the DMC, the CM must return the respective DMC Membership forms to Eurex Clearing. Representatives from affiliated NCMs or RCs can be nominated as well.

- (2) DM Auctions are governed by the rules set forth in the default management auctions rules, as published by Eurex Clearing AG on its website [www.eurexclearing.com](http://www.eurexclearing.com) (the "**DM Auction Rules**"). The DM Auctions Rules form part of these Clearing Conditions.

Each Mandatory Participant that does not submit a valid Mandatory Bid for an Auction Unit in accordance with the DM Auction Rules during such DM Auction (a "**Non-Bidding Participant**") shall be subject to the following single contractual penalty which shall be paid in accordance with Number 1.4.1:
- (a) the Non-Bidding Participant shall, subject to a Residual Settlement (as defined below), pay to Eurex Clearing AG, in accordance with instructions received from Eurex Clearing AG, an amount which shall be calculated by Eurex Clearing AG as follows: the fraction of (i) the number of the Auction Units for which the Non-Bidding Participant has not submitted a valid Mandatory Bid in such DM Auction (numerator) and (ii) the total number of Auction Units offered in such DM Auction (denominator), such fraction, multiplied by 100 and further multiplied by EUR 500,000 (or the corresponding equivalent in any other Clearing Currency as determined by Eurex Clearing AG); and
  - (b) if, following a Realisation Event with respect to the relevant Affected Clearing Member (but not with respect to any other Realisation Event) the Contributions of the Non-Affected Clearing Members to the General Clearing Fund are realised, the Contributions of the Non-Bidding Participant shall in such DM Auction, in accordance with Number 1.1.1.1.1.1, be realised prior to the Contributions of the other Non-Affected Clearing Members to the General Clearing Fund; and

any other Clearing Currency as determined by Eurex Clearing AG) per DM Auction) equal to the Pro Rata Share (as defined below) of such amounts which are required to put Eurex Clearing AG in a position as if Eurex Clearing AG ceased to be exposed to the risks related to such Residual Auction Units (for which the Non-Bidding Participant failed to provide a valid Mandatory Bid) immediately after the respective DM Auction and (ii) provide collateral to Eurex Clearing AG for its obligations arising under (i) above, where Number 3 shall apply *mutatis mutandis* to the collateral.

The "**Pro Rata Share**" of a Non-Bidding Participant shall be the ratio of (A) the Residual Auction Units for which the Non-Bidding Participant failed to provide a valid Mandatory Bid in the relevant DM Auction and (B) the total number of valid Mandatory Bids which all Non-Bidding Participants failed to provide in the relevant DM Auction.

If Eurex Clearing AG decides to offer to each Non-Bidding Participant to enter with it into its respective Pro Rata Share of the DM Auction Transactions of the relevant Residual Auction Unit (aa) without undue delay after the DM Auction, at its Pro Rata Share of the highest Auction Price (as defined in the DM Auction Rules) for any Auction Unit that was accepted by Eurex Clearing AG for an Auction Unit in the respective DM Auction (the "**Residual Auction Unit Price**"), or (bb) thereafter at a price determined by Eurex Clearing AG on the basis of the then prevailing market conditions, and (in each case (aa) or (bb)) a Non-Bidding Participant accepts such offer (each an "**Residual Settlement**"), no contractual penalty pursuant to paragraph (a) and (c) above shall be payable by such Non-Bidding Participant, provided that any contractual penalty pursuant to paragraph (a) and (c) above which has already been received by Eurex Clearing AG from such Non-Bidding Participant shall not be re-paid by Eurex Clearing AG. If the Residual Settlement results in a split of the relevant DM Auction Transactions in accordance with the relevant Pro Rata Share of any Non-Bidding Participant, Eurex Clearing AG shall, in its reasonable discretion, be entitled to allocate rumps to Non-Bidding Participants as part of a Residual Settlement.

Any amount received by Eurex Clearing AG under paragraph (a) above shall be added to, and forthwith be part of, the Reserves of Eurex Clearing AG in accordance with Number 6.1.3.

Each Non-Bidding Participant is required to take all such steps, to make all further statements and to comply with all such formalities as may be required or desirable to perfect or more fully evidence the Residual Settlement made in accordance with this Paragraph (5).

- (6) If the applicable Auction Format (as defined in the DM Auction Rules) is "Multi Unit – Pay as you bid" in accordance with the DM Auction Rules, Eurex Clearing AG shall, with respect to any particular Auction Unit, be obliged to accept the highest valid Bid.
- (7) A (Mandatory) Bid is only valid, if such Bid is economically reasonable (taking into account the current market conditions on the Acceptance Date), irrespective of whether Bids were submitted for all Auction Units of the respective DM Auction.

A Bid is generally economically reasonable if the relevant bidder participating in a DM Auction provides, in respect of the relevant Auction Unit, two bids on the following

**Clearing Conditions for Eurex Clearing AG**

basis: (a) one bid for an Auction Unit based on the portfolio comprising the DM Auction Transactions and (b) one bid for an auction unit based on a portfolio comprising transactions opposite to the DM Auction Transactions, and if the spread between the two Bids for the respective Auction Unit does not exceed the initial margin requirement of this Auction Unit, as indicated by Eurex Clearing AG in the Specific Terms applicable to such Auction Unit.

Eurex Clearing AG will not disclose to the bidders which of the two portfolios comprises the DM Auction Transactions and which comprises the opposite transactions. The binding Bid only relates to the Auction Unit.

Bids which are not valid are deemed not to have been provided and will not be accepted by Eurex Clearing AG.

**7.5.4 Eurex Clearing AG's right to terminate Transactions**

If Eurex Clearing AG determines in its reasonable discretion that none of the default management measures described above in this Number 7.5 was or will be successful or suitable to fully mitigate its risks resulting from a Termination and if in a DM Auction there was no valid Bid for any DM Auction Unit in accordance with the DM Auction Rules, Eurex Clearing AG shall have a termination right pursuant to this Number 7.5.4.

(1) Eurex Clearing AG may terminate (*kündigen*) Transactions with Clearing Members (in whole or in part) in accordance with the requirements set out in this Number 7.5.4 to the extent required for purposes of the default management process by giving a notice to the respective Clearing Member specifying the date on which the termination shall become effective.

(2) Eurex Clearing AG has the right to terminate a Transaction (in whole or in part) pursuant to Paragraph (1) above, if the following conditions are complied with:

(a) more than five Relevant Transactions, Eurex Clearing AG shall be entitled to terminate such Relevant Transactions, or

(b) less than five Relevant Transactions, Eurex Clearing AG shall be entitled to terminate the Extended Relevant Transactions,

in each case partially so that the proportion (subject to any suitable roundings up or down) of the terminated Relevant Transactions (in the case of (a)) or the terminated Extended Relevant Transactions (in the case of (b)) of a Clearing Member to all Relevant Transactions (in the case of (a)) or all Extended Relevant Transactions (in the case of (b)) held by such Clearing Member is equal in each case, provided that any such pro rata termination may not cause that any Relevant Transaction or Extended Relevant Transaction is no longer complying with the applicable Clearing Conditions (e.g., with respect to any applicable minimum contract sizes).

(4) After the termination of a Relevant Transaction or an Extended Relevant Transaction (in whole or in part, as relevant) pursuant to this Number 7.5.4, a respective termination amount in the form of cash and in the Clearing Currency shall become due and payable by a party to such Relevant Transaction or Extended Relevant Transaction. Such termination amount shall be determined on the basis of the last available market price as determined by Eurex Clearing AG (e.g., the latest settlement price published by Eurex Clearing AG). Eurex Clearing AG will notify the respective Clearing Members of the determined termination amount.

(5) If Eurex Clearing AG terminates a Covered Transaction pursuant to the Individual Clearing Model Provisions in accordance with this Number 7.5.4, the Corresponding Covered Transaction shall be terminated at the same time and at the same terms. **Clearing Conditions for Eurex Clearing AG****7.5.5 Default Simulations**

Eurex Clearing AG will arrange for at least one and no more than three default simulations per year to ensure the best practicable level of preparation for any default of a Clearing Member (the "Default Simulation") and the Clearing Members shall support Eurex Clearing AG in carrying out any such Default Simulation.

Upon request of Eurex Clearing AG, each Clearing Member shall in the course of such Default Simulations act as potential counterparty for a simulated DM Hedging Transaction and shall support any simulated DM Auction, as further described in Number 7.5.3, with respect to the Liquidation Groups that such Clearing Member is active in.

(i) The Non-Clearing Member or Registered Customer, respectively, may effect a replacement of its Clearing Member in accordance with Number 9 of the Elementary Clearing Model Provisions or Number 9 of the Individual Clearing Model Provisions.

**8.19.1** All current or future primary obligations (including payment and delivery obligations) arising from ~~all Transactions and all Redelivery Claims~~ under the relevant Standard Agreement between Eurex Clearing AG and the relevant Clearing Member in accordance with ~~Number 2.1.4 and all Redelivery Claims between them pursuant to~~ of the Elementary Clearing Model Provisions or pursuant to Number 2.1.3 of the Individual Clearing Model Provisions, respectively, shall expire and may no longer be performed by the relevant obligor. Further all due but unsatisfied obligations to deliver Margin, Variation Margin, Segregated Margin ~~and~~ Segregated Variation Margin, as applicable, under the relevant Standard ~~Agreements~~ Agreement expire. These primary obligations and delivery obligations, respectively, are replaced by the difference claim pursuant to Number 9.2 below.

**8.29.2** A difference claim ~~created by the Clearing Agreement~~ of either party to the relevant Standard Agreement between Eurex Clearing AG and the relevant Clearing Member is created by the Clearing Agreement. This difference claim shall become unconditional and immediately due against the respective other party upon the expiry of the primary obligations and delivery obligations, respectively, referred to in Number 9.1, and shall be determined on the basis of the Market or Exchange Prices applicable with respect to the relevant terminated Transactions or Redelivery Claims on the second Business Day following (i) the Failure to Pay Event or (ii) the Insolvency Event. Numbers 7.3.1 through 7.3.4 shall apply *mutatis mutandis*.

**9.3** The following events shall constitute a Failure to Pay Event or an Insolvency Event with respect to Eurex Clearing AG:

- (1) A "Failure to Pay Event" occurs if (a) a Payment Default or (b) a Non-Payment of the Cash Settlement Amount following a Delivery Default (each as defined below) occurs.
- (2) An "Insolvency Event" occurs if the *Bundesanstalt für Finanzdienstleistungsaufsicht* files a petition for the opening of insolvency proceedings over the assets of Eurex Clearing AG.

~~8.2.19.3.1~~ **8.2.19.3.1** A "Payment Default" occurs if:

**Clearing Conditions for Eurex Clearing AG**

- (1) Eurex Clearing AG fails to make, when due, any payment (other than a payment of the Cash Settlement Amount following a Delivery Default) in respect of a payment claim of a Clearing Member against Eurex Clearing AG arising from a Transaction;
- (2) such Clearing Member has notified Eurex Clearing AG of such failure ("**First Notification**");
- (3) such Clearing Member notifies Eurex Clearing AG again of such failure after the expiry of a period of not less than three calendar days after the First Notification ("**Second Notification**"); and
- (4) Eurex Clearing AG's failure to make such payment to such Clearing Member continues for a period of more than two calendar days after the Second Notification, provided that the last day of such period shall be a Business Day.

For the purposes of this Number 9.3.1, a payment will be considered not to have been made by Eurex Clearing AG if no corresponding amount has been credited to the relevant account of the relevant Clearing Member. Delays in effecting such credit for technical reasons shall not lead to a Payment Default.

~~8.2.29.3.2~~ **8.2.39.3.2** A "Non-Payment of the Cash Settlement Amount following a Delivery Default" occurs if with respect to a Transaction:

- (1) a Delivery Default; ~~or~~ and
- (2) a Cash Settlement Payment Default occurs.

~~8.2.39.3.3~~ **8.2.39.3.3** A "Delivery Default" occurs if:

- (1) Eurex Clearing AG fails to satisfy, when due, any delivery obligation of a Clearing Member arising from a Transaction;
- (2) after the expiry of a period of not less than five calendar days following the due date, such Clearing Member has requested Eurex Clearing AG to fulfil such delivery obligation by making reference to this Number 9.3.3 ("**First Delivery Request**");
- (3) such Clearing Member requests Eurex Clearing AG again to fulfil such delivery obligation after the expiry of a further period of not less than 10 calendar days after the First Delivery Request ("**Second Delivery Request**"); and
- (4) after the expiry of a further period of not less than 10 calendar days after the Second Delivery Request such Clearing Member requests cash settlement of the relevant delivery obligation from Eurex Clearing AG ("**Cash Settlement Request**").

Delays in effecting a delivery for technical reasons shall not lead to a Delivery Default. Upon a Cash Settlement Request being made by a Clearing Member (the date of such request, the "**Cash Settlement Request Date**") Eurex Clearing AG shall no longer be obliged to make any delivery under the relevant Transaction. This obligation shall be replaced by an obligation of Eurex Clearing AG to pay to the Clearing Member the Cash Settlement Amount under the relevant Transaction (each a "**Cash-settled Transaction**"). For the avoidance of doubt, a failure to deliver under an Eurex Repo Transaction as described in Chapter IV Number 2.6 Paragraph (1)(a) (Failure to Deliver on the delivery date of the Front Leg) shall not give rise to a Failure to Pay Event: pursuant to Number 9.3 Paragraph (1).

**Clearing Conditions for Eurex Clearing AG**

~~8.2.49~~**9.3.4** A "Cash Settlement Payment Default" occurs if:

- (1) after the expiry of a period of not less than three calendar days following the Cash Settlement Request Date, the Clearing Member which has made such request has requested Eurex Clearing AG to pay to it the Cash Settlement Amount ("**Cash Settlement Payment Request**"); and
- (2) after the expiry of a further period of not less than two calendar days after the Cash Settlement Payment Request (with the proviso that the last day of such period shall be a Business Day of Eurex Clearing AG pursuant to Number 1.2.4 Paragraph (1)), Eurex Clearing AG fails to pay to such Clearing Member the Cash Settlement Amount.

For the purposes of this Number 9.3.4, a payment will be considered not to have been made by Eurex Clearing AG if no corresponding amount has been credited to the relevant account of the relevant Clearing Member. Delays in effecting such credit for technical reasons shall not lead to a Cash Settlement Payment Default.

~~8.2.59~~**9.3.5** For the purposes of this Number 9.3, "**Cash Settlement Amount**" means an amount determined by the Calculating Party (as defined in Paragraph (4) below) as follows:

- (1) The Default Value of the assets which are the subject of the Delivery Default (the "**Non-Delivered Assets**") and the amount of the corresponding payment obligation of the Clearing Member shall be established by the Calculating Party.
- (2) On the basis of the sums so established, account shall be taken of what is due from each party to the other under the relevant Transaction and the sums due from one party shall be set off against the sums due from the other and only the balance of the account shall be payable (by the party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be due and payable on the next following day which is a Business Day. For the purposes of this calculation, all sums not denominated in Euro shall be converted into Euro at the then current rate of exchange, as determined by the Calculating Party.
- (3) "**Default Value**" means, with respect to any Non-Delivered Assets, the value of such assets determined by the Calculating Party by applying the following method:

The basis for this calculation shall be the settlement price determined by Eurex Clearing AG for Transactions to which the Non-Delivered Assets relate on the Business Day immediately prior to the Cash Settlement Request Date. In the event that (i) Eurex Clearing AG has not determined a settlement price for Transactions to which the Non-Delivered Assets relate on the Business Day immediately prior to the Cash Settlement Request Date or (ii) Eurex Clearing AG has determined such settlement price, but such settlement price does not reasonably accurately reflect the value of such transactions that would have been obtained from the relevant market if it were operating normally, the Calculating Party shall choose from among the Clearing Members being admitted at the relevant Market three Clearing Members who shall determine a market price of the Non-Delivered Assets. The average of the quoted prices (mid market offer) shall be the Default Value of the Non-Delivered Assets. If less than three quotations are provided as requested, the Calculating Party shall determine a settlement price for Transactions to which the Non-Delivered Assets relate acting in good faith and by

**Clearing Conditions for Eurex Clearing AG**

using commercially reasonable procedures expected to produce a commercially reasonable result.

- (4) **"Calculating Party"** means, for the purposes of this Number 9.3, Eurex Clearing AG unless Eurex Clearing AG is, for operational reasons, unable to make one or more calculations or determinations required to be made under this Number 9.3. In such event, "Calculating Party" means the relevant Clearing Member.

**8.39.4** Rights of Eurex Clearing AG in respect of Transactions with other Clearing Members upon a Failure to Pay Event

**8.3.19.4.1** Termination of Transactions in case of a Cash-settled Transaction

- (1) At any time when Eurex Clearing AG has determined a Cash Settlement Amount for Non-Delivered Assets according to Number 9.3, Eurex Clearing AG shall be entitled to terminate Transactions with other Clearing Members pursuant to which Eurex Clearing AG has a due claim to receive Securities of the same kind.
- (2) Eurex Clearing AG will terminate Transactions pursuant to Paragraph (1) above in the following order:

  - (b) the Transaction with the highest nominal of Securities to be delivered under this Transaction,
  - (c) the Transaction with the second, third, forth etc. highest nominal of Securities to be delivered under the relevant Transaction, until Eurex Clearing AG has terminated Transactions up to an amount of Securities which covers the original Transaction with respect to which Eurex Clearing AG is performing the Cash Settlement Payment.

As far as necessary Eurex Clearing AG is also entitled to terminate Transactions in part to meet the amount of Securities which covers the original size of the Cash-settled Transaction with respect to which Eurex Clearing AG has determined the Cash Settlement Amount.

- (3) After the termination of a Transaction pursuant to Paragraph (1) above, the Clearing Member is no longer entitled to fulfil its original obligation by delivering the Non-Delivered Assets to Eurex Clearing AG. Eurex Clearing is entitled to a cash settlement of this Transaction. The Cash Settlement Amount shall be determined in accordance with the provisions of Number 9.3.5. Eurex Clearing AG will notify the respective Clearing Members of the termination and the determined Cash Settlement Amount.
- (4) Termination of a Transaction pursuant to Paragraph (1) above shall result in a termination of the Corresponding Covered Transaction pursuant to the Individual Clearing Model Provisions. Paragraph (3) applies *mutatis mutandis* to such Corresponding Covered Transaction.

**8.3.29.4.2** Termination of Transactions in case of a general Close-Out

If incompletely settled or unfulfilled Transactions of the relevant Markets are terminated by a Clearing Member following a Failure to Pay Event, Eurex Clearing AG, for its part, shall be

**Clearing Conditions for Eurex Clearing AG**

entitled to terminate Transactions with other Clearing Members of any of the relevant Markets pursuant to which Eurex Clearing AG has a corresponding claim to receive Securities or payment. For the determination of such Transactions to become terminated Number 9.4.1 will apply accordingly.

**9.4.10.1** If a Non-Clearing Member fails to provide the margin requested by its Clearing Member or fails to pay or deliver any Security or other asset or amount due under a Transaction or under the Clearing Agreement, the Management Board of the respective Market may – upon written request by the Clearing Member – exclude such Non-Clearing Member from trading on the respective Market or restrict the trading by the Non-Clearing Member to certain Transaction Types or specified products (the clearing of which is carried out by Eurex Clearing AG) or, in case of FWB Transactions, to certain login names or certain identifier codes (trading locations) for the duration of such failure in accordance with the rules and regulations of such Market. Eurex Clearing AG shall immediately be informed about the submission of such request by such Clearing Member.

As of the time of decision by the Management Board of the respective Market pursuant to Number 10.1, the affected Non-Clearing Member is no longer entitled to conclude Transactions included in this decision under the Clearing Agreement.

In case of FWB Transactions, the Clearing Member must notify the respective Non-Clearing Member of the use of the Stop Button without delay.

**9.2.10.2.2** By way of such a system entry, the Clearing Member at the same time applies to the respective Market or Markets and Eurex Clearing AG that the respective Non-Clearing Member shall be excluded from trading on the respective Market or Markets for the duration of non-fulfilment of its above-mentioned duties and that the authorisation to participate in the Clearing of OTC Transactions concluded off-exchange and novated via entry into the OTC Trade-Entry Facility shall be revoked. In this case, the provisions pursuant to Number 12.6.4.6 and 12.7.4.7 shall apply.

At the same time, the authorisation to use the OTC Trade Entry Facility of the Markets and Eurex Clearing AG is revoked, to such extent as this would result in a non-fulfilment of the Additional Terms upon between Non-Clearing Member and Clearing Member. In addition, the Eurex system prevents that the respective transactions can be entered into the system and be included in the Clearing.

**12.6 Non-Fulfilment of Other Conditions**~~40.6.1~~**12.6**

~~40.6.1~~**12.6.1** Upon the declaration of a Clearing Member, by way of the Stop Button entry in the System, vis-à-vis the Markets and Eurex Clearing AG that it is no longer willing to execute in whole the Clearing of Transactions of a certain Non-Clearing Member, because such Non-Clearing Member does not fulfil the Other Conditions agreed upon pursuant to Number 12.344.3., the Management Boards of these Markets shall immediately order the preliminary exclusion of the relevant Non-Clearing Member from trading pursuant to Number 12.744.7. - (1) the Outsourcing is in compliance with the laws and regulations applicable to the Outsourcer as well as to the Insourcer and the relevant Clearing Agreement;
- (2) as a result of the Outsourcing Eurex Clearing AG will not be required to obtain any additional license or authorisation unless Eurex Clearing AG in its free discretion decides to apply for such license or authorisation;
- (3) the orderly conduct of the Outsourced Functions is ensured; in this respect, the Outsourcer is required to:
  - (a) contractually oblige the Insourcer to (i) appoint a qualified employee in the back office pursuant to Number 2.1.2 Paragraph (5)(c), applied *mutatis mutandis* (this shall only apply if the Outsourcer itself is required to comply with such requirement and shall not apply if the Insourcer is a Clearing Member which is already required to comply with such requirement vis-a-vis Eurex Clearing AG directly), (ii) keep customer-related data (i.e. data relating to the Outsourcer's customers) confidential and to implement adequate technical and organisational measures to adequately protect such customer-related data, and to (iii) only use such customer-related data for the purposes of fulfilling the Outsourced Functions;

- (5) such further prerequisites as may be determined by Eurex Clearing AG in its reasonable discretion and published in accordance with Number 16.145.4.;
- ~~43.2.4~~**15.2.4** An Outsourcing may only be commenced upon fulfilment of the following requirements:
- (1) the Outsourcer has provided the information pursuant to Number ~~44~~**15.2.3** Paragraph (3)(e) and confirmed to Eurex Clearing AG that the further requirements pursuant to Number ~~44~~**15.2.3** are fulfilled;
- (2) Eurex Clearing AG has confirmed receipt of the information pursuant to Paragraph (1) in writing and specified the date by which the Outsourcing may be commenced (the “**Outsourcing Date**”).
- The confirmation pursuant to Paragraph (2) does not constitute a confirmation by Eurex Clearing AG that the requirements pursuant to Number ~~44~~**15.2.3** are fulfilled. Eurex Clearing AG may rely on the respective information provided by the Outsourcer and will not conduct own investigations in this regard.
- ~~43.2.5~~**15.2.5** In the case Eurex Clearing AG becomes aware or if a probable cause exists that the prerequisites for the Outsourcing set out in Number-~~44~~**15.2.3** are not fulfilled, the Outsourcer is obliged to ensure immediate compliance with the prerequisites for the Outsourcing or to terminate the Outsourcing upon notification by Eurex Clearing AG.

Any Compliance Audit is solely carried out in the interest of Eurex Clearing AG and not in the interest or for the benefit of the Outsourcer or any other person. In particular, a Compliance Audit (i) does not constitute advice to the Outsourcer or any other person as to any legal, tax, accounting, regulatory or other matters and (ii) does not relieve the Outsourcer from its duty to ensure the orderly conduct of the Outsourced Functions pursuant to Number 4415.2.3, in particular from conducting its own audits of the Insourcer and its performance of the Outsourced Functions. Eurex Clearing AG is not obliged to reassess the results of any audit or any information provided by the Outsourcer.

- (3) violation of security standards by the Insourcer within three (3) years prior to the Outsourcing Date or during the term of the Outsourcing which may have an impact on the orderly provision of the Outsourced Functions;

**43.2.915.2.9** Eurex Clearing AG may exercise its veto right with immediate effect (i) prior to the Outsourcing Date or (ii) following the Outsourcing Date if, in Eurex Clearing AG's determination, the incident pursuant to Number 4415.2.8 may have a material adverse effect on the Clearing Procedures. In all other cases, Eurex Clearing AG shall, before exercising its veto right, grant the Outsourcer an adequate grace period to remedy the relevant issues. During such period, Eurex Clearing AG may partially restrict the Outsourcing and/or restrict the access of the Insourcer to its systems in order to ensure the orderly functioning of the Clearing Procedures, in particular with respect to the Outsourced Functions.

**43.2.1015.2.10** Upon exercise of the veto right by Eurex Clearing AG, the Outsourcer is obliged to terminate the Outsourcing and to re-assume the Outsourced Functions with immediate effect or at a time specified by Eurex Clearing AG. Non-compliance with this obligation shall constitute a Termination Event pursuant to Number 7.2.1 Paragraph (12). Eurex Clearing AG may instead terminate one or more Clearing Licenses of the Outsourcer. If the Outsourcer is a Non-Clearing Member, Eurex Clearing AG may terminate the Clearing Agreement with the outsourcing Non-Clearing Member in accordance with Number 12.1 or Number 12.6.

### 2.1 Construction

**2.1.1** The Clearing Agreement in the form appended to the Clearing Conditions as Appendix 1 between Eurex Clearing AG and a Clearing Member shall always be subject to the Elementary Clearing Model Provisions.

**2.1.2** If a Clearing Agreement in the form appended to the Clearing Conditions as Appendix 2 ~~or 3~~ is entered into by Eurex Clearing AG, a Clearing Member and a Non-Clearing Member, such Clearing Agreement will provide for terms and conditions applying between Eurex Clearing AG, the Clearing Member and the Non-Clearing Member as well as terms and conditions applying between Eurex Clearing AG and the Clearing Member, on the one hand, and between the Clearing Member and the Non-Clearing Member, on the other hand.

**2.1.3** (i) All rights and obligations between Eurex Clearing AG and the relevant Clearing Member with respect to Transactions under all such Clearing Agreements pursuant to Numbers 2.1.1 and 2.1.2 shall for the purpose of these Clearing Conditions constitute a separate arrangement, as shall (ii) all rights and obligations between the relevant Clearing Member and the relevant Non-Clearing Member ~~(if any)~~ with respect to Transactions under a given Clearing Agreement pursuant to Number 2.1.2 corresponding to the relevant NCM-Related Transactions of the ~~Non-Covered~~

**Clearing Conditions for Eurex Clearing AG**

~~Transactions under such Clearing Agreement Member~~ (each arrangement under (i) and (ii) respectively, a "**Standard Agreement**").

References in the Elementary Clearing Model Provisions to a Standard Agreement shall be construed so as to exclude any Standard Agreement pursuant to the Individual Clearing Model Provisions.

**2.1.4** All Non-Covered Transactions between Eurex Clearing AG and the relevant Clearing Member under the Standard Agreement and any Redelivery Claims arising pursuant to the Elementary Clearing Model Provisions (as defined and set out in Number 2.2.2) form a single agreement between such parties and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between such parties which can be terminated only in its entirety.

If provided for in the Clearing Agreement, all Transactions and any claims to the return of margin or variation margin (or assets equivalent thereto) arising pursuant to the Standard Agreement between the relevant Clearing Member and a Non-Clearing Member shall form a single agreement between such parties and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between them which can be terminated only uniformly.

**2.1.5** The Non-Clearing Member and the Clearing Member may agree on additional terms to their Standard Agreement to the extent those additional terms do not deviate from the Clearing Agreement (incorporating the Clearing Conditions). Any such additional agreement shall form part of that Standard Agreement and, in the event of any inconsistencies between any such additional agreement (as amended from time to time) and the Clearing Agreement (incorporating the Clearing Conditions), the Clearing Agreement and the Clearing Conditions shall always prevail.

## **2.2 General Principles applicable to the Settlement of Non-Covered Transactions and any Delivery and Redelivery of Margin in form of Cash or Variation Margin**

### **2.2**

**2.2.1** Each party to a Standard Agreement shall be obliged to fulfil any payment or delivery obligations under Transactions or obligations to deliver or redeliver cover in respect of either the Margin (as defined in Number 6.1) in the form of cash or the Variation Margin (as defined in Number 7.1) under the Standard Agreement by transferring to the transferee all right, title and interest in and to the concerned assets or Eligible Margin Assets in form of cash, as the case may be, free and clear from any and all rights and claims of the transferring party and of any third person, including, without limitation, pursuant to applicable regulation or under any statutory or other trust, to the transferee. The value of such assets shall, as of the date the transfer is effected, be at least equal to the value at that date of the concerned payment or delivery obligation.

**2.2.2** The actual payment or delivery of Eligible Margin Assets in form of cash in respect of Margin or Variation Margin gives rise to a corresponding contractual claim of the margin provider against the margin taker for repayment of equivalent assets as such Eligible Margin Assets actually delivered or increases an already existing repayment claim (each such claim shall be referred to as a "**Redelivery Claim**"). For the avoidance of doubt: in the case of the Margin, only the Clearing Member may be the

**Clearing Conditions for Eurex Clearing AG**

creditor of the relevant Redelivery Claim and in the case of the Variation Margin, either party to the Standard Agreement may be the creditor of the relevant Redelivery Claim.

For the purpose of the Redelivery Claim, the term "**equivalent**" means an amount in the same currency and amount as such Eligible Margin Asset actually delivered in respect of the Margin or the Variation Margin.

References in the Elementary Clearing Model Provisions to Redelivery Claims shall be construed so as to exclude any Redelivery Claim pursuant to the Individual Clearing Model Provisions.

The relevant Redelivery Claim will become due with respect to the Margin in accordance with Number 6.7.1 and with respect to the Variation Margin in accordance with Number 7, ~~in each case,~~ provided that in each case no Termination Date (as defined in Number 7.2 of the General Clearing Provisions) has occurred.

**2.2.3** Subject to Number 3.2.2 Paragraph (2) and (3) of the General Clearing Provisions, the term "**actually delivered**" when used in the Elementary Clearing Model Provisions means (i) the actual credit of an Eligible Margin Asset in the form of cash to the relevant Eurex Clearing AG cash account, or (ii) the actual credit of an Eligible Margin Asset in form of Securities to the Pledged Securities Account (as defined in Number 2.1.2 Paragraph (4)(a)(aa) of the General Clearing Provisions) provided that the pledge or assignment for security purposes, as applicable, pursuant to Number 6.6 has been granted and has not expired in whole or in part, or (iii), in the case of a delivery of an Eligible Margin Asset in the form of Securities pursuant to Number 6.6.4, the effectiveness of the pledge in Xemac (as defined Number 6.6.4), or (iv) otherwise in the event of a set-off pursuant to Number 1.4 of the General Clearing Provisions, the legal effectiveness of such set-off. The term "**actual delivery**" shall be interpreted accordingly.

Where reference is made in the Elementary Clearing Model Provisions to the "**aggregate value**" of Eligible Margin Assets in connection with the assessment of compliance with the Margin Requirement or an obligation to ~~delivery~~deliver or redeliver cover in respect of the Margin or the Variation Margin, the aggregate value will be determined by Eurex Clearing AG with respect to the Standard Agreement between Eurex Clearing AG and the Clearing Member in accordance with Number 3.2.2 of the General Clearing Provisions.

Transactions between the parties to a Standard Agreement shall be concluded in accordance with Number 1.2.2 of the General Clearing Provisions.

In addition to the internal accounts set out in Number 4 of the General Clearing Provisions, Eurex Clearing AG shall establish and maintain with respect to each Clearing Member the following internal accounts:

---

**Clearing Conditions for Eurex Clearing AG****Part 3****Part 4****4.1 Internal Cash Accounts**

With respect to each currency accepted by it, Eurex Clearing AG shall establish and maintain for each Clearing Member an internal cash account (i) for the settlement of claims other than Settlement Claims, into which all daily settlement payments, option premiums, fees, contractual penalties and other cash payment obligations arising under Transactions or under the Clearing Conditions shall be booked and (ii) for Settlement Claims.

The daily balance of each internal cash account (after taking into account the set-offs pursuant to Number 1.3 of the General Clearing Provisions) shall be debited or credited, as the case may be, to the respective Clearing Member Cash Account of the Clearing Member to the extent that Eurex Clearing AG does not claim any credit balance in the account in respect of Margin or Variation Margin.

**4.2 Internal Margin Account**

Eurex Clearing AG will establish and maintain an internal margin account for each Clearing Member in which:

**4.1****4.2**

**4.2.1** all credits and debits of Securities to the Pledged Securities Account and all pledged or released Securities using Xemac pursuant to Number 6.6.4, and

**4.2.2** all daily cash margin credits or debits to the Clearing Member Cash Account or a foreign currency account of the Clearing Member, pursuant to the Elementary Clearing Model Provisions will be recorded.

In addition to the set-off rules in Number 1.3 of the General Clearing Provisions, the following optional additional parameters apply to the creation of the Set-Off Clusters, if selected by the Clearing Member:

**Part 5****5.1 Separation on Transaction Account Level**

Claims arising from Own Transactions and Customer-Related Transactions of the Clearing Member shall be kept separately and shall not be set off with each other. Own transactions and customer transactions of Non-Clearing Members are Customer-Related Transactions within the meaning of this Number 5.1.

**5.2 Separation on Transaction Account Level and per Non-Clearing Member**

Claims arising from NCM-Related Transactions shall not be set off with Customer-Related Transactions or RC-Related Transactions of the Clearing Member. Further, claims arising from NCM-Related Transactions that relate to corresponding Transactions with a specific Non-

The Margin Requirement applicable to the Clearing Member pursuant to this Number 6 shall be in addition to any other Margin Requirement of the Clearing Member vis-à-vis Eurex Clearing AG pursuant to the Individual Clearing Model Provisions.

**Part 6****6.1 General Obligation to Provide Margin**

The Clearing Member is required to provide margin for all Non-Covered Transactions (as defined in Number 1) (for the purposes of Chapter VIII Part 3, as of the date on which the inclusion in the Clearing of the Original OTC Transaction as a Non-Covered Transaction is imminent) in such amounts, in such forms and at such times as are required pursuant to this Number 6 and the Special Clearing Provisions (the "**Margin**").

**6.2 The Margin Requirement****6.1****6.2**

**6.2.1** The amount of Eligible Margin Assets to be delivered as cover in respect of Margin shall be determined in accordance with Number 3.1 of the General Clearing Provisions (hereinafter for the purpose of the Elementary Clearing Model Provisions, the "**Margin Requirement**").

**6.2.2** In order to determine the Margin Requirement of a Clearing Member, Eurex Clearing AG will determine separate margin requirements for (i) Own Transactions, (ii) Customer-Related Transactions, (iii) NCM-Related Transactions referring to own transactions of the relevant Non-Clearing Member ~~and~~, (iv) NCM-Related Transactions referring to customer related transactions of the relevant Non-Clearing Member, (v) RC-Related Transactions referring to own transactions of the relevant Registered Customer and (vi) RC-Related Transactions referring to customer related transactions of the relevant Registered Customer, provided that in each case credit balances on any internal transaction account shall not be taken into account, and then calculate the sum of such separate margin requirements.

**6.2.3** The applicable Margin Requirement and the relevant margin requirements with respect to NCM-Related Transactions and RC-Related Transactions will be notified by Eurex Clearing AG to the relevant Clearing Member.

**6.3 Margin Call**

If Eurex Clearing AG at any time on any Business Day (as defined in Number 1.2.4 Paragraph (1) of the General Clearing Provisions) determines that the aggregate value of the Margin actually delivered is insufficient to provide the cover required with respect to all Non-Covered Transactions, Eurex Clearing AG will require the Clearing Member to provide (additional) Eligible Margin Assets in an amount up to the Margin Requirement and by the time specified by Eurex Clearing AG.

**Clearing Conditions for Eurex Clearing AG****6.4 Obligation of the Clearing Members to request Margin from the Non-Clearing Members**

Each Clearing Member is required to demand margin from ~~the~~<sup>their</sup> Non-Clearing Members in an amount at least equal to the Margin Requirement for the corresponding NCM-Related Transactions between Eurex Clearing AG and the relevant Clearing Member, as determined by Eurex Clearing AG pursuant to this Number 6, also taking into account all Original OTC Transactions which are to be novated in the course of the novation process. Each Clearing Member shall disclose its margin calculation methods to the relevant Non-Clearing Member upon request.

**6.5 Delivery of Eligible Margin Assets in the form of Cash**

Eligible Margin Assets in form of cash shall be provided in accordance with the cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions. The purpose of the Margin actually delivered in the form of cash is to collateralise all claims arising under all Non-Covered Transactions (as defined in Number 1.24~~),~~ Covered Transactions (as defined in Number 1.24)) and all other present and future claims of Eurex Clearing AG against the Clearing Member under any ~~the~~<sup>of their</sup> Clearing Agreements between Eurex Clearing AG and such Clearing Member.

**6.6 Delivery of Eligible Margin Assets in the form of Securities**

6.3

6.4

6.5

6.6

**6.6.1** In order to provide Eligible Margin Assets in the form of Securities as cover in respect of Margin, the Clearing Member shall transfer Eligible Margin Assets in the form of Securities to its relevant Pledged Securities Account unless otherwise provided in this Number 6.6.

- (1) The Clearing Member shall instruct Clearstream Banking AG or SIX SIS Ltd. in a timely manner to transfer the Securities to its Pledged Securities Account and procure that Clearstream Banking AG or SIX SIS Ltd., as applicable, then informs Eurex Clearing AG of such transfer.
- (2) Each Clearing Member shall be responsible for the management of any Securities credited to the Pledged Securities Account.
- (3) In the Clearing Agreement, the Clearing Member will grant a pledge to Eurex Clearing AG over all Securities which are at present or will in the future be credited to the relevant Pledged Securities Account.

**6.6.2** To the extent that the Clearing Member provides Eligible Margin Assets in form of Swiss book-entry securities, the Clearing Agreement will provide for the assignment for security purposes of such Swiss book-entry securities to Eurex Clearing AG.

**6.6.3** The security purpose (*Sicherungszweck*) of the pledges and the assignments for security purposes (in case of Swiss book entry securities) granted to Eurex Clearing AG pursuant to this Number 6.6 is to secure all present and future claims arising under

**Clearing Conditions for Eurex Clearing AG**

- 6.6.4** Notwithstanding Number 6.6.1, a Clearing Member may also provide Securities by pledge or assignment for security purposes by using the Collateral Management System Xemac ("**Xemac**") of Clearstream Banking AG on the basis of the applicable provisions of the Special Conditions for Collateral Management ("**SC Xemac**"). In connection with the provision of Margin to Eurex Clearing AG via Xemac, a Clearing Member may also use Securities which it has received as collateral – in accordance with Number 3.3 of the Terms and Conditions for Participation and Trading on Eurex Repo GmbH – in relation to GC Pooling Repo transactions (Re-use within the meaning of No. 28 Paragraph 1 (b) SC Xemac). Notwithstanding Number 6.6.1, a Clearing Member participating in the trading of GC Pooling Repos and using the Re-use related type of contract in Xemac may, upon request, provide Margin in Xemac also via the account of a settlement institution within the meaning of Chapter IV Number 1.1.2 Paragraph 2 (b), provided that such settlement institution is domiciled in the Federal Republic of Germany.

**6.7 Redelivery or Release of Eligible Margin Assets****6.7**

- 6.7.1** The relevant Redelivery Claim pursuant to Number 2.2.2 for the transfer of assets equivalent to Eligible Margin Assets in form of cash actually delivered will become due with respect to Margin if and to the extent the aggregate value of all Eligible Margin Assets actually delivered in respect of Margin pursuant to the Elementary Clearing Model Provisions exceed the aggregate Margin Requirements pursuant to the Elementary Clearing Model Provisions and the Individual Clearing Model Provisions, unless the relevant Clearing Member and Eurex Clearing AG agree otherwise.
- 6.7.2** Subject to the occurrence of a Termination Date, the release of Eligible Margin Assets in the form of Securities shall be effected if a Clearing Member, prior to the then applicable cut-off time specified by Eurex Clearing AG with respect to each of Clearstream Banking AG and SIX SIS Ltd., as applicable, with respect to any Business Day, requests a release of pledged Securities or Securities assigned for security purposes (in the case of Swiss book entry securities) by Eurex Clearing AG and if and to the extent the aggregate value of all Eligible Margin Assets actually delivered in respect of Margin exceed the aggregate Margin Requirements pursuant to the Elementary Clearing Model Provisions and the Individual Clearing Model Provisions. Such request shall be processed by Eurex Clearing AG during that same Business Day; the relevant Eligible Margin Assets to be returned shall be selected by the Clearing Member. In the case of a pledge pursuant to Number 6.6.4, the relevant Security shall be released in Xemac accordingly.

If fulfilment of such a request would render the remaining aggregate value of the Eligible Margin Assets actually delivered inadequate for the next Business Day of a Market, as determined by Eurex Clearing AG, Eurex Clearing AG shall notify Clearstream Banking AG or SIX SIS Ltd., as applicable, that it approves such release if the amount of Eligible Margin

**Clearing Conditions for Eurex Clearing AG**

**Part 7****7.1 General Obligation to provide Variation Margin**

Each party to the Standard Agreement between Eurex Clearing AG and the Clearing Member shall be required to transfer (additional) cover in respect of daily profits or losses for such Non Covered Transactions for which ~~Chapter 2 II~~ Part 2 Number 2.1.2 Paragraph (1) and (2), ~~Chapter 2 II~~ Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), ~~or Chapter 7 VII~~ Part 2 Number 2.1.2 Paragraph (1) and (2), ~~or Chapter VIII Part 3 Number 3.1.6~~, as the case may be, apply in such amounts and at such times as are required pursuant to this Number 7. Any such cover provided or to be provided with respect to the Standard Agreement between Eurex Clearing AG and the Clearing Member is herein referred to as "**Variation Margin**".

The Clearing Member is required to separately demand or provide (additional) cover in respect of such Variation Margin from or to any of its Non-Clearing ~~Member~~ Members in respect of the corresponding Transactions with such Non-Clearing Member in an amount not less than the Variation Margin Requirement (as defined in Number 7.2) applicable between the Clearing Member and Eurex Clearing AG.

**7.2 Variation Margin Requirement**

Only Eligible Margin Assets in the form of cash shall be delivered as cover in respect of Variation Margin. The party to the Standard Agreement obliged to provide Variation Margin (the "**Variation Margin Provider**"), to the other party to the Standard Agreement (the "**Variation Margin Taker**"), and the amount of Eligible Margin Assets in form of cash to be delivered as cover in respect of Variation Margin (the "**Variation Margin Requirement**") shall be determined in accordance with ~~Chapter 2 II~~ Part 2 Number 2.1.2 Paragraph (1) and (2), ~~Chapter 2 II~~ Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), ~~and Chapter 7 VII~~, Part 2 Number 2.1.2 Paragraph (1) and (2), ~~or Chapter VIII Part 3 Number 3.1.6~~, as applicable.

have been actually delivered to it by the Variation Margin Taker. For the avoidance of doubt, if the profit amount determined for the benefit of the Variation Margin Provider is higher than its Redelivery Claim as of such time, the payment of the excess amount by the other party constitutes itself a delivery of Variation Margin and the relevant party to the relevant Standard Agreement being the Variation Margin Provider or the Segregated Variation Margin Taker shall change.

For the purpose of the Clearing Conditions, an actual delivery in respect of the Variation Margin resulting in a corresponding Redelivery Claims shall take place if upon conclusion of a Non-Covered Transaction the terms and conditions of such Non-Covered Transaction provide that due to a netting with an applicable initial consideration no actual payment in respect of the Variation Margin will occur.

**Part 8****8.1 Limitation or Suspension of Clearing**

If Eurex Clearing AG becomes aware of a Termination Event with respect to a Clearing Member, Eurex Clearing AG may one or more times suspend or restrict the Clearing of Non-Covered Transactions under the Standard Agreement between Eurex Clearing AG and such Clearing Member pursuant to the Elementary Clearing Model Provisions and shall, in the case of a suspension or restriction, notify the Clearing Member and all Non-Clearing Members of such Clearing Member of the decision to suspend or restrict the Clearing. Eurex Clearing AG shall specify, in the notification, a reasonable period of time during which such suspension or restriction shall apply.

Furthermore, if Eurex Clearing AG so demands, the relevant Clearing Member shall, at the Clearing Member's own expense, provide such information and evidence as Eurex Clearing AG may deem necessary, in the reasonable opinion of Eurex Clearing AG, to conduct an appropriate investigation of the facts and circumstances relating to the Termination Event.

Upon the occurrence of a Termination Event and unless such Termination Event has been remedied, the Clearing Member is – subject to any other limitations or restrictions of the Clearing pursuant to the Clearing Conditions – only entitled to enter any order or quotes into the systems of the Markets if sufficient Margin and Variation Margin has been actually delivered to Eurex Clearing AG in advance.

**8.2 Consequences of a Termination**

## **2.2 General Principles applicable to the Settlement of Covered Transactions and any Delivery and Redelivery of Segregated Margin or Segregated Variation Margin**

### **40.22.2**

**40.2.12.2.1** Each party to a Standard Agreement shall be obliged to fulfil any payment or delivery obligations under Covered Transactions or obligations to deliver or redeliver cover in respect of either the Segregated Margin (as defined in Number 5.1) or the Segregated Variation Margin (as defined in Number 6) under the relevant Standard Agreement by transferring to the transferee all right, title and interest in and to the concerned assets or Eligible Margin Assets, as the case may be, free and clear from any and all rights and claims of the transferring party and of any third person, howsoever arising, including, without limitation, pursuant to applicable regulation or under any statutory or other trust. The value of such assets shall, as of the date the transfer is effected, be at least equal to the value at that date of the concerned payment or delivery obligation.

In the case of a transfer of Eligible Margin Assets in the form of Securities by the Clearing Member to Eurex Clearing AG, the Clearing Member shall instruct Clearstream Banking AG or SIX SIS Ltd. in a timely manner to transfer the relevant Securities to its Securities Margin Account (as defined in Number 2.1.2 Paragraph (4)(a)(bb) of the General Clearing Provisions) and procure that Clearstream Banking AG or SIX SIS Ltd., as applicable, then informs Eurex Clearing AG of such transfer.

**Clearing Conditions for Eurex Clearing AG**

**40.2.22.2.2** The purpose of the Segregated Margin and Segregated Variation Margin actually delivered under the relevant Standard Agreement shall be to collateralise all claims (whether present, future, actual, contingent or prospective) of the relevant margin taker arising under the Covered Transactions entered into between the parties to such Standard Agreement.

**40.2.32.2.3** The actual payment or delivery of Eligible Margin Assets in respect of Segregated Margin or Segregated Variation Margin gives rise to a corresponding contractual claim of the margin provider against the margin taker for repayment or redelivery, as the case may be, of equivalent assets in the same amount or the same number as such Eligible Margin Assets actually delivered (or increases an already existing repayment or redelivery claim; each such claim shall be referred to as a **"Redelivery Claim"**). For the avoidance of doubt: in the case of Segregated Margin, only the Clearing Member and the Non-Clearing Member, respectively, may be the creditor of the relevant Redelivery Claim and in the case of Segregated Variation Margin, either party to the relevant Standard Agreement may be the creditor of the relevant Redelivery Claim.

For the purpose of the relevant Redelivery Claim, the term **"equivalent"** means assets of the same type, currency, description, nominal value and amount as such Eligible Margin Assets (including, in the case of debt securities, the sum of money or assets equivalent to any redemption or other proceeds therefrom) actually delivered in respect of the Margin or the Variation Margin.

References in the Individual Clearing Model Provisions to Redelivery Claims shall be construed so as to exclude any Redelivery Claim pursuant to the Elementary Clearing Model Provisions.

A Redelivery Claim will become due with respect to the Segregated Margin (i) upon request of the margin provider and if and to the extent the relevant applicable Default Margin Requirement (as defined in Number 5.2.1) is below the aggregate value of all Eligible Margin Assets actually delivered in respect of the Segregated Margin or (ii) in accordance with Number 5.3.5 and with respect to the Segregated Variation Margin in accordance with Number 6, in each case provided that no Termination Date (as defined in Number 7.2 of the General Clearing Provisions) has occurred.

**40.2.42.2.4** Subject to the Number 3.2.2 Paragraph (2) and (3) of the General Clearing Provisions, the term **"actually delivered"** when used in the Individual Clearing Model Provisions means (i) the actual credit of an Eligible Margin Asset to a cash or securities account held and maintained in the name of the relevant receiving party, which in the case of Eurex Clearing AG shall be the relevant Eurex Clearing AG cash account and Securities Margin Account or (ii), in the case of a delivery of an Eligible Margin Asset in the form of Securities pursuant to Number 5.5, the effectiveness of the title transfer in Xemac (as defined Number 5.5), or otherwise (ii) in the event of a set-off pursuant to Number 2.3.1 or Number 1.3 of the General Clearing Provisions, the legal effectiveness of such set-off. The term **"actual delivery"** shall be interpreted accordingly.

Where reference is made in the Individual Clearing Model Provisions to the **"aggregate value"** of Eligible Margin Assets in connection with the assessment of compliance with the Margin

**Clearing Conditions for Eurex Clearing AG**

Requirement or Default Margin Requirement (as defined in Number 5.2.1) or an obligation to ~~delivery~~deliver or redeliver cover in respect of the Segregated Margin or the Segregated Variation Margin, the aggregate value will be determined by Eurex Clearing AG with respect to the Standard Agreement between Eurex Clearing AG and the Clearing Member in accordance with Number 3.2.2 of the General Clearing Provisions and by the Clearing Member with respect to the Corresponding Standard Agreement with the Non-Clearing Member.

**2.3 Set-off, Restrictions and Waivers****40.32.3****40.3.12.3.1** Set-off

Any claims of a party to the relevant Standard Agreement arising from Covered Claims and claims to provide cover in respect of the Segregated Margin or the Segregated Variation Margin pursuant to Numbers 5 and 6 may be set off against claims arising from Covered Claims or claims to provide cover in respect of the Segregated Margin or the Segregated Variation Margin pursuant to Numbers 5 and 6 of the respective other party. The provisions of Number 1.3.1 Paragraph (1) and (2) of the General Clearing Provisions shall apply *mutatis mutandis*.

- (3) Only Eurex Clearing AG may set off its Difference Claim against the Clearing Member with any other claim between the Clearing Member and Eurex Clearing AG.
- (4) Eurex Clearing AG shall be entitled to pay and the relevant Non-Clearing Member shall be entitled to collect the full amount of each claim that has been pledged or assigned for security purposes in the Clearing Agreement to that Non-Clearing Member (as further set out in Number 2.4), irrespective of the actual value of the relevant secured claim and Section 1282 (1) sentence 2 of the German Civil Code (*Bürgerliches Gesetzbuch*) shall not apply.

Upon any assigned or pledged claim being paid in full to the pledgee or assignee the respective pledged or assigned claim shall be considered satisfied vis-à-vis the relevant pledgor or assignor. For the avoidance of doubt, any recourse against Eurex Clearing AG in connection with such a payment shall be excluded.

**Clearing Conditions for Eurex Clearing AG**

- (5) Any pledge granted by the Clearing Member over a specific claim in the Clearing Agreement to the relevant secured party pursuant to Number 2.4 shall be upheld and remain unaffected if and to the extent title to such specific pledged claim has been assigned or otherwise transferred to the secured party under the Individual Clearing Model Provisions, unless and until such specific pledged claim has been satisfied. - (6) Unless otherwise provided in the Individual Clearing Model Provisions and to the extent legally possible, neither party to the Clearing Agreement shall assign or create a security interest over, claims arising from the Clearing Agreement. Except for the Difference Claim of a Non-Clearing Member against a Clearing Member, all other Difference Claims are assignable; ~~to~~ any such assignment section 401 German Civil Code (*Bürgerliches Gesetzbuch*) shall apply to any such assignment and the parties of the assignment shall ensure that this also is the case for any further assignment.
- (7) The exercise of retention rights (*Zurückbehaltungsrecht*) against any claims under the relevant Standard Agreement shall be prohibited.
- (8) No party subject to the Individual Clearing Conditions shall be
- (i) required to satisfy any claims; or
  - (ii) entitled to demand payment or delivery in respect of any claim
- as a result of which, from an economic perspective, that would amount to a double payment or delivery or, as the case may be, to a receipt of the same amount twice by any party subject to the Individual Clearing Conditions.
- (9) The Non-Clearing Member and the Clearing Member undertake individually and separately towards Eurex Clearing AG, in case of the economic results intended by these Individual Clearing Model Provisions not being achieved for whatsoever reason, to
- (i) put Eurex Clearing AG in the same position as Eurex Clearing AG would have been in if the Individual Clearing Model Provisions would have been performed as contemplated herein unaffected by such reason, and
  - (ii) indemnify Eurex Clearing AG against, and compensate Eurex Clearing AG for, any damages, losses, claims, taxes, costs, charges or fees, if any, that may have occurred as a result of such reason.

**10.42.4****10.4.12.4.1 Pledges**

The Clearing Member shall grant the following pledges for the benefit of Eurex Clearing AG or the Non-Clearing Member:

**Clearing Conditions for Eurex Clearing AG**

- (4) The pledges will become enforceable (*Pfandreife*) upon the occurrence of a Termination Date at the end of the Valuation Date.
- (5) Unless the Interim Participation pursuant to and in accordance with Number 8.3.4 becomes effective, Eurex Clearing AG shall enforce its pledge pursuant to Paragraph (1) against the Non-Clearing Member only after the full realisation of all Contributions of all Clearing Members to the Clearing Fund in accordance with the order of priority set out in Number 6.2 of the General Clearing Provisions.

**10.4.22.4.2** Assignments for Security Purposes

The Clearing Member shall make the following assignments for security purposes for the benefit of Eurex Clearing AG or the Non-Clearing Member:

**Clearing Conditions for Eurex Clearing AG**

---

Any enforcement of the relevant assigned claim does not require that the secured claim is due and payable.

**Part 3****3.1 General Rule**

Covered Transactions between Eurex Clearing AG and the relevant Clearing Member and corresponding Covered Transactions between the Clearing Member and the Non-Clearing Member shall be concluded pursuant to Number 1.2.2 Paragraph (1) of the General Clearing Provisions (any such pair of Covered Transactions are referred to in the Individual Clearing Model Provisions as "**Corresponding Covered Transactions**" and each a "**Corresponding Covered Transaction**").

**3.2 Conclusion of OTC Transactions**

With regard to OTC Transactions pursuant to Chapter II, Part 4 Number 4.1, Chapter V Part 1 Number 1.3 and Part 3 Number 3.1.4, Covered Transactions between Eurex Clearing AG and the Clearing Member and Corresponding Covered Transactions between the Clearing Member and the Non-Clearing Member shall be concluded by way of novation as set out in Number 1.2.2 Paragraph (2) of the General Clearing Provisions.

**Part 4****4.1 Internal Accounts of Eurex Clearing AG**

In addition to the internal accounts set out in Number 4 of the General Clearing Provisions, Eurex Clearing AG shall establish and maintain with respect to the Clearing Member the following internal accounts with respect to each Standard Agreement:

**4.1.14.1.1 Internal Cash Account**

With respect to each currency accepted by Eurex Clearing AG an internal cash account (i) for the settlement of claims arising from Covered Transactions other than Settlement Claims, into which all daily settlement payments, option premiums and other cash payment obligations arising under the Covered Transactions shall be booked and (ii) for Settlement Claims.

The daily balance of each internal cash account (after taking into account the set-offs pursuant to Clearing Conditions) shall be debited or credited, as the case may be, to the respective Clearing Member Cash Account to the extent that Eurex Clearing AG does not claim any credit balance in such account as Segregated Margin or Segregated Variation Margin.

**4.1.24.1.2 Internal Margin Account**

An internal margin account for the Clearing Member in which all daily credits and debits of Eligible Margin Assets pursuant to the Individual Clearing Model Provisions will be recorded (the "**Segregated Internal Margin Account**").

**4.2 Internal Accounts of the Clearing Member**

Transactions, (iii) all Segregated Margin and Segregated Variation Margin actually delivered and (iv) all Redelivery Claims.

**4.3 Methods of assigning Transfers of Eligible Margin Assets to a Standard Agreement**

The Clearing Member shall establish and provide to Eurex Clearing AG a specific customer identifier with respect to the Non-Clearing Member. Any transfer of Eligible Margin Assets to Eurex Clearing AG in respect of Segregated Margin or Segregated Variation Margin shall be clearly referred to the applicable customer identifier.

The parties to the Corresponding Standard Agreements are required to provide margin as further set out in this Number 5. The Margin Requirement applicable to the Clearing Member pursuant to this Number 5 and such Corresponding Standard Agreement shall be in addition to any other margin requirement of the Clearing Member vis-à-vis Eurex Clearing AG under the Elementary Clearing Model Provisions.

**Part 5****5.1 General Obligation to provide Segregated Margin**

The Clearing Member is required to transfer margin to Eurex Clearing AG for all Covered Transactions (for the purposes of Chapter VIII Part 3, as of the date on which the inclusion in the Clearing of the Original OTC Transaction as a Covered Transaction is imminent), in such amounts, in such forms and at such times as are required pursuant to this Number 5 and the Special Clearing Provisions and to separately demand the transfer of cover for all Corresponding Covered Transactions (for the purposes of Chapter VIII Part 3, as of the date on which the inclusion in the Clearing of the Original OTC Transaction as a Corresponding Covered Transaction is imminent) from the Non-Clearing Member in an amount not less than the applicable Default Margin Requirement (as defined in Number 5.2) and not more than the Margin Requirement (as defined in Number 5.2) set out herein (with respect to each Corresponding Standard Agreement, the "**Segregated Margin**").

**5.2 Margin Requirement****13.15.1****13.25.2**

**13.2.15.2.1** The amount of Eligible Margin Assets to be delivered as cover in respect of Segregated Margin by the Clearing Member shall be determined in accordance with Number 3.1 of the General Clearing Provisions (the "**Default Margin Requirement**") and will be notified by Eurex Clearing AG to the Clearing Member. The overall margin requirement for the Clearing Member will be determined by Eurex Clearing AG by multiplying the Default Margin Requirement and the Specified Multiplier set out in the Clearing Agreement (hereinafter for the purpose of the Individual Clearing Model Provisions, the "**Margin Requirement**").

**13.2.25.2.2** In order to determine the Default Margin Requirement of the Clearing Member, Eurex Clearing AG will determine separate margin requirements for (i) such Covered Transactions referring to Corresponding Covered Transactions which are own transactions of the relevant Non-Clearing Member and (ii) such Covered Transactions

**Clearing Conditions for Eurex Clearing AG**

referring to Corresponding Covered Transactions which are customer related transactions of the relevant Non-Clearing Member, provided that in each case credit balances on any internal transaction account shall not be taken into account, and then calculate the sum of such separate margin requirements.

**5.3 Margin Call****13.35.3**

**13.3.15.3.1** If Eurex Clearing AG at any time on any Business Day (as defined in Number 1.2.4 Paragraph (1) of the General Clearing Provisions) determines that the aggregate value of the Segregated Margin actually delivered is insufficient to provide the cover required with respect to all Covered Transactions which are subject to the Margin obligation, Eurex Clearing AG will require the Clearing Member to deliver (additional) Eligible Margin Assets in an amount up to the Margin Requirement and by the time specified by Eurex Clearing AG. Notwithstanding the foregoing sentence, the Clearing Member shall always be required to comply with the Margin Requirement, provided that Number 5.3.4 shall remain unaffected.

**13.3.25.3.2** The Clearing Member must not provide Eligible Margin Assets to Eurex Clearing AG in excess of the applicable Margin Requirement. Any Eligible Margin Assets actually delivered in excess of the applicable Margin Requirement shall form part of the Segregated Margin and shall be subject to a Redelivery Claim which becomes due upon request by the Clearing Member.

**13.3.35.3.3** The Clearing Member is entitled at any time by giving notice to Eurex Clearing AG specifying the relevant Corresponding Standard Agreements to designate any amount of Eligible Margin Assets in the form of cash delivered by (and not returned to) the Clearing Member to Eurex Clearing AG with respect to the Margin pursuant to the Elementary Clearing Model Provisions as part of the Segregated Margin in order to (partially) satisfy the applicable Margin Requirement. The aggregate value of the Segregated Margin actually delivered and the Redelivery Claim shall be increased and the aggregate value of Margin actually delivered and the redelivery claim pursuant to the Elementary Clearing Model Provisions shall be reduced accordingly upon Eurex Clearing AG having made the corresponding records in the Segregated Internal Margin Account pursuant to Number 4.1.2 and the applicable internal margin account pursuant to Number 4.2 of the Elementary Clearing Model Provisions.

**13.3.45.3.4** Non-compliance with the applicable Margin Requirement (in whole or in part) by the Clearing Member shall constitute a Termination Event pursuant to Number 7.2.1(4) Paragraph (1) of the General Clearing Provisions unless at such time:

- (1) the Clearing Member has complied with the Default Margin Requirement; or
- (2) the aggregate value of all Eligible Margin Assets actually delivered in respect of the Margin pursuant to the Elementary Clearing Model Provisions in excess of the applicable Margin Requirement for all Non-Covered Transactions between Eurex Clearing AG and the Clearing Member pursuant to the Elementary Clearing Model Provisions is equal to or higher than the applicable Default Margin Requirement for all Covered Transactions between Eurex Clearing AG and the Clearing Member under the Individual Clearing Model Provisions (taken as a whole with regard to all Non-Clearing Members of such Clearing Member) less the aggregate

**Clearing Conditions for Eurex Clearing AG**

value of all Eligible Margin Assets actually delivered in respect of Segregated Margin (taken as a whole with regard to all Non-Clearing Members of such Clearing Member).

~~4.3.3.5~~ **5.3.5** The Clearing Member may at any time request from Eurex Clearing AG the redelivery of assets equivalent to Eligible Margin Assets actually delivered in respect of the Segregated Margin if the aggregate value of all Eligible Margin Assets actually delivered in respect of the Segregated Margin exceeds the Default Margin Requirement applicable at the time of such request. The Clearing Member may select – in accordance with instructions received from the Non-Clearing Member – which Eligible Margin Assets credited to the Segregated Internal Margin Account pursuant to Number 4.1.2 shall be redelivered.

**5.4 Direct Debit**

Eurex Clearing AG may directly debit the Clearing Member Cash Account in an amount equal to the requested amount of Eligible Margin Assets in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions. Any such direct debit shall not constitute fulfilment of the relevant Margin Call relating to the relevant Standard Agreement (and consequentially such direct debit will not increase the Redelivery Claim) but shall constitute cover in respect of the Margin delivered by the Clearing Member pursuant to the Elementary Clearing Model Provisions.

**5.5 Xemac**

The Clearing Member may provide Eligible Margin Assets in form of Securities in accordance with Number 2.2.1 by using the Collateral Management System Xemac ("**Xemac**") of Clearstream Banking AG on the basis of the applicable provisions of the Special Conditions for Collateral Management ("**SC Xemac**").

**Part 6****6.1 General Obligation to provide Segregated Variation Margin**

Each party to the Standard Agreement between Eurex Clearing AG and the Clearing Member shall be required to transfer (additional) cover in respect of daily profits or losses for such Covered Transactions for which Chapter-2 II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter 2II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), ~~or Chapter 2VII~~, Part 2 Number 2.1.2 Paragraph (1) and (2) or Chapter VIII Part 3 Number 3.1.6 Paragraph (3), as the case may be, apply in such amounts and at such times as are required pursuant to this Number 6. The Clearing Member is also required to separately demand or provide (additional) cover in respect of the relevant daily profits and losses from or to the Non-Clearing Member in respect of the respective Corresponding Covered Transactions in an amount not less than the Segregated Variation Margin Requirement (as defined in Number 6.2) applicable from time to time. Any such cover provided or to be provided with respect to each Corresponding Standard Agreement is herein referred to as "**Segregated Variation Margin**").

**6.2 Segregated Variation Margin Requirement**

Only Eligible Margin Assets in the form of cash shall be delivered as cover in respect of Segregated Variation Margin. The party to the relevant Standard Agreement obliged to provide Segregated Variation Margin (the "**Segregated Variation Margin Provider**"), to the other party

**Clearing Conditions for Eurex Clearing AG**

to such Standard Agreement (the "**Segregated Variation Margin Taker**"), and the amount of Eligible Margin Assets in form of cash to be delivered as cover in respect of Segregated Variation Margin (the "**Segregated Variation Margin Requirement**") shall be determined in accordance with Chapter ~~2 II~~ Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter ~~2 II~~ Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), ~~and Chapter VII~~, Part 2 Number 2.1.2 Paragraph (1) and (2) and Chapter VIII Part 3 Number 3.1.6 Paragraph (3), as applicable.

Number 5.3.2 applies *mutatis mutandis*.

### **6.3 Delivery of Segregated Variation Margin and Redelivery Claim**

Segregated Variation Margin shall be delivered and/or returned on any Business Day in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions and Number 2.3.1.

Eligible Margin Assets actually delivered in the form of cash in respect of the Segregated Variation Margin by the Segregated Variation Margin Provider will give rise to or increases a Redelivery Claim of such party against the Segregated Variation Margin Taker in accordance with Number 2.2.3. Any such Redelivery Claim (i) shall become due if and to the extent that on any subsequent Business Day a profit amount has been determined for the benefit of such Segregated Variation Margin Provider in accordance with Chapter ~~2 II~~ Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter ~~2 II~~ Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1) ~~and~~, Chapter ~~VII~~, Part 2 Number 2.1.2 Paragraph (1) and (2), and Chapter VIII Part 3 Number 3.1.6, as applicable, (the applicable amount shall be the "**Redelivery Amount**") and (ii) shall be decreased and fulfilled accordingly (subject to a minimum value of "zero") if and to the extent equivalent Eligible Margin Assets in form of cash have been actually delivered to it by the Segregated Variation Margin Taker. For the avoidance of doubt, if the profit amount determined for the benefit of the Segregated Variation Margin Provider is higher than its Redelivery Claim as of such time, the payment of the excess amount by the other party constitutes itself a delivery of Segregated Variation Margin and the relevant party to the Standard Agreement being the Segregated Variation Margin Provider or the Segregated Variation Margin Taker shall change.

For the purpose of the Clearing Conditions, an actual delivery in respect of the Segregated Variation Margin resulting in a corresponding Redelivery Claims shall take place if upon conclusion of a Covered Transaction the terms and conditions of such Covered Transaction provide that due to a netting with an applicable initial consideration no actual payment in respect of the Segregated Variation Margin will occur.

## **Part 7**

### **7.1 General Obligation**

Whenever the Clearing Member has received a cash amount, Securities or any other asset (the "**Settlement Assets**") to settle a Covered Transaction or an amount of Eligible Margin Assets to deliver or redeliver cover in respect of the Segregated Margin or the Segregated Variation Margin (or any cash or securities income in respect of any such Eligible Margin Asset) under a Standard Agreement from Eurex Clearing AG or the Non-Clearing Member, as the case may be, the Clearing Member shall – always subject to Number 5.3.2 – instantly

---

transfer the same amount of equivalent Settlement Assets or Eligible Margin Assets (or cash or securities income in respect of any such Eligible Margin Asset) to the party under the respective other Corresponding Covered Transaction or Corresponding Standard Agreement. The same applies with respect to a redelivery of non-Eligible Margin Assets.

**7.2 Exemptions**

This Number 7 shall not apply (i) if the Clearing Member's obligation under the Corresponding Covered Transaction or Corresponding Standard Agreement has already been fulfilled in accordance with the Clearing Conditions (by way of a set-off or otherwise) or (ii) if there has been a direct debit by Eurex Clearing AG pursuant to Number 5.4. In the case of (ii), the Clearing Member is obliged to either instantly deliver to Eurex Clearing AG assets equal in amount and otherwise equivalent to the Settlement Assets or Eligible Margin Assets (or income therefrom) received from the Non-Clearing Member by reference to the Corresponding Standard Agreement or to exercise its option pursuant to Number 5.3.3.

**7.3 Consequences of a set-off**

**14.3.2 Difference Claim, Shortfall Claim of the Registered Customer and Regress Claim of Clearing Member**

- (1) With regard to each Corresponding Standard Agreement referred to in Number 14.3.1, the difference claim which was created at the time of entering into the Clearing Agreement shall become unconditional and immediately due in the Termination Currency (as defined in Number 7.3.2 of the General Clearing Provisions) from one party to the relevant Standard Agreement to the respective other party as of the end of the Valuation Date (as defined in Number 7.3.2 of the General Clearing Provisions) and shall be determined in accordance with Number 7.3 of the General Clearing Provisions (each such claim shall be a "**Difference Claim**").

Eurex Clearing AG shall notify the determined value of the Difference Claim determined by it to the Clearing Member and the Registered Customer as soon as reasonably practicable and by no later than the end of the Business Day after its determination, together with reasonable detail regarding the data and information forming the basis of the determination.

- (2) In addition to Paragraph (1) above, a claim created by the Clearing Agreement shall become unconditional and immediately due as of the end of the Valuation Date from the Clearing Member to the Registered Customer with respect to their Standard Agreement (the "**Shortfall Claim**"). The Shortfall Claim shall be an amount in the Termination Currency equal to either:

- (a) the difference between the Difference Claim of the Clearing Member against Eurex Clearing AG under the Corresponding Standard Agreement and the Difference Claim of the Registered Customer against the Clearing Member (if any, and assuming that the Difference Claim of the Clearing Member against Eurex Clearing AG under the Corresponding Standard Agreement is higher than the Difference Claim of the Registered Customer against the Clearing Member), or

If Eurex Clearing AG is the debtor of the Difference Claim, Eurex Clearing AG may on demand of the creditor of the Difference Claim discharge the Difference Claim in whole or in part by delivering Securities that have been delivered to Eurex Clearing AG as Margin under the relevant Standard Agreement; the Securities so delivered shall be taken into account with respect to the Difference Claim at the price which has been applied for the Redelivery Claim with respect to such Securities in calculating the Difference Claim.
- (2) The debtor of the Difference Claim shall not be obliged to pay any interest on the amount of the Difference Claim unless it is in default (*Verzug*) following the receipt of a payment reminder (*Mahnung*) by the other party. Default interest shall be paid on the basis of the effective overnight interest rate applicable to the currency of the Difference Claim.
- (3) Eurex Clearing AG is entitled to set-off any Difference Claim it may have against the Clearing Member pursuant to these Individual Clearing Model Provisions against any Difference Claim it owes to the Clearing Member pursuant to the Elementary Clearing Model Provisions.

The Registered Customer may elect by giving notice to Eurex Clearing AG (the "**RC Re-Establishment Election Notice**") (i) to re-establish Covered Transactions as interim participant (the "**RC IP Election**") or (ii) to immediately re-establish Covered Transactions with a Replacement Clearing Member (as defined in Number 8.3.6 Paragraph (2)) (the "**RC Immediate Re-Establishment Election**") or (iii) not to re-establish Covered Transactions but to proceed with the settlement of the Difference Claims pursuant to Number 14.3.3, in each case by 21:00 hours (Frankfurt am Main time) on the Valuation Date (the "**Re-Establishment Cut-Off Time**").

If Eurex Clearing AG does not receive an RC Re-Establishment Election Notice by the Re-Establishment Cut-Off Time, there will be no re-establishment of Covered Transactions and Number 14.3.3 applies.

**Clearing Conditions for Eurex Clearing AG**

- (1) If the Registered Customer has selected the RC IP Election by the Re-Establishment Cut-Off Time and the RC Interim Participation Conditions are satisfied, the Registered Customer will be established as Interim Participant subject to, and in accordance with, Numbers 8.3.5 Paragraphs (3) – (9) and Number 11 of the Individual Clearing Model Provisions which shall apply *mutatis mutandis*.
- (2) The following conditions (the "**RC Interim Participation Conditions**") must be satisfied by 13:00 hours (Frankfurt am Main time) on the Business Day following the Valuation Date at the latest to enable an Interim Participation of the Registered Customer pursuant to Number 14.3.5 Paragraph (1):

  - (e) Eurex Clearing AG has given a notice to the Registered Customer confirming the satisfaction of the foregoing RC Interim Participation Conditions and specifying the Opening Time.
- (3) If, for any reason, the Re-Establishment under Number 14.3.5 is not effected in whole following receipt by Eurex Clearing AG of an RC IP Election by the Re-Establishment Cut-Off Time, Number 14.3.3 applies.

**14.3.6 Immediate Re-Establishment with Replacement Clearing Member**

If the Registered Customer has selected the RC Immediate Re-Establishment Election by the Re-Establishment Cut-Off Time and the Immediate Re-Establishment Conditions set out in Number 8.3.6 Paragraph (2), applied *mutatis mutandis*, are satisfied, the provisions of Number 8.3.6 Paragraphs (3) – (7) shall apply *mutatis mutandis*.

**20-21-22.8.2 Final Settlement Price**

- (1) For the Euro Inflation Futures Contracts, the final settlement price shall be determined by Eurex Clearing AG on the final settlement day (Number 1.8.4 Paragraph 1 of the Contract Specifications for Futures Contracts and Options Contracts at Eurex Deutschland and Eurex Zürich) of a contract on basis of the unrevised harmonised index of consumer prices of the Euro zone excluding tobacco (HICP) published by Eurostat on this day. The publication of the HICP shall be carried out on a regular basis during the calendar month following the calculation period.
- (2) The final settlement price of a Euro Inflation Futures Contract shall be calculated in percent with four decimal places on the basis 100 minus the yearly inflation rate of the 12-month period preceding the contract month (calculation period) of the unrevised harmonised index of consumer prices of the Eurozone excluding tobacco (also rounded to four decimal places). The formula to calculate the Final Settlement Price of the maturing contract month is as follows:

$$FSP_t = 100 - (100 * (HICP_{t-1}/HICP_{t-13} - 1))$$

$FSP_t$  Final Settlement Price for the current contract month t

$HICP_{t-1}$  unrevised harmonised index of consumer prices of the Eurozone excluding tobacco for the calendar month t-1

- (3) In case a publication of the unrevised harmonised index of consumer prices of the Eurozone excluding tobacco by Eurostat does not take place on the provided final settlement day or later than one calendar month after the relevant reporting period, the final settlement price (rounded to two decimal places) shall be calculated by means of the flash estimate of the inflation rate of the Eurozone including tobacco published by Eurostat (Monetary Union Index of Consumer Prices -  $MUICP_{Y/Y}$ ) as follows:

$$FSP_t = 100 - [HICP_{Y/Y,t-2} + (MUICP_{Y/Y,t-1} - MUICP_{Y/Y,t-2})]$$

$FSP_t$  Final Settlement Price for the current contract month t

$HICP_{Y/Y,t-2}$  Inflation rate of the harmonised consumer price index of the Eurozone excluding tobacco for the calendar month t-2

**Clearing Conditions for Eurex Clearing AG**

$MUICP_{Y/Y_{t-1}}$  Estimated inflation rate of the Eurozone for the calendar month t-1

$MUICP_{Y/Y_{t-2}}$  Inflation rate of the Eurozone for the calendar month t-2

The flash estimate shall be published by Eurostat as of the end of the relevant calendar month respectively at the beginning of the following calendar month. In this case, there shall be no adjustment of the final settlement price when publishing the value of the unrevised harmonised index of consumer prices of the Eurozone excluding tobacco even in case of a deviation.

The provisions of Paragraph (1) ~~Clause Sentence~~ 4 - 10 apply to Special and GC Repo accordingly. - (2) Eurex Clearing AG shall deliver the securities due for delivery to the Clearing Members entitled to delivery.

In the event that a Clearing Member which is obliged to deliver fails to transfer the underlying securities on the delivery day of the Front Leg (as per Number 2.2.(2) a)) of the respective Eurex Repo Transaction and pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG shall be entitled and, on request of the Clearing Member which did not receive delivery in time, obliged to set the present Business Day, at the latest the delivery day of the Term Leg, as an advanced repurchase date of the Term Leg. As a consequence thereto, the mutual obligations arising out of the Eurex Repo Transaction which had originally been agreed upon, shall be offset against each other so that the parties, with the exception of the Repo interests agreed upon, do not owe each other any further payment or delivery. The payable Repo interests shall be calculated on the basis of the period of default, in each case for the period from the purchase date (inclusive) until the Business Day to which the Term Leg was advanced (exclusive).

At the same time, Eurex Clearing AG shall be entitled to set an earlier date as repurchase date for the Term Leg of the equivalent Eurex Repo Transaction concerned between Eurex Clearing AG and the Clearing Member which did not receive delivery from Eurex Clearing AG in time; the legal consequence thereof will be the same as described above. In connection with the delivery of GC Pooling Repo transactions the procedure pursuant to ~~Clause~~Sentence 1 to 4 shall apply, if the Clearing Member obliged to deliver shall not dispose of the necessary bulk of securities, which are admissible for the delivery in the respective basket and the underlying currency, on delivery day in its collateral pool. Eurex Clearing AG shall be, if necessary, informed of this matter by CBF.

If, as opposed to the provisions in Chapter IV Number 2.2 Paragraph (2) d), a Clearing Member does not comply with its obligation to perform during SDS1, it may – irrespective of the above provision – be in intraday default. To the extent a Clearing Member is in intraday default, Eurex Clearing AG may charge an expense allowance of EUR 2,000.00 for each defaulting GC Pooling Repo Transaction to cover its operative additional expenditure. Furthermore, Eurex Clearing AG shall be entitled to invoice the Clearing Member – until such point

Eurex Clearing AG may determine at its complete discretion how replacement purchases of securities are to be made and up to which maximum purchase price such securities may be purchased. In connection with any default in effecting performance with regard to GC Pooling Repo Transactions, the provisions of Number 2.6 Paragraph (1) a) shall apply accordingly, taking into account that an executed Buy-In according to Number 2.6 Paragraph (1) b) ~~Clause~~Sentence 1 shall be considered equivalent to reaching the point in time on which performance is effected.

- (2) Measures set forth in Paragraph (1) shall be binding on the Clearing Member which did not receive delivery in time.
- (3) The defaulting Clearing Member shall bear the costs arising from measures taken pursuant to Paragraph (1) of this Number.

**20.682.2** Failure to Deliver

In case of a failure to deliver securities<sup>11</sup> owed under a FWB Transaction on the delivery date, the provisions set forth under Number 2.2.1 as well as Number 2.2.2 Paragraph (10) shall apply to shares covered by Article 15 of Regulation (EU) No. 236/2012; for other securities, the provisions set forth under Number 2.2.2 shall apply.

---

<sup>10</sup>With regard to the clearing of transactions concluded at the Rhenish-Westfalian Exchange in Düsseldorf (Rheinisch-Westfälische Börse zu Düsseldorf) which share the securities and rights named in Chapter, Chapter V and all remaining provisions of the Clearing Conditions for Eurex Clearing AG shall apply.

**Clearing Conditions for Eurex Clearing AG****20-68-12.2.1** Failure to Deliver Shares pursuant to Article 15 of Regulation (EU) No. 236/2012

- (1) If the Clearing Member having the delivery obligation fails to deliver to the settling agent shares with their principal market in Germany on the delivery date in the course of the Second Same-Day-Settlement (2nd SDS), at the latest, or shares with their principal market in another Member State of the European Union on the first business day following the delivery date in the course of the Second Same-Day-Settlement (2nd SDS), at the latest, the Clearing Member in default is obligated to pay a contractual penalty to Eurex Clearing AG, regardless of the fact whether or not Eurex Clearing AG actually suffered any damage. The contractual penalty has to be paid by the Clearing Member in default for every day of the non-delivery, even if the right to deliver has been excluded pursuant to Paragraphs (3) or (4), up to and including the day on which the replacement pursuant to Paragraphs (2) or (3) or the cash settlement determined in Paragraph (4) has been performed. The amount of the contractual penalty to be paid per day equals 0.2 basic points of the undelivered shares' equivalent. Eurex Clearing AG retains the right to claim the contractual penalty even if Eurex Clearing AG does not specifically declare this retention in case of a late delivery of the securities owed.
- (2) If the shares to be delivered by the Clearing Member having the delivery obligation have not been delivered to the settlement agent in the course of the Second Same-Day-Settlement (2nd SDS) on the 4th business day following the delivery date, at the latest (the "**unperformed FWB Transaction**"), Eurex Clearing AG will replace the undelivered shares pursuant to Paragraphs (3) or (8) unless the Clearing Member having the delivery obligation holds an identical claim against Eurex Clearing AG which may be settled against the claim Eurex Clearing AG holds against such Clearing Member. Eurex Clearing AG retains the right to postpone the replacement by one or more business day(s) in case of a share-related corporate action or to determine, for good cause, another business day for the replacement performance.
- (3) The replacement will be performed by means of an auction. For the respective auction Eurex Clearing AG will publish for each class of shares a maximum price up to which Eurex Clearing AG is ready to accept bids. The maximum price for this auction results from the settlement price determined by Eurex Clearing AG for the class of shares in question plus a 100% premium. Any company ("**Seller**") which previously concluded a corresponding contract with Eurex Clearing AG may participate in such auctions. Once the auction has been initiated, the Clearing Member having the delivery obligation is no longer entitled to deliver to Eurex Clearing AG on the day of such auction the securities owed.
- (4) If the replacement of the undelivered shares pursuant to Paragraphs (3) or (8) was not successful in whole or in parts, Eurex Clearing AG, on the 8th business day following the delivery date, will determine a cash settlement regarding the shares not replaced. If proceedings pursuant to Chapter 11 of the US-American Bankruptcy Code are initiated against the issuer of the shares to be delivered, Eurex Clearing AG may, deviating from the provision in Sentence 1 above, determine such cash settlement on the 6th business day following the delivery date already. Upon determination of the cash settlement, the defaulting Clearing Member's obligations to

**Clearing Conditions for Eurex Clearing AG**

perform its duties from the unperformed FWB Transaction expire with debt-discharging effect; instead, the Clearing Member in default is under the obligation to pay to Eurex Clearing AG the cash settlement determined.

In the case of shares of the same class owed by Eurex Clearing AG to one or more other Clearing Member(s), which have not been delivered 8 business days or, in case of Sentence 2 above, 6 business days after the delivery date at minimum, the provisions above shall apply accordingly to the extent equalling the number of shares owed and not delivered in time by the defaulting Clearing Member to Eurex Clearing AG.

The cash settlement's settlement amount is determined as follows:

- (a) The amount of the cash settlement is established by comparing the settlement price determined by Eurex Clearing AG for the respective class of shares, plus a 100% premium, with the highest selling price and highest purchase price of the FWB Transaction in question.
- (b) The highest price determined in such manner will be multiplied with the number of shares owed and not delivered in time from the unperformed FWB Transaction. The resulting sum will be settled against the respective totals from the FWB Transactions affected and results in the amount payable by the Clearing Member in default to Eurex Clearing AG in the scope of the cash settlement.

After receipt Eurex Clearing AG will provide such amount to the Clearing Member ~~to which delivery~~ to which delivery has not been effected in due time.

- (5) The Clearing Member to which delivery has not been effected in due time is obligated to accept the measures pursuant to Paragraphs (2) through (4).
- (6) The costs resulting from the measures pursuant to Paragraphs (1) through (4) shall be borne by the Clearing Member in default. Eurex Clearing AG charges the Clearing Member in default, among other things, for each auction carried out for replacement purposes in a class of shares with a fee amounting to 10% of the value of the shares owed from the FWB Transaction concerned, however, at minimum EUR 250.00 or US-\$ 350.00 or CHF 375.00 or AUD 500.00 or CAD 400.00 or DKK 1,900.00 or GBP 225.00 or JPY 30,000 or NOK 2,000.00 or SEK 2,750.00, respectively, and at maximum EUR 5,000.00 or US-\$ 7,000.00 or CHF 7,500.00 or AUD 10,000.00 or CAD 8,000.00 or DKK 37,300.00 or GBP 4,500.00 or JPY 600,000 or NOK 41,000.00 or SEK 55,000.00, respectively. For converting the fees into the calculation currency, the provisions in Number 14 Paragraph (4) of the price list shall apply accordingly.
- (7) If a Clearing Member did not agree with Eurex Clearing AG on a gross delivery management service (Chapter I Part I Number 1.4.2 Paragraph (2) and Number 1.3.1 Paragraph (1) (b) through (e)), and fails to deliver shares, Eurex Clearing AG will charge, in addition to the obligations set forth in this Number 2.2.1, an additional fee on grounds of delay. For each day of non-delivery ("**non-delivery day**"), this fee equals 0.01% of the original equivalent value of the shares to be delivered. A non-delivery day means any business day following the delivery's due date, unless the shares are delivered on this day, at the latest, in the course of the second Same Day Settlement run of Clearstream Banking Frankfurt AG. This provision shall apply

**Clearing Conditions for Eurex Clearing AG**

exclusively to claims resulting from transactions conducted through the electronic trading system at FWB or off exchange via this electronic trading system.

- (8) At the earliest from the 1st business day after the delivery date, Eurex Clearing AG, in its own dutiful discretion or pursuant to Paragraphs (2) through (4) as well as Paragraph (10), may perform a replacement, a cash settlement or a disclosure for undelivered shares, if due to extraordinary risks Eurex Clearing AG believes that the collateral deposited with Eurex Clearing AG ~~with~~by the Clearing Member having the delivery obligation for its transactions is no longer sufficient to secure such transactions or if Eurex Clearing AG, due to other serious reasons, deems the performance of the aforementioned measures necessary.
- (9) Eurex Clearing AG may deviate from the deadlines set forth in Paragraphs (2) through (4), if compliance with these deadlines would lead to the result that the measures to be carried out pursuant to Paragraphs (2) through (4) could not be performed at all or if their performance would cause disproportional effort or costs; Eurex Clearing AG may also deviate from these deadlines if such deviation is required by other deadlines or by obligations resulting from the shares which have to be complied with.
- (10) If for shares included into the Clearing pursuant to Part 1 or for shares resulting from such included shares in the course of a corporate action performed, there is only a limited period of time, in which rights relating to or resulting from such shares may be claimed and if these shares have not been delivered to Eurex Clearing AG until the end of said period, Eurex Clearing AG will disclose its claim for delivery of these securities to the Clearing Member who has not been provided with the securities in due time by Eurex Clearing AG; in such a case the provisions set forth in Number 2.2.2 Paragraph (2) shall apply accordingly.

**20.68.22.2.2** Failure to Deliver other Securities except Shares pursuant to Article 15 of Regulation (EU) No. 236/2012

- (1) In the event that a Clearing Member fails to deliver the securities<sup>12</sup> owed under a FWB Transaction on the delivery day and pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG shall be entitled to take the measures set out below, unless there is an identical claim of the Clearing Member vis-à-vis Eurex Clearing AG which can be settled against the claim against such Clearing Member:

---

<sup>12</sup>For subscription rights securitised and hold in collective safe custody, the procedure pursuant to Paragraph 2 applies.

**Clearing Conditions for Eurex Clearing AG**

(a) If the securities to be delivered by the Clearing Member obliged to deliver are not delivered to Eurex Clearing AG on the 5th Business Day at the latest after the delivery date, as part of the second Same Day Settlement (SDS) conducted by a Settlement Location (the ~~"unperformed transaction"~~, **FWB Transaction**), Eurex Clearing AG shall replace the undelivered securities.

(b) The replacement purchase may occur pursuant to Paragraph (4) or by means of an auction pursuant to Paragraph (1) c). If the requisite securities cannot be bought in such auction, or only in part, the Clearing Member in default shall receive a further 5 Business Days in which to deliver. If the securities to be delivered are not delivered to Eurex Clearing AG on the tenth Business Day at the latest after the delivery date as part of the second Same Day Settlement (SDS) conducted by a Settlement Location, Eurex Clearing AG shall again attempt to replace the undelivered securities. This replacement purchase shall occur according to Paragraph (4) or via an auction pursuant to Paragraph (1) c).

If the securities to be delivered are not delivered to Eurex Clearing AG on the 27th Business Day at the latest after the delivery date as part of the second Same Day Settlement (SDS) conducted by a Settlement Location, Eurex Clearing AG shall again attempt to replace the undelivered securities according to Paragraph (4) or via an auction pursuant to Paragraph (1) c). If the requisite securities cannot be purchased in full, or are purchasable only in part at such further auction, the defaulting Clearing Member shall be granted time up to the 30th Business Day after the delivery date to deliver the securities to Eurex Clearing AG.

(c) The following shall apply to the replacement purchase by way of auction:

For each auction, Eurex Clearing AG shall publish a maximum price for each class of securities, which shall constitute the ceiling for bids. The maximum price for such auction shall be the settlement price determined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% of such settlement price.

Any company (~~"Vendor"~~) which has concluded a prior contract with Eurex Clearing AG may take part in the auctions.

(d) As regards securities owed as a result from an unperformed FWB Transaction, Eurex Clearing AG can determine a cash settlement from the 30th to the 36th Business Day after the delivery date, so that the performance obligations of the defaulting Clearing Member vis-à-vis Eurex Clearing AG arising from this unperformed FWB Transaction with discharging effect expire. Instead, the Clearing Member in default shall be obliged to pay cash settlement to Eurex Clearing AG.

Securities owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members which have not been delivered within at least 30 Business Days after the delivery day shall apply respectively to the amount corresponding to the number of securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG which have not been delivered in due time.

The level of the cash settlement payable by the defaulting Clearing Member to Eurex Clearing AG shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% and the highest selling price as well as the highest purchase price of the relevant FWB Transactions. With regard to transactions in fixed income securities, the amount of the cash

**Clearing Conditions for Eurex Clearing AG**

settlement shall be determined according to the rate above, provided that the settlement price will be determined regardless of interest accrued and there will be a spread of 300 basis points.

The highest price determined in this way shall be multiplied with the respective number of the owed securities resulting from the unperformed FWB Transaction and not having been delivered in due time. The resultant sum shall be settled against the respective final amounts of the relevant FWB Transactions and shall result in the amount payable to Eurex Clearing AG by the defaulting Clearing Member through cash settlement.

Eurex Clearing AG shall pay out this amount to the or the other Clearing Members who have made transactions with Eurex Clearing AG according to ~~Clause~~Sentence 3.

(e) If the execution of a cash settlement should not be possible wholly or partially Eurex Clearing AG shall replace on the 37th Business Day after the delivery day the securities which have not been delivered. The replacement may be implemented according to a) or by means of an auction according to c).

(f) If the requisite securities cannot be bought in such auction, or only in part, Eurex Clearing AG shall fix a cash settlement from the 40th to the 46th Business Day after the delivery day with regard to the unperformed FWB Transaction so that the performance obligations of the defaulting Clearing Member vis-à-vis Eurex Clearing AG arising from this unperformed FWB Transaction expire with discharging effect. Instead, the Clearing Member in default shall be obliged to pay cash settlement to Eurex Clearing AG.

Securities of the same nature owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members which have not been delivered within at least 30 Business Days after the delivery day shall apply respectively in the amount corresponding to the number of securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG which have not been delivered in due time.

The level of the cash settlement payable by the defaulting Clearing Member to Eurex Clearing AG shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100%, the highest selling price of the relevant transactions as well as the highest purchase price of the relevant FWB Transactions. With regard to transactions in fixed income securities, the amount of the cash settlement shall be determined according to the rate above, provided that the settlement price will be determined regardless of interest accrued and there will be a spread of 300 basis points.

The highest price determined in this way shall be multiplied with the respective number of the relevant securities owed from the defaulting FWB Transaction which have not been delivered in due time. The resultant sum shall be settled against the respective final amounts of the relevant transactions and shall result in the amount payable to Eurex Clearing AG by the defaulting Clearing Member through cash settlement.

Eurex Clearing AG shall pay out this amount to one or the other Clearing Members who have made transactions with Eurex Clearing AG according to ~~Clause~~Sentence 3.

**Clearing Conditions for Eurex Clearing AG**

(g) As far as delivery of the securities continues to be wholly or partially outstanding the buy-in attempt according to Paragraph (1) e) shall be repeated by Eurex Clearing AG at a frequency of 10 days; during the first 6 Business Days of a buy-in attempt Eurex Clearing AG shall repeat the cash settlement according to Paragraph (1) f) as often as is necessary until the unperformed FWB Transaction has wholly been performed or until such transaction could have been paid out through a cash settlement.

(h) It is required that prior to the implementation of a cash settlement according to Paragraph (1) d), f), and g) three buy-in attempts via an auction according to c) in each case and in the respective class of securities have been performed by Eurex Clearing AG. In the event that the liability of the Clearing Member obliged to deliver could be settled against an identical claim of such Clearing Member vis-à-vis Eurex Clearing AG pursuant to Paragraph (1) ~~Clause Sentence~~ 1 and if, as a result, Eurex Clearing AG refrained from replacing pursuant to Paragraph (4) or via an auction pursuant to Paragraph (1) c), this fact is regarded as one of three replacement attempts pursuant to ~~Clause Sentence~~ 1.

(i) In the case of a capital action event concerning the securities, Eurex Clearing AG reserves the right to defer the auction by one or more Business Days or, upon good cause shown, to determine another Business Day for execution of the auction.

(j) In the event that only a limited period of time exists for securities being included in the clearing pursuant to ~~Chapter V~~ Part 1 or resulting from securities included in the clearing in the course of an implemented corporate action, in which the claims connected with or resulting from those securities can be asserted and if such securities have not been delivered to Eurex Clearing AG before end of this period of time, Eurex Clearing AG discloses to the Clearing Member it has not delivered in time its claim to delivery of such securities in respective execution of the provisions pursuant to Paragraph (2).

(k) If proceedings according to Chapter 11 of the US-American Bankruptcy Code are opened against the issuer of the securities to be delivered, Eurex Clearing AG may, in deviation to Item b) and Item d), determine a cash settlement amount as early as on the 6th Business Day after the delivery date.

(2) In the event the Clearing Member fails to deliver in due time on the delivery date the rights owed from a FWB Transaction (e.g. subscription rights) or the rights resulting from securities to be delivered (e.g. subscription rights), with the exception of partial rights pursuant to Paragraph 3, according to the instructions of Eurex Clearing AG, Eurex Clearing AG will take the following measures after the second same-day settlement (2nd SDS) or after the corresponding settlement procedure of the Settling Agent of the last day of the subscription period, respectively, or if this happens to be earlier, 20 business days after the delivery date:

(a) Eurex Clearing AG discloses its claim for transfer of the Rights which have not been delivered in due time by the defaulting Clearing Member to the Clearing Member who has not been delivered in due time by Eurex Clearing AG due to such default in order to conclude an assumption (assumption pursuant to Section 414 Bürgerliches Gesetzbuch) with the defaulting Clearing Member pursuant to Paragraph (2) b) to the extent as the Number of Rights to be delivered by the defaulting Clearing Member to Eurex Clearing AG is correspondent to the

**Clearing Conditions for Eurex Clearing AG**

Ancillary Rights to be transferred by Eurex Clearing AG to the Clearing Member which has not been delivered in due time.

(b) An effective assumption in favour of Eurex Clearing AG pursuant to Paragraph (2) a) is only existent if both relevant Clearing Members agree about a certain number of Rights which shall be delivered by the defaulting Clearing Member to the Clearing Member to be delivered instead of Eurex Clearing AG and if they have signed legally binding a respective standardised agreement for the assumption of the delivery obligation (hereinafter named **"Obligation Assumption Agreement"**) made available by Eurex Clearing AG and have been submitted such Obligation Assumption Agreement to Eurex Clearing AG **("Assumption")**.

As soon as Eurex Clearing AG has received the signed Obligation Assumption Agreement, the obligation of Eurex Clearing AG vis-à-vis the Clearing Member to be delivered to deliver the owed Rights and all future secondary rights or rights currently connected with such obligation in the amount of the number of Rights to be transferred agreed upon by both Clearing Members cease to exist.

For the execution of such Obligation Assumption Agreement, Eurex Clearing AG hereby authorises the Clearing Member to be delivered to be executed vis-à-vis the defaulting Clearing Member to waive a delivery of the Rights in the amount of the number of Rights to be delivered agreed upon by both Clearing Members as well as to waive all Secondary Claims at this point in time in connection with this claim with discharging effect. Number 2.2 Paragraph (8) does not apply.

(c) Eurex Clearing AG sets a time limit of 10 Business Days at maximum to both Clearing Members within which the Obligation Assumption Agreement can be signed legally binding by such Clearing Members. In this case, both Clearing Members shall inform Eurex Clearing AG on the Business Day following the last day of the time limit set by Eurex Clearing AG at 10 a.m. CET at the latest (foreclosure) by submitting the Obligation Assumption Agreement signed legally binding at Eurex Clearing AG.

(d) Provided that no legally binding signature of the Obligation Assumption Agreement between the respective Clearing Members has been effected within the foreclosure pursuant to Paragraph (2) c) ~~Clause Sentence~~ 2, Eurex Clearing AG determines a cash settlement regarding the Rights to be delivered by the defaulting Clearing Member pursuant to Paragraph (2) e) with the legal result that the fulfilment obligation of the defaulting Clearing Member vis-à-vis Eurex Clearing AG out of this unperformed FWB Transaction ceases to exist. Instead, the defaulting Clearing Member is obliged to pay the cash compensation determined by Eurex Clearing AG to Eurex Clearing AG.

The same applies in this case for rights of the same nature owed by Eurex Clearing AG vis-à-vis one or more other Clearing Members to the amount corresponding to the Number of the rights owed by the defaulting Clearing Members to Eurex Clearing AG from the unperformed FWB Transaction, such rights not having been delivered in due time. ~~Chapter V~~ Number 2.2 Paragraph (8) does not apply.

(e) The amount of the cash compensation to be paid by the defaulting Clearing Member to Eurex Clearing AG pursuant to Paragraph (2) d) shall be determined by comparison between the calculational value of the right at the point in time of the cash settlement plus an

**Clearing Conditions for Eurex Clearing AG**

additional charge in the amount of 100% and the highest price of sale and the highest purchase price in the relevant FWB Transactions respectively deliveries.

The price calculated in this way is multiplied with the respective lot size of the Rights which have not been delivered in due time to Eurex Clearing AG; the resulting sum adds up to the amount to be paid by the defaulting Clearing Member in the course of the cash compensation. The resulting sum shall be netted against the respective final amounts of the concerned FWB Transactions and results in the amount to be paid by the defaulting Clearing Member to Eurex Clearing AG in the course of the cash settlement.

Upon receipt, Eurex Clearing AG will then distribute this amount to one or the other Clearing Members who have entered into FWB Transactions pursuant to Paragraph (2)d) ~~Clause-Sentence~~ 3 with Eurex Clearing AG.

- (3) If the Clearing Member fails to deliver in due time on the delivery date the partial rights owed from a FWB Transaction or the partial rights resulting from securities to be delivered according to the instructions of Eurex Clearing AG, Eurex Clearing AG will determine a cash settlement regarding the partial rights not delivered after the second same-day settlement (2<sup>nd</sup> SDS) or after the corresponding settlement procedure of the Settling Agent on the last day of the conversion period respectively, or if this happens to be earlier, 20 business days after the delivery date; as a result, the defaulting Clearing Member's delivery obligations towards Eurex Clearing AG as regards the partial rights not delivered are cancelled with debt-discharging effect. In lieu thereof, the defaulting Clearing Member will be under the obligation to pay to Eurex Clearing AG a cash settlement.

In such a case, similar partial rights owed by Eurex Clearing AG to one or several other Clearing Member(s) shall be treated accordingly to the extent that they correspond to the number of partial rights the defaulting Clearing Member owed from the FWB Transaction and failed to deliver in due time to Eurex Clearing AG. The provisions in ~~Chapter V~~ Number 2.2 Paragraph (8) do not apply.

The amount of the cash settlement to be paid by the defaulting Clearing Member to Eurex Clearing AG corresponds to the price which is determined by Clearstream Banking AG on the day on which Eurex Clearing AG decides on the performance of the cash settlement.

The price determined in the manner described above will be multiplied by the respective number of partial rights not delivered to Eurex Clearing AG in due time, thus calculating up to the amount to be paid by the defaulting Clearing Member to Eurex Clearing AG in the course of performing the cash settlement. The sum resulting from this procedure will be calculated against the respective totals of the FWB Transactions concerned and results in the amount to be paid by the defaulting Clearing Member to Eurex Clearing AG in the course of the cash settlement.

After having received this payment, Eurex Clearing AG will clear the amount to the other Clearing Member(s) who have concluded FWB Transaction pursuant to ~~Clause-Sentence~~ 3 with Eurex Clearing AG.

- (4) Eurex Clearing AG may at its own dutiful discretion or pursuant to Paragraph (1) and (2) carry out a cash settlement or a disclosure for securities and rights which have

**Clearing Conditions for Eurex Clearing AG**

not been delivered and for the securities and rights resulting therefrom on the first Business Day at the earliest, if, in its judgement, the securities deposited at Eurex Clearing AG by the Clearing Member obliged to deliver for its transactions do not suffice for the collateralisation of such transactions or if, due to other severe reasons, it deems necessary an implementation of the mentioned measures.

- (5) Measures set forth in Paragraph (1) through (4) shall be binding on the Clearing Member which did not receive delivery in time.

Where Eurex Clearing AG has commenced a replacement purchase pursuant to Paragraph (1) by means of an auction, the Clearing Member obliged to deliver shall not be authorised to deliver the securities it owes to Eurex Clearing AG on the day of the auction. If the securities to be delivered have been replaced at an auction, the delivery obligations of the Clearing Member in default deriving from the original FWB Transaction shall expire with discharging effect.

- (6) Eurex Clearing AG may deviate from the deadlines defined in Paragraph (1) through (3) if compliance with those deadlines would mean that the measures to be performed pursuant to Paragraphs (1) through (3) could not or only with disproportional expenses or costs be achieved or if other deadlines or obligations arising from the securities or rights require such deviation.

- (7) The defaulting Clearing Member shall bear the costs arising from measures taken pursuant to Paragraph (1) through (4) of this Number. Eurex Clearing AG shall

(a) for each auction ~~held for purposes of making a replacement purchase~~ in one security category ~~held~~ pursuant to Paragraph (1) levy upon each defaulting Clearing Member a fee of 10% of the value of the securities owed pursuant to Paragraph (1) ~~Clause Sentence 1,~~

(b) for each auction held for purposes of making a replacement purchase in fixed income securities pursuant to Paragraph (1) – in deviation to letter (a) – levy upon each defaulting Clearing Member a fee of 0.1% of the value of the fixed income securities owed pursuant to Paragraph (1) ~~Clause Sentence 1,~~

but in any case not less than EUR 250.00 or USD 350.00 or CHF 375.00 respectively AUD 500.00 respectively CAD 400.00 respectively DKK 1,900.00 respectively GBP 225.00 respectively JPY 30,000.00 respectively NOK 2,000.00 respectively SEK 2,750.00 and at maximum EUR 5,000.00 respectively USD 7,000.00 respectively CHF 7,500.00 respectively AUD 10,000.00 respectively CAD 8,000.00 respectively DKK 37,300.00 respectively GBP 4,500.00 respectively JPY 600,000.00 respectively NOK 41,000.00 respectively SEK 55,000.00. For the conversion of the fees into the settlement currency, ~~Number 12~~ 14 Paragraph ~~(4)~~ of the Price List shall apply accordingly.

- (8) If a Clearing Member has not agreed upon Gross Delivery Management Service with Eurex Clearing AG (Chapter I Part 1 Number 1.4.2 Paragraph (2) and Number 1.3.1 Paragraph (1) (b)-(e)), and if such Clearing Member comes in default with the delivery of securities, Eurex Clearing AG shall levy an additional default fee besides the obligations specified in this provision. Such fee shall amount to 0.01% of the original countervalue of the securities to be delivered for each day of default (default day). A default day is each Business Day following the due date of delivery, unless

**Clearing Conditions for Eurex Clearing AG**

the securities are delivered at the latest on such Business Day within the second same-day settlement booking run of Clearstream Banking Frankfurt AG.

This regulation shall exclusively apply to claims from transactions which have been concluded via the electronic trading system at FWB or off-exchange via this electronic trading system.

- (9) If in the course of a corporate action bearers of securities are offered the replacement of securities against cash amount or other securities or in the case of a mandatory corporate action with a choice between different conversion offers, and if the Clearing Member does not deliver to Eurex Clearing AG the securities owed from the FWB Transaction by the last day of the term for acceptance ~~(("value date"))~~ according to Eurex Clearing AG's instructions, and if the Clearing Member which has not received delivery in due time has suffered damages as a result and has provided evidence vis-à-vis Eurex Clearing AG for the existence of a relevant claim within the statutory period of limitation, Eurex Clearing AG may disclose its claim for transfer of the securities which were not delivered in due time by the defaulting Clearing Member, to the Clearing Member which has not received delivery in due time as a result of such default; however, such disclosure may only be made to such extent in which the number of the securities to be delivered to Eurex Clearing AG by the defaulting Clearing Member corresponds to the number of securities to be transferred by Eurex Clearing AG to the Clearing Member which has not received delivery in due time. Such disclosure may also be made after the claim for transfer has been satisfied.

- (10) Should dividend or bonus payments pursuant to ~~Chapter V~~ Number 2.3 Paragraph (2) a) occur for securities to which as yet unperformed FWB Transactions refer or should additional rights pursuant to ~~Chapter V~~ Number 2.3 Paragraph (2) b) be granted and the Clearing Member obliged to deliver be in default, i.e. should the Clearing Member not deliver the securities owed from an FWB Transaction on due date to Eurex Clearing AG according to its instructions, the Clearing Member in default for not having delivered the securities in time shall be obliged to pay a contractual penalty to Eurex Clearing AG notwithstanding of Eurex Clearing AG having suffered a loss. Eurex Clearing AG reserves the right to charge a contractual penalty also if it did not explicitly declare such reserve in case of late delivery of the owed securities.

Irrespective of the delivery of the security having been effected by the Clearing Member in default or the replacement purchase by Eurex Clearing AG pursuant to ~~Chapter V~~ Number 2.2 Paragraph (1), the amount of the contractual penalty charged by Eurex Clearing AG shall be calculated as follows:

The amount of the contractual penalty amounts to 35.8% of the net dividend (dividend being due to the shareholder; less respective taxes and charges), multiplied by the amount of securities owed on the value date. The contractual penalty is charged in the currency in which the corresponding delivery of securities is to be settled and shall only be claimed by Eurex Clearing AG if the calculation in the corresponding currency results in a value of at least EUR 5,000, USD 7,000, GBP 5,000, CHF 7,000, AUD 8,000, CAD 7,000, JPY 550,000, SEK 48,000, DKK 38,000, NOK 40,000 or PLN 20,000.

**Clearing Conditions for Eurex Clearing AG**

(11) In addition to the regulations pursuant to ~~Chapter V~~ Number 2.2 Paragraph (9) and ~~Chapter V~~ Number 2.2 Paragraph (10) the following shall apply:

(a) With regard to the delivery of certain securities, Eurex Clearing AG may determine that in case of default in delivery of such securities within a period of time specified by Eurex Clearing AG, Eurex Clearing AG can abstain from charging contractual penalties. Eurex Clearing AG will notify this to its Clearing Members by circular.

(b) Eurex Clearing AG Clearing shall abstain from claiming damages up to the amount of the contractual penalty vis-à-vis the Clearing Member obliged to deliver, if such penalty has been paid. The right of Eurex Clearing AG to claim damages in excess of the amount of the contractual penalty remains unaffected.

(c) The contractual penalty regulations do not apply to delivery of securities pursuant to ~~Chapter V~~ Number 2.2 Paragraph 9 or to delivery of ETF shares pursuant to ~~Chapter V~~ Number 2.2 Paragraph 12. The right of Eurex Clearing AG to claim damages remains unaffected.

(12) To the extent cash distributions according to ~~Chapter V~~ Number 2.3 Paragraph 2 lit.

a) accrue with regard to ETF shares which are being referred to by yet unperformed FWB transactions, and if the Clearing Member does not deliver to Eurex Clearing AG the ETF shares owed from an FWB transaction on the due date according to the instructions of Eurex Clearing AG, and if the Clearing Member which has not received delivery in due time has suffered damages as a result and has provided evidence for the existence of a relevant claim vis-à-vis Eurex Clearing AG within the statutory period of limitation – Eurex Clearing AG may disclose its claim for transfer of the ETF shares which were not delivered in due time by the defaulting Clearing Member, to the Clearing Member which has not received delivery in due time as a result of such default; however, such disclosure may only be made to such extent in which the number of the ETF shares to be delivered to Eurex Clearing AG by the defaulting Clearing Member corresponds to the number of ETF shares to be transferred by Eurex Clearing AG to the Clearing Member which has not received delivery in due time. Such disclosure may also be made after the claim for transfer has been satisfied.

(13) To the extent that interest payments accrue regarding fixed income securities serving as a reference for yet unperformed FWB Transactions, and if the Clearing Member has failed to deliver the fixed income securities owed from an FWB Transaction on the due date according to the instructions of Eurex Clearing AG, Eurex Clearing AG will, upon maturity, collect these interest payments from the Clearing Member selling the fixed income securities and will transfer the interest to the Clearing Member buying the respective fixed income securities. Any payment shall be performed in compliance with the applicable tax laws.

(14) The right of Eurex Clearing AG and the Clearing Member which did not receive delivery in time to claim further damages shall remain unaffected.

**Clearing Conditions for Eurex Clearing AG**

(1) Where corporate actions pursuant to Paragraph (2) are carried out in respect of securities which relate to unperformed FWB Transactions, Eurex Clearing AG shall process these actions as follows on an individual basis when clearing such transactions with its Clearing Members: The value date of the requisite debits and credits on accounts of Clearing Members involved will be ascertained on the basis of the due days determined and announced by Clearstream Banking AG, Frankfurt/Main. In the absence of further agreements or rulings in particular in Paragraph (2), securities shall be transferred with the rights and duties which existed at the conclusion of the transaction.

(2) Type of corporate action:

These payments are posted to the RTGS Accounts or the euroSIC Accounts or the respective foreign currency accounts. All payments shall be rendered with due observance of the applicable tax legislation.

(b) Granting of additional rights

If subscription rights to shares or comparable rights are granted, the Clearing Member obliged to deliver on the grounds of as yet unperformed FWB Transactions shall be obliged to transfer these rights to Eurex Clearing AG subject to the cut-off date defined by Clearstream Banking AG. Subsequently, Eurex Clearing AG shall credit on the above-mentioned cut-off date the Clearing Member, which has entitlement on the grounds of as yet unperformed FWB Transactions, with the rights transferred to it. This applies to fractional rights *mutatis mutandis*.

(c) Conversion offers

Shareholders may be made an offer to convert existing shares to new ones, shares of another stock corporation, other securities and/or cash settlement. If this is the case, Eurex Clearing AG shall, in regard of FWB Transactions which Clearing Members have not yet concluded with it, transfer the relevant existing shares to Clearing Members to receive deliveries. That transfer shall include the options still existing on the date of performance.

(d) Final maturity of fixed income securities

If, in case of yet unperformed FWB Transactions regarding fixed income securities, the final maturity of such securities is reached, Eurex Clearing AG will perform a cash settlement in lieu of the securities' delivery. The cash settlement is fixed by Eurex Clearing AG at the last settlement price determined for these securities plus the respective interest accrued.

(e) Other corporate actions

**Clearing Conditions for Eurex Clearing AG**

If a corporate action is carried out such as is not governed by the present provisions, Clearing Members obliged to deliver shall implement transfer of the securities or rights involved within the meaning of the instructions laid down by Eurex Clearing AG in line with the content of the said provisions. (4) Corrections to corporate actions

Clearstream Banking AG may carry out corrections to corporate actions conducted by Eurex Clearing AG pursuant to Paragraph (2) or which should have been carried out, in regard of as yet unperformed or performed FWB Transactions (such corrections might be reversals, adjustments, etc.); in such cases of correction, Eurex Clearing AG shall be entitled to undertake corresponding corrections to corporate actions it has conducted pursuant to Paragraph (2) and to carry out any non-implemented corporate actions retroactively.

For the eventuality that corporate actions in regard of as yet unperformed or performed FWB Transactions were not carried out and afterwards corrected or implemented by the Clearstream Banking AG, Eurex Clearing AG shall reserve the right to waive the subsequent implementation of the corporate action in favour of assigning to the claimant Clearing Member its claims against other Clearing Members arising out of corresponding identical transactions with debt-discharging effect.

If the netting procedure in delivery instructions of performed or yet unperformed FWB Transactions has resulted in the existence of nominal value fractions, Eurex Clearing AG shall be entitled to meet the corresponding claims of the Clearing Members eligible for benefit by means of cash settlement.

(5) Change of method of holding in custody

If, due to a corporate action on the part of an issuer, securities held in collective custody or ancillary rights need to be held on a trust-custody basis or in a different way (hereinafter referred to as "~~change of method of holding in custody~~"), Eurex Clearing AG is entitled according to its best judgement and by safeguarding of the interests of the respective Clearing Member to effectuate transactions to be performed by Eurex Clearing AG by using securities or ancillary rights subject to such a change of method of holding in custody.

**Clearing Conditions for Eurex Clearing AG**

**20.702.4** Daily Assessment

- (1) For each delivery in securities and rights which has not yet been fulfilled, gains and losses at the respective Business Day shall be determined and balanced against the deposited securities. For all deliveries not having been fulfilled yet, the amount of the securities to be deposited is determined by the difference between the price of the transaction and the daily settlement price of the Business Day.
- (2) The daily settlement price shall be determined by Eurex Clearing AG after close of trading and shall be communicated to the Clearing Members.

In addition to the setoff regulated in Chapter I Part 1 Number 1.3 and Part 2 Number 5, Eurex Clearing AG may agree with a Clearing Member upon a same-day netting of claims from transactions pursuant to this Chapter ~~V~~ with respect to the relevant Standard Agreement. In this case, the netting shall be carried out on basis of the following provisions agreed upon by Eurex Clearing AG and the Clearing Members.

Same-day netting means that claims from transactions concluded on a trading day shall be netted on that trading day.

The Clearing Member may furthermore determine by declaration vis-à-vis Eurex Clearing AG whether it will use the functions of the Gross Delivery Management under Chapter I Part 1 Number 1.4.2 Paragraph (2) and Number 1.3.1 Paragraph (1) (b)-(e) for control of the fulfilment of the claims resulting from the netting procedure. In case of a utilisation of the Gross Delivery Management, the service of Eurex Clearing AG described in Chapter I Part 1 Number 1.4.2 Paragraph (2) and Number 1.3.1 Paragraph (1) (b)-(e) shall extend to the claims resulting from the netting. The parts of aforementioned claims which cannot be netted shall be summarised to respectively one total receivable to assignment and one cash receivable. These claims shall be fulfilled pursuant to Number 2.1.

If aforementioned netting within a netting unit shows that

- a receivable to assignment and a cash receivable would exist for a contractual party, or
- the claims to assignment of both parties could totally be netted, or
- the cash claims of both parties could totally be netted,

the claims within one netting unit shall not be netted. In this case, a consolidation of the claims shall take place only, with the result of one assignment receivable and one cash receivable each of Eurex Clearing AG and the Clearing Member. - (1) If the securities from a XIM Transaction with settlement in Belgium, France, Netherlands or Portugal to be delivered by the Clearing Member obliged to deliver are not delivered to Eurex Clearing AG at the latest on the 7<sup>th</sup> Business Day after the delivery day in the course of the last settlement run of the central depository determined by the Management Board of FWB pursuant to the Exchange Rules of Frankfurter Wertpapierbörse (the **“non-fulfilled XIM Transaction”**), Eurex Clearing AG shall arrange for deletion of the respective delivery instructions on the respective home market and repurchase the non-delivered securities by means of an auction. In turn, the Clearing Member obliged to deliver undertakes to arrange for deletion of the respective delivery instructions on the respective home market. As soon as Eurex Clearing AG has informed the Clearing Member obliged to deliver about the intended implementation of an auction, the Clearing Member is no longer authorised to deliver the concerned securities to Eurex Clearing AG.
- (2) If the securities to be delivered are certified subscription rights, the procedure according to Paragraph (8) shall apply.
- (3) An auction within the meaning of Paragraph (1) shall take place on the 8<sup>th</sup> Business Day upon the defined delivery day. For each auction, Eurex Clearing AG shall publish a maximum price per security class up to which it is willing to accept offers. The maximum price results from the settlement price defined by Eurex Clearing AG for the respective security class plus a surcharge in the amount of 20%. - (8) If the rights from a XIM Transaction with settlement in Belgium, France, Netherlands or Portugal (e.g. subscription rights) or the rights resulting from securities to be delivered (e.g. partial rights and subscription rights) to be transferred by the Clearing Member obliged to deliver are not transferred in due time on the delivery day on instruction by Eurex Clearing AG, the latter shall execute measures pursuant to Number 2.2.2 Paragraph (2) or Paragraph (3) after the last settlement run of the central custodian determined by the Management Board of FWB according to the Exchange Rules of the Frankfurter Wertpapierbörse) on the last day before expiry of the deadline existing for the rights.

For each auction carried out in a security class according to Paragraph (3), Eurex Clearing AG shall charge from the defaulting Clearing Member a fee of 10% of the value of the owed securities, at least, however, EUR 250.00 and at maximum EUR 5,000.00.
- (12) If a Clearing Member delivers securities to Eurex Clearing AG after it ceased to be authorised to do so according to Paragraph (1) or (5), the Clearing Member is obliged to pay a compensation for the retransfer in the amount of EUR 500.00 to Eurex Clearing AG. If further damage occurs to Eurex Clearing AG from the delivery, the Clearing Member is obliged to compensate such damage. ~~Clause~~Sentence 1 and 2 shall apply accordingly to the non-defaulting Clearing Member if, in the procedure according to Paragraph (5), the Clearing Member has arranged for transfer of securities after the claim for payment of a settlement amount has come into existence, by not arranging for deletion of the instruction given on the respective home market.

**20.74.41.1.4 Conclusion of Transactions**

- (1) At the Irish Stock Exchange, the only parties to ISE Transactions are Eurex Clearing AG and a Clearing Member. Eurex Clearing AG makes an open offer to Clearing Members and shall enter into a central counterparty contract when two orders in securities subject to Clearing under this Chapter VI are matched electronically on the ISE trading system. Such matching constitutes the acceptance of the open offer by each of the trading participants at the Irish Stock Exchange which have entered the orders that have been matched and a central counterparty contract shall immediately arise between Eurex Clearing AG and the Clearing Member in question. Where an order which has been matched electronically on the ISE trading system has been entered by a Non-Clearing Member, the open offer shall be accepted by that Non-Clearing Member as agent for the General Clearing Member which provides clearing services for that Non-Clearing Member. The General Clearing Member shall be bound by the terms of such a transaction, irrespective of anything contained in any agreement or arrangement between the General Clearing Member and the Non-Clearing Member. All transactions for the sale and purchase of securities between

**Clearing Conditions for Eurex Clearing AG**

Eurex Clearing AG and Clearing Members and all matters concerning the formation and validity of such transactions shall be governed by and construed in accordance with the law of the Republic of Ireland.

It shall be a term of every central counterparty contract between Eurex Clearing AG and a Clearing Member that the obligation of each of Eurex Clearing AG and the Clearing Member as between themselves to deliver securities or pay cash in respect of that, where the Clearing Member has elected to settle a transaction on a net basis, transaction shall be discharged by and upon the delivery of the net amount of securities of the same description as the securities to which that transaction relates and/or the payment of the net amount of cash for securities of that description calculated, in accordance with the netting procedures provided by CREST, as payable and/or deliverable on the settlement date of the relevant transactions between Eurex Clearing AG and the Clearing Member.

- (2) With matching of orders resulting in the conclusion of an ISE Transaction, a transaction shall be effected between Eurex Clearing AG and a trading participant at the Irish Stock Exchange pursuant to the law of the Republic of Ireland to the extent that such trading participant is authorised to engage in clearing activities ~~("Clearing Member")~~, and an equivalent transaction shall be effected pursuant to the law of the Republic of Ireland between Eurex Clearing AG and another Clearing Member. No ISE Transaction shall be capable of being entered into between two or more Clearing Members. Each transaction with Eurex Clearing AG is a separate transaction the performance of which is not contingent on the obligations of the parties under any connected transaction becoming discharged.

If, in case of ~~Clause~~Sentence 1, a trading participant at the Irish Stock Exchange is not authorised to engage in clearing activities (Non-Clearing Member) itself, transactions at the ISE can only be effected via the Clearing Member through which the Non-Clearing Member settles its ISE Transactions. If an order entered into the ISE system by a Non-Clearing Member is matched with another order, a transaction between the Non-Clearing Member and the Clearing Member and an equivalent transaction between the Clearing Member and Eurex Clearing AG pursuant to the law of the Republic of Ireland shall simultaneously take place.

- (3) If an ISE Transaction is deleted or cancelled by the ISE according to the trading conditions of ISE, the cancellation of such ISE Transaction is carried out by ISE by entering a contra-trade in the amount of the price of the respective ISE Transaction into the electronic system of ISE. Following any such contra-trade the obligations as between any Clearing Member to which the contra-trade relates and Eurex Clearing AG shall be automatically amended to reflect the contra-trade. Each Clearing Member entitles Eurex Clearing AG to authorise CREST on its behalf and on behalf of the entitled Clearing Members with the settlement of contra-trades. The Clearing Members are obliged to confirm the contra-trades authorised by Eurex Clearing AG in the system of CREST pursuant to ~~Clause~~Sentence 2 at the same day (Matching). Eurex Clearing AG and the relevant Clearing Members are obliged to immediately delete the ISE Transactions to be cancelled pursuant to ~~Clause~~Sentence 1 in the system of CREST. Any debits booked on the accounts of Eurex Clearing AG or the

**Clearing Conditions for Eurex Clearing AG**

relevant Clearing Members shall immediately be cancelled in the system of CREST. Any debits or credits booked on the accounts of Eurex Clearing AG or the relevant Clearing Members shall be cancelled accordingly. In this case, the relevant Clearing Members are obliged, after respective notification, to confirm respectively to enter or to delete the orders entered or cancelled in the system of CREST by Eurex Clearing AG.

- (4) Eurex Clearing AG may at any time void any Transaction concluded with a Clearing Member (in this Paragraph (4), the "Affected Clearing Member"), send instructions to CREST voiding any transaction with the Affected Clearing Member or take measures in the Republic of Ireland if:

- (a) the transfer contemplated by the transaction is prohibited by an Order of the High Court of Ireland or by or under any law having effect in the Republic of Ireland; or
- (b) the relevant issuer has actual notice that the transfer contemplated by the transaction is avoided by or under any law having effect in Ireland; or
- (c) the relevant transfer contemplated by the transaction has as the transferee a deceased person; or
- (d) the equivalent transaction under Paragraph (2) is subject to any of Paragraph (4) a) to c) above.

In case Eurex Clearing AG voids an ISE Transaction pursuant to this Paragraph 4, Eurex Clearing AG shall close all positions (*Glattstellung*) in respect of any Clearing Member, whose ISE Transactions are affected by such voidness. The Affected Clearing Member shall bear all costs of such closing of transactions.

- (5) Neither Clearing Members nor Non-Clearing Members nor any third person may procure any other person acting on such person's behalf (i.e. any agent, affiliate, contractor, liquidator, administrator, administrative receiver or trustee in bankruptcy of any such person but excluding CREST and Eurex Clearing AG) to seek a Court Order to take any other step in respect of the register of securities by an issuer or registrar, whether to prevent the registration of any transferee of securities or otherwise.

Furthermore, the Clearing Member has to release and indemnify Eurex Clearing AG from all requirements and claims of third parties – in particular of ISE, CREST or the Settlement Bank - to the extent such requirements and claims are directly or indirectly opposed to Eurex Clearing AG in its capacity as CREST Central Sponsor or as CCP Participant and to the extent they

**Clearing Conditions for Eurex Clearing AG**

affect an obligation of the Clearing Member having been culpably violated by it and if no Eurex Clearing AG has not acted in an culpable way. Eurex Clearing AG shall immediately notify the Clearing Member of such imminent requirement respectively such claim and will provide the Clearing Member with all information it needs in order to take over the legal defense, if it intends to do so. A dispute of the settlement, provided it is not based on a judgment, needs consent of Eurex Clearing AG.

**20.761.3 Subpart****Legal Relationships between Eurex Clearing AG, Clearing Member and Non-Clearing Member (NCM)****20.76.11.3.1 Rights and Obligations of Non-Clearing Members of Clearing Members of Eurex Clearing AG****1.3.1.1 General Provisions**

A Non-Clearing Member must clear all its Transactions only through one Clearing Member in accordance with the Clearing Agreement.

**1.3.1.2 Replacement of Clearing Member**

- (1) The Non-Clearing Member may replace a Clearing Member in accordance with Chapter I Part 2 Number 9 or Part 3 Number 9, if applicable.
- (2) In the event of a replacement pursuant to Paragraph (1), Eurex Clearing AG shall transfer open ISE Transactions to the new Clearing Member after the end of the official Trading Period at ISE if the Clearing Members involved confirm the request for the transfer of the ISE Transactions and if a valid Clearing Agreement exists between Eurex Clearing AG, the Non-Clearing Member and the Clearing Member to which the ISE Transactions are to be transferred.

**Clearing Conditions for Eurex Clearing AG**

- (3) The transfer of ISE Transactions according to Paragraph (2) does not affect the rights and obligations arising from other ISE Transactions.

Eurex Clearing AG has to be notified by both the Clearing Member and the ISE as soon as such request has been made.

Upon a decision of ISE pursuant to Clause Sentence 1 or in case a Non-Clearing Member ignores a decision of ISE with regard to Clause Sentence 1 and still trades the securities cleared by Eurex Clearing AG and which it has been excluded from, the provisions pursuant to Number 1.1.4 Paragraph (1) and (2) and Chapter I Part 1 Number 1.2.2 Paragraph (1) regarding order and quotes entered into the ISE system by Non-Clearing Members do no longer apply.

- (4) If a Clearing Member fails to effect any payments or deliveries due to Eurex Clearing AG, ISE may, upon application by Eurex Clearing AG, exclude the Clearing Members in its capacity as trading participant admitted at ISE (Clearing Only Member Firm or Member Firm) and its affiliated Non-Clearing Members from trading at ISE or restrict them to the trading of such securities and rights the clearing of which is not executed by Eurex Clearing AG.

Upon a decision of ISE pursuant to Clause Sentence 1, the provisions pursuant to Number 1.1.4 Paragraph (1) and (2) and Chapter I Part 1 Number 1.2.2 Paragraph (1) regarding order and quotes entered into the ISE system by Non-Clearing Members and its affiliated Non-Clearing Members do no longer apply.

Eurex Clearing AG is not liable for any loss resulting for a Non-Clearing Member in case of an exclusion of trading of its Clearing Member at ISE or restriction to trading of its Clearing Member in such securities and rights the clearing of which is not executed by Eurex Clearing AG or for making or failing to make any notification made to the ISE in accordance with this Paragraph (4).

A 'transfer order' within the meaning of the SFD shall be deemed to enter into the system and made irrevocable from the moment when the orders in respect of securities subject to clearing under this Chapter VI are matched and a resultant electronic instruction issued from the trading platform of the Irish Stock Exchange is received by the system.

**20.76.31.3.3 Termination of Clearing Agreement**

- (1) Eurex Clearing AG may terminate any Clearing Agreement in accordance with Chapter I Part 1 Number ~~42.4~~13.

If Eurex Clearing AG has terminated a Clearing Agreement, the Non-Clearing Member concerned may not enter new orders or quotes, must cancel all outstanding orders and quotes and must close all existing ISE Transactions or transfer such ISE Transactions to another Clearing Member. The Clearing Member has to fulfil the obligations under any remaining ISE Transactions of such Non-Clearing Member.

- (2) A Clearing Member may terminate a Clearing Agreement at any time by not giving less than 30 calendar days' prior notice. Upon expiration of such notice period, the Non-Clearing Member has to delete all existing orders and settle or transfer to another Clearing Member all existing ISE Transactions; such Non-Clearing Member may thereafter enter no new orders or quotes that would be cleared through the terminating Clearing Member. Paragraph 1 ~~Clause~~Sentence 2 shall apply *mutatis mutandis*.
- (3) A Non-Clearing Member may terminate a Clearing Agreement at any time by not giving less than 30 calendar days' prior notice, provided that it has closed or transferred all open ISE positions, cancelled all orders and quotes and fulfilled all obligations to the Clearing Member concerned and Eurex Clearing AG.
- (4) The termination of Clearing Agreement by a Non-Clearing Member shall become effective only upon the receipt of a written notice of termination by the other two parties.

**Clearing Conditions for Eurex Clearing AG**

From the point in time as of which the termination of the Clearing Agreement becomes effective, the provisions pursuant to Number 1.1.4 Paragraph (1) and (2) and pursuant to Chapter I Part 1 Number 1.2.2 do no longer apply for the orders entered into the electronic trading system of ISE by the respective Clearing Member or Non-Clearing Member in their capacity as trading participants at ISE. From the point in time named by Eurex Clearing AG pursuant to ~~Clause~~Sentence 1, ISE excludes the respective Clearing Member or Non-Clearing Member in their capacity as trading participants at ISE from trading at ISE or restricts their rights for trading at ISE to securities and rights the clearing of which is not executed by Eurex Clearing AG.

**Part 2****Clearing of transactions concluded at the Irish Stock Exchange (ISE)****20.772.1** Settlement of ISE Transactions**20.77.12.1.1** General Provisions

- (1) Eurex Clearing AG shall be a contracting party for all deliveries and payments at the performance of ISE Transactions.
- (2) Clearing Members must fulfil their delivery and payment obligations in accordance with the instructions of Eurex Clearing AG.
- (3) The following shall apply to the procedures for delivery and payment pursuant to Paragraph 1:

All physical deliveries and payments shall be concurrently performed between the Clearing Members and Eurex Clearing AG and, accordingly, between Eurex Clearing AG and the Clearing Members which are to receive delivery, on the settlement day (delivery versus payment). Physical deliveries of securities are to be made through the securities account at CREST of Eurex Clearing AG, and the payment is to occur via the respective cash settlement account.

- (4) Transfer of ownership of the securities to be delivered to the Clearing Members and Eurex Clearing AG shall be effected in accordance with the requirement of CREST and the Irish regulations. Under the Irish regulations upon generation of the Register Update Request as prescribed by the CREST manual, a transferee acquires an equitable interest in the appropriate Number of the securities underlying the relevant ISE Transaction. This equitable interest is superseded by the superior title obtained upon registration by the issuer (or his registrar). The issuer may in certain limited circumstances refuse to register a transfer of title in which case the rules of CREST relating to bad deliveries defined in the CREST manual shall apply.
- (5) If a transfer of ownership of securities to the transferee in the Share Register in order to fulfil ISE Transactions within the meaning of Paragraph 4 cannot be carried out due to acts or omissions of the Clearing Member or the issuer of the securities to be transferred, and if the bad delivery-Rules pursuant to the CREST Manual apply,

**Clearing Conditions for Eurex Clearing AG**

Eurex Clearing AG may close all positions with regard to Clearing Members who have not fulfilled their ISE Transactions.

- (6) All Clearing Members shall ensure their ability to pay and deliver by holding adequate stock in the securities account at CREST and credit at the respective cash accounts.
- (7) References in this Chapter VI to the Irish Regulations means the Companies Act, 1990 (Uncertified Securities) Regulations 1996, as amended, supplemented or substituted from time to time.

**20.77.22.1.2** Settlement Netting

With respect to ISE Transactions to be settled Eurex Clearing AG facilitates settlement netting, as provided by the CRESTCo Ltd. ("CREST") facilities and described in the CREST Manual.

Crest provides on behalf of Eurex Clearing AG netting procedures in order to enable or facilitate, at the election of a Clearing Member of Eurex Clearing AG (and the sanction of such an election) made in accordance with such procedures, the termination of certain gross ISE Transactions attributable to that Clearing Member and their replacement upon taking a settlement netting account by a single net transaction. Where the CREST Manual refers to the "netting rules" it should be read in conjunction with the Clearing Conditions of Eurex Clearing AG.

**20.77.32.1.3** Daily Assessment

- (1) For each delivery of securities and rights not yet performed, profits and losses will be determined on the Business Day concerned and compared with the Margin actually delivered. For all as yet unperformed deliveries, the amount of collateral to be deposited shall be calculated as the difference between the price of the concluded transaction and the daily settlement price for such Business Day.
- (2) The daily settlement price shall be determined by Eurex Clearing AG at its sole discretion.

**20.77.42.1.4** Margin Requirements

The basic provisions for margin requirements for ISE Transactions are set forth in Chapter I Part 1 Number 3 together with Part 2 Number 6 or Part 3 Number 5.

**20.77.52.1.5** Failure to Deliver

In case of a failure to deliver at delivery date securities owed from an ISE Transaction, the provisions set forth in Number 2.1.5.1 shall apply to shares covered by Article 15 of Regulation (EU) No. 236/2012 as well as to Exchange Traded Funds (ETFs); for other securities, the provisions set forth in Number 2.1.5.2 shall apply.

**Clearing Conditions for Eurex Clearing AG****2.1.1****2.1.2****2.1.3****2.1.4****2.1.5****2.1.5.1** Failure to Deliver Shares pursuant to Article 15 of Regulation (EU) No. 236/2012 and ETFs

- (1) In case of a failure to deliver shares owed from ISE Transactions covered by Article 15 of Regulation (EU) No. 236/2012 as well as ETFs, the provisions set forth in Number 2.2.1 shall apply; however, Number 2.2.1 Paragraph (1) shall not apply to ETFs.
- (2) Deviating from Number 2.2.1 Paragraph (1) Sentence 1, the obligation to pay a contractual penalty pursuant to Number 2.2.1 Paragraph (1) arises if shares to be provided by the Clearing Member ~~under~~having the delivery obligation are not provided at the delivery date at the latest.
- (3) All Clearing Members affected by a cash settlement pursuant to Number 2.2.1 Paragraph (4) are obligated to cancel in the electronic system CREST the instructions corresponding to their respective transfer and acceptance obligations.
- (4) If the shares to be delivered are replaced or a cash settlement is determined, the defaulting Clearing Member has to cancel in the electronic system CREST the delivery instruction which the original ISE Transaction was based upon.

**2.1.5.2** Failure to Deliver other Securities except Shares pursuant to Article 15 of Regulation (EU) No 236/2012 and ETFs

- (1) If the Clearing Member fails to deliver the owed securities or part thereof to Eurex Clearing AG, Eurex Clearing AG shall have the rights pursuant to Paragraph (1) to (7):

- (a) Eurex Clearing AG shall be authorised, for account of the Clearing Member, to carry out a replacement purchase with securities of the same class on the 15<sup>th</sup>, 18<sup>th</sup>, 20<sup>th</sup> and 37<sup>th</sup> Business Day after the default and in further periods of respectively ten Business Days.

The replacement purchase shall be carried out by means of an auction whose place and implementation may be determined by Eurex Clearing AG under consideration of the interests of the Clearing Member.

For each auction, Eurex Clearing AG shall publish a maximum price for each class of securities, which shall constitute the ceiling for bids. The maximum price for such auction shall be the settlement price determined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% of such settlement price.

Any company (~~("Vendor")~~) who has concluded a contract with Eurex Clearing AG beforehand may take part in the auctions.

**Clearing Conditions for Eurex Clearing AG**

(b) If a replacement purchase with the owed securities during an auction is only partly possible or not possible at all, Eurex Clearing AG shall

- for shares with a GB ISIN on the 21<sup>st</sup> Business Days upon occurrence of default
- for shares with an IE ISIN between the 30<sup>th</sup> and 37<sup>th</sup>, the 40<sup>th</sup> and 47<sup>th</sup> and the 50<sup>th</sup> and 57<sup>th</sup> Business Days upon occurrence of the default as well as within other time

be authorised to determine that the obligation pursuant to Paragraph (1) ~~ClauseSentence~~ 1 is replaced by an obligation to pay a claim for compensation to Eurex Clearing AG through novation (cash settlement).

The same applies accordingly with regard to securities of the same nature owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members – such securities not having been delivered in time – to the extent corresponding the lot size of the securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG and not having been delivered in time. If Eurex Clearing AG is in default with more than one delivery obligation, Eurex Clearing AG shall choose the delivery obligation longest due at first. If there is more than one delivery obligation longest due, Eurex Clearing AG shall implement the securities transfer upon its own dutiful discretion.

The level of the cash settlement shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% and the highest selling price as well as the highest purchase price of the relevant ISE Transactions. The highest price determined in this way shall be multiplied with the respective number of the owed securities. The resultant sum shall be settled against the respective final amounts of the relevant ISE Transactions. The determination of a cash settlement shall be carried out by declaration vis-à-vis the Clearing Member.

Eurex Clearing AG shall pay out this amount to one or the other Clearing Member(s) who have made ISE Transactions with Eurex Clearing AG according to ~~ClauseSentence~~ 3.

(c) An implementation of a cash settlement pursuant to Paragraph (1) d) requires that three repurchase attempts through one auction respectively have been made pursuant to Paragraph (1) a) in the respective type of securities by Eurex Clearing AG.

Paragraph (1) b) shall apply accordingly if Eurex Clearing AG abstains from a replacement purchase for due reason, in particular in case of a claim of the Clearing Member on assignment of securities of the same class.

(d) All Clearing Members concerned by a cash settlement shall be obliged to delete the instructions corresponding to the respective assignment and receipt

**Clearing Conditions for Eurex Clearing AG**

obligations in the electronic system of CREST. Number 2.1.5 Paragraph (8) does not apply.

- (e) Eurex Clearing AG shall at any time be authorised to postpone an auction by one or more Business Days, in particular in case of a corporate action concerning the owed securities.

- (2) If the Clearing Member fails to deliver in due time the rights (e.g. subscription rights) owed as a result of an ISE Transaction (e.g. subscription rights) owed on the delivery day in line with the instructions of Eurex Clearing AG (the "unperformed ISE Transaction"), Eurex Clearing AG will carry out the following measures on the last day of the subscription period of the respective right in the system of CREST:

- (a) Determination of a cash settlement (Cash Settlement) regarding the rights which have not been delivered in due time by the defaulting Clearing Members with the legal result that the fulfilment obligation of the defaulting Clearing Member and Eurex Clearing AG from this transaction expires with discharging effect. Instead, the defaulting Clearing Member is obliged to pay a cash settlement determined by Eurex Clearing AG to Eurex Clearing AG.

The same applies with regard to similar rights owed by Eurex Clearing AG vis-à-vis the defaulting Clearing Member or vis-à-vis one or more other Clearing Members to the extent corresponding to the number of securities owed from the unperformed ISE Transaction which have not been delivered to Eurex Clearing AG by the defaulting Clearing Member. In this case, both the defaulting Clearing Member and the Clearing Member(s) specified in Clause Sentence 3 are obliged to cancel the instructions underlying the respective delivery and subscription obligations in the system of CREST. Number 2.1.5 Paragraph (8) does not apply.

- (b) The amount of the cash compensation to be paid by the defaulting Clearing Member to Eurex Clearing AG shall be determined by comparison between the calculated value of the right to be delivered at the point in time of the cash settlement plus an additional charge in the amount of 100% and the highest sale price and purchase price in the relevant ISE Transactions or deliveries.

The price calculated in this way is multiplied with the respective lot size of the Rights which have not been delivered in due time to Eurex Clearing AG; the resulting sum adds up to the amount to be paid by the defaulting Clearing Member in the course of the cash compensation.

Upon receipt, Eurex Clearing AG will distribute this amount to one or the Clearing Member(s) who have entered into ISE Transactions with Eurex Clearing AG pursuant to Paragraph (2) a) Clause Sentence 3.

- (3) Eurex Clearing AG may at the earliest on the first Business Day after the delivery day at its own dutiful discretion or pursuant to Paragraph (1) carry out a cash settlement for securities which have not been delivered in due time and, at its own dutiful discretion or pursuant to Paragraph 2, for rights which have not been delivered in due time, if, in its judgement, the securities deposited at Eurex Clearing AG by the Clearing Member obliged to deliver for its transactions do not suffice for

**Clearing Conditions for Eurex Clearing AG**

the collateralisation of such transactions or if, due to other severe reasons, it regards necessary a replacement with the securities which have not been delivered respectively with the rights not having been delivered and being connected with or resulting from these or other securities.

- (4) Measures set forth in Paragraph (1), (2) and (3) shall be binding on and accepted by the Clearing Member which did not receive delivery in time.

Where Eurex Clearing AG has commenced a replacement purchase of the owed securities pursuant to Paragraph (1) or (3) by means of an auction, the Clearing member obliged to deliver shall not be authorised to deliver the securities it owes to Eurex Clearing AG on the day of the auction. If the securities to be delivered have been replaced at an auction, the delivery obligations of the Clearing Member in default deriving from the original ISE Transaction shall expire with discharging effect.

To the extent Eurex Clearing AG has made a cash settlement of Rights which have not been delivered in due time by the defaulting Clearing Member pursuant to Paragraph (2) or (3), the Clearing Member obliged to deliver is not entitled to deliver the owed Rights to Eurex Clearing AG as of the day on which the cash settlement was carried out. In such case, the defaulting Clearing Member is also obliged to delete the delivery instructions underlying the unperformed ISE Transaction in the electronic system of CREST.

- (5) Eurex Clearing AG may deviate from the deadlines defined in Paragraph (1) and (2) if adherence to those deadlines would lead to the measures described in Paragraph (1) or (2) not replacing the securities or rights in question, or replacing them only with a disproportionate expense of time or money, or if other deadlines or obligations resulting from the securities or rights would justify such deviation.
- (6) The defaulting Clearing Member shall bear the costs arising from measures within the meaning of Paragraph (1), (2) and (3). Eurex Clearing AG shall levy upon each defaulting Clearing Member a fee of EUR 250.00 for each auction held pursuant to Paragraph (1) in one security class.

**2.1.7**

**2.1.8**

**2.1.9**

**20.77.62.1.6** Corporate Actions

- (1) Where corporate actions arise in respect of securities which relate to unsettled ISE Transactions, Clearing members (or their settlement agents) will exercise and settle corporate actions in CREST, provided that the corporate action is capable of exercise and settlement through CREST and unless otherwise stated below or notified from time to time.
- (2) Any claim for a distribution in respect of an unsettled ISE Transaction may only be made and settled in accordance with the relevant CREST facilities.

**Clearing Conditions for Eurex Clearing AG**

## (3) Notwithstanding Paragraph (1),

- (a) a corporate action is to be exercised and settled by a Clearing Member (or his CREST settlement agent) in accordance with the election rights pertaining to such corporate action. Eurex Clearing AG will accept instructions from buying Clearing Members – provided in electronic form by means of the CREST Manual and which are made before the buyer instruction deadline set by the CREST Manual for the acceptance of such instructions within the CREST system. The election right is only to be exercised in electronic form through CREST. The exercise of an election right which does not comply with the aforementioned provisions is null and void;
- (b) If a Clearing Member does not provide instructions in relation to a elective corporate action through CREST, as set out in a) above, then Eurex Clearing AG shall be entitled to allow the corporate action to default to the “default option” as input by CREST. Eurex Clearing AG shall have no liability of any kind to the Clearing Member or any third party in respect thereto;
- (c) for dividend payments with an election right (scrip dividends), the election right is excluded;
- (d) instructions of buying Clearing Members are allocated to selling Clearing Members’ ISE Transactions automatically by the CREST system (automatic allocation engine). The selling Clearing Members are bound to accept such instructions once allocated by CREST (and as though they were received from Eurex Clearing AG) and neither party has the right to veto such instructions;
- (e) ISE Transactions may be divided into several single transactions in certain cases and a selling Clearing Member should note that it may receive one instruction and option for each split settlement;
- (f) Clearing Members (or their CREST Settlement Agents) are not permitted to opt out of a transformation (skip the transformation) in relation to any ISE Transactions in CREST. All original securities that were subject of an ISE Transaction shall, on a transformation arising out of a corporate action, be replaced by the new securities as they exist after transformation. Following an election being made in an elective corporate action, the selling Clearing Member may only deliver the original securities providing that the delivery is carried out prior to the last time for delivery in the CREST system pursuant to the provisions of the CREST manual; thereafter the selling Clearing Member must deliver the new securities;
- (g) In the event that an ISE Transaction involving securities on which a transformation is taking place, remains unmatched in CREST for ten Business Days after the expiry date for those securities, it will be deleted in the CREST system. Eurex Clearing AG will manually re-enter the particulars of the unmatched ISE Transaction to include particulars of the new securities in which case the Clearing Members must immediately input matching instructions to match with those new particulars.

**Clearing Conditions for Eurex Clearing AG**

- (4) Eurex Clearing AG facilitates the exercise and settlement of corporate actions for its Clearing Members if a delivery obligation arising out of a corporate action cannot be settled in the CREST system. In such case, Eurex Clearing AG shall notify the respective Clearing Members that the settlement of the relevant corporate action will be effected through Eurex Clearing AG in accordance with such instructions as it shall give from time to time. The respective Clearing Members are obliged to follow the instructions of Eurex Clearing AG given for the settlement of the corporate action.
- (5) If a corporate action which is exercised and settled by CREST or settled through Eurex Clearing AG is not regulated by the aforementioned provisions, the Clearing Members obliged to deliver have to transfer the relevant securities pursuant to the instructions contained in the provisions set forth by Eurex Clearing AG. Eurex Clearing AG will transfer the securities to be delivered by it which are affected by the corporate action to the Clearing Members to be delivered accordingly. ~~Clause~~ Sentence 1 and 2 apply *mutatis mutandis* regarding cash payments which are to be made by Clearing Members because of corporate actions not being regulated in the aforementioned provisions.
- (6) For the eventuality that an obligation arising out of a corporate action in regard of as yet settled or non settled ISE Transactions was not fulfilled by the responsible Clearing Member and the relevant corporate action was not carried out, Eurex Clearing AG shall reserve the right to waive the subsequent implementation of the corporate action by assigning its claim against the Clearing Member in favour to the other arising out of corresponding identical ISE Transactions entitled Clearing Members with debt-discharging effect.

**20.77.72.1.7 Partial Delivery, Fulfillment of ISE Transactions**

- (1) Clearing Members who are obliged vis-à-vis Eurex Clearing AG from several ISE Transactions to similar payments, are not entitled to name a specific ISE Transaction which has to be fulfilled with the respective correspondent payment of the Clearing Member in case the payment by Eurex Clearing AG does not suffice for fulfillment of all owed payments of Eurex Clearing AG.
- (2) In case a Clearing Member is obliged to effect similar payments from several ISE Transactions vis-à-vis Eurex Clearing AG and if the respective correspondent payments are only effected in part by such Clearing Member, due to a partly delivery of Eurex Clearing AG to the Clearing Member pursuant to Paragraph 1, the identical ISE Transactions to be fulfilled will be fulfilled on a pro-rata basis by the Clearing Member's partial payments. In case of a partial delivery of securities by a Clearing Member resulting from identical ISE Transactions, the following applies with respect to the determination of the ISE Transactions partly fulfilled by the delivery:
- (a) Each buy- and purchase transaction is fulfilled by the Clearing Member on a pro-rata basis according to the ratio of partly delivered securities to the securities originally to be delivered in net; within the scope of assignment, the ratio is always rounded down to the next smaller whole number per Security Delivery.

  - (3) ISE Transactions are fulfilled according the outcome pursuant to Paragraph (2) in whole or in part by the Clearing Member.

- (1) With regard to the obligation to provide Margin, the following provisions apply in deviation from Chapter I Part 1 Number 3 together with Part 2 Number 6 or Part 3 Number 5:
- (2) The basis for the determination of the margin requirements are the net positions per account in all option- and futures contracts or transfer obligations resulting from options and futures contracts. The net position in each option and in each futures contract shall be determined by setting off a long position (including Transactions not yet fully performed) against a short position (including Transactions not yet fully performed, but excluding Transactions with matching cover). In deviation to ~~ClauseSentence~~ 1, a net position shall be determined for Own Account and the Market Maker Accounts (as defined in Number 1.3.4 below) pursuant to ~~ClauseSentence~~ 2. ~~ClauseSentence~~ 3 applies to NCM-Related Transactions and RC-Related Transactions accordingly. The total margin

**Clearing Conditions for Eurex Clearing AG**

**Clearing Conditions for Eurex Clearing AG**

The system of Eurex Clearing AG will transfer the relevant positions after the Post-Trading Full Period. Any cash payments or credit entries to be made in relation to the function "Position transfer with cash transfer" shall always be effected on the Business Day following the day on which the function was used. However, with regard to this particular function, the respective amount is only transferred to the Clearing Member entitled to receive payment when the Clearing Member liable to pay the amount has actually effected payment. In respect of such cash transfer, Eurex Clearing AG and the trading platform involved shall not have any performance obligation towards the Exchange Participant entitled to receive payment.

- (7) With regard to transfers of transactions (Give-up Trades), the provisions regarding Eurex transactions (Chapter II Part 1 Number 1.3.5 (7) and (9)) shall apply accordingly.

- (1) Clearing Members are obliged to settle all obligations arising from matching of orders or EEX Transactions concluded off-exchange which have been entered into the system of EEX (together "EEX Transactions") by them or by their Non-Clearing Members.
- (2) In case physical settlement of a future is owed in accordance with the trading conditions of EEX, only the EEX trading participant shall be obliged to fulfil the obligations to deliver and/ or the purchase obligations and the payment obligations.

The legal relationships described in Chapter I Part 1 Number 1.2.2 Paragraph (3)(b) from EEX Transactions shall change as follows at the close of the last EEX trading day before the delivery date of the respective EEX Transaction with regard to the futures contracts underlying these EEX Transactions:

- (a) Eurex Clearing AG shall assign the delivery claims or the purchase and payment claims arising from each EEX Transaction existing vis-à-vis ECC ("Link Clearing House") to the respective Clearing Member of Eurex Clearing AG ("CM ECAG"). The CM ECAG shall, at the same time, take over the corresponding delivery obligations or the purchase and payment claims of Eurex Clearing AG vis-à-vis ECC and takes over these obligations. At the same time, the delivery claims or the purchase and payment claims between Eurex Clearing AG and CM ECAG shall expire.
- (b) Provided that Non-Clearing Members of a CM ECAG ("NCM ECAG") have concluded such futures contracts with their CM ECAG, each CM ECAG shall – at the time of the modified legal relationships arising from EEX Transactions – assign the delivery claims or purchase and payment claims existing vis-à-vis ECC to its Non-Clearing Members ("NCM ECAGs"). The

**Clearing Conditions for Eurex Clearing AG**

respective NCM ECAG shall at the same time take over the corresponding delivery obligations or the purchase and payment obligations of its CM ECAG vis-à-vis ECC and takes over these obligations. At the same time, the delivery obligations or purchase and payment obligations between CM ECAG and its NCM ECAG shall expire. As a result, the NCM ECAG shall be obliged directly vis-à-vis ECC to deliver or purchase the emission rights underlying the respective futures contract and to effect the respective payments.

- (c) ~~Clearing Members (CMs)~~ CMs ECAG shall be liable in cash vis-à-vis Eurex Clearing AG, after effected takeover of existing delivery-, purchase- and payment obligations from EEX Transactions by their ~~Non-Clearing Members (NCMs)~~ NCMs ECAG as guarantor pursuant to Paragraph (2) b), and irrespective of the original provisions regarding delivery or purchase, only to the extent Eurex Clearing AG may require cash from Clearing Members instead of the delivery or purchase and payment, in particular if delivery has failed.

After takeover of existing delivery-, purchase- and payment obligations by Eurex Clearing AG from EEX Transactions by its CM ECAG pursuant to Paragraph (2) a), Eurex Clearing AG shall be liable as guarantor vis-à-vis ECC only in cash in according application of ~~Clause~~ Sentence 1.

- (d) After execution of the deliveries to ECC, the financial regulation shall be effected via the ~~Clearing Member~~ CM ECAG and Eurex Clearing AG as paying agent via which the ~~Non-Clearing Member~~ NCM ECAG conducts its transactions.

- (3) Regardless of the regulations contained in Paragraphs (1) and (2), a Clearing Member shall, moreover, also be obliged to fulfil all obligations resulting from the transactions which have been transferred to the Clearing Member in the framework of a trade or position transfer from another trading participant for the further settlement in his agent and Own Accounts.

The fulfilment of this netting shall immediately become effective upon implementation of the netting in the system of Eurex Clearing AG.

**Clearing Conditions for Eurex Clearing AG**

## Part 2

### Clearing of Futures Contracts

The following ~~Subparts~~ provisions apply to the Clearing of Transactions in futures contracts which are listed in the Contract Specifications of the European Energy Exchange and have been included in the Clearing by Eurex Clearing AG.

#### **20.84.2.1** General Provisions

The ~~"General Provisions"~~ pursuant to this Number ~~22.4~~ shall apply for all futures contracts unless special provisions or provisions deviating from the ~~"General Provisions"~~ apply to individual futures contracts in the following in this Chapter VII.

##### **20.84.12.1.1** General Obligations

- (1) Derivatives transactions, in particular in form of futures contracts, are traded on EEX, which refer, amongst others, to emission rights, power, gas or coal. The fulfilment of such futures contracts shall be effected in accordance with the provisions made in these Clearing Conditions regardless of the maturity of the contract.
- (2) Clearing Members must fulfil their payment obligations in accordance with the instructions of Eurex Clearing AG.
- (3) All payments in Euro or US ~~Dollar~~ Dollars shall be effected on the Business Day following the respective settlement day, unless the Contract Specifications of EEX for the respective EEX products provide otherwise. All Clearing Members shall ensure their solvency on the respective Business Day by means of corresponding deposits on the RTGS Account and, upon participation in the Clearing of futures contracts on coal pursuant to Number 2.10, on the account for cash payments in US ~~Dollar~~ Dollars.

##### **20.84.22.1.2** Daily Settlement Price

- (1) For each futures contract, the change in the value of the positions is established on every Business Day during batch processing. The change in the value shall be calculated on the basis of the difference in the daily settlement prices of the Business Day and of the previous Business Day. With regard to positions which have only been opened or closed in the course of the current Business Day, the change in the value shall be calculated on the basis of the difference between the price at which the corresponding Transaction was concluded and the daily settlement price of the Business Day concerned.

The determined profit or loss amount on any Business Day shall be the Variation Margin Requirement and/or any Redelivery Amount, as the case may be (as defined in Chapter I Part 2 Number 7 or Chapter I Part 3 Number 6, as applicable).

- (2) The daily settlement price up to and including the last trading day of a futures contract shall be established by EEX in accordance with its Trading Conditions and determined by Eurex Clearing AG. Eurex Clearing AG shall be entitled to determine the daily settlement price in deviation to this. The daily settlement price on the last trading day is at the same time the final settlement price ~~(~~"Final Settlement Price"~~)~~ **("Final Settlement Price")**.

**Clearing Conditions for Eurex Clearing AG**

- (3) The aforementioned paragraphs shall apply mutatis mutandis to the legal relationship between Clearing Members and their relevant Non-Clearing Members ~~mutatis mutandis~~ or Registered Customers, respectively.

**20.84.32.1.3 Failure to Deliver**

- (1) In the event a trading participant fails to deliver the emission allowances or Certified Emission Reductions to be delivered to the DEHSt account of ECC in accordance with the instructions by ECC on the delivery day ~~(as per Number [X])~~ at the latest, ECC shall be entitled to take the following measures:
- (a) ECC may carry out stocking up for the emission rights or Certified Emission Reductions which have not been delivered, either in Exchange trading or in any other suitable manner from the first Business Day after the delivery day at the earliest, in case it is convinced on account of extraordinary risks that the margins which have been deposited are not sufficient for securing these transactions any more or in case it deems a replacement of the emission rights or Certified Emission Reductions which have not been delivered on EEX or off-exchange required because of other serious reasons ~~(“stocking up”)~~.
- (b) In case the emission allowances or Certified Emission Reductions to be delivered by the EEX trading participant obliged to deliver are not delivered to ECC on the 5<sup>th</sup> Business Day after the delivery day at the latest, ECC shall – on account of the EEX trading participant obliged to deliver - stock up the ~~EU~~ emission rights or Certified Emission Reductions which have not been delivered within a period of time established by it, which usually amounts to 5 Business Days. The right to deliver on the part of the defaulting EEX trading participant shall be precluded for this period of time. Stocking up in Exchange trading can be carried out in accordance with an auction pursuant to Paragraph (1) c) or by other appropriate means.
- (c) With regard to stocking up by means of an auction, the following shall apply:
- ECC or EEX, which it has been commissioned by it, shall publish a maximum price for each emission allowance or Certified Emission Reduction for the respective auction up to which it is prepared to accept bids. The maximum price for this auction is calculated on the basis of the value established by ECC for the corresponding emission rights or Certified Emission Reductions with a surcharge of 100 per cent. Every EEX trading participant who has been licensed to that end by ECC or EEX, can participate in these auctions.
- (d) In case the measures provided for in Paragraph (1) a) and b) are not successful within the period of time established in accordance with Paragraph (1) b), ECC shall be entitled to establish a cash settlement with regard to a transaction or the part of a transaction which has not been fulfilled so that the obligations to perform arising from this transaction on the part of the defaulting EEX trading participant and of ECC cease to apply. The defaulting EEX trading participant shall be obliged to pay a cash settlement to ECC instead. In this case, the same shall apply with regard to trades with the same contents concluded between ECC and one or several other EEX trading participants to be supplied. The

**Clearing Conditions for Eurex Clearing AG**

execution of a cash settlement shall be based on the precondition that two attempts at stocking up by means of one auction each according to Paragraph (1) c) have been executed by ECC or by EEX, which it has commissioned, prior thereto.

The amount of the cash settlement to be paid by the defaulting EEX trading participant shall be established on the basis of the total of the following positions:

1. The amount of the cash settlement to be paid is established by means of a comparison between the value established by ECC for the emission allowances or Certified Emission Reductions concerned plus a surcharge to the amount of 100 per cent, the highest sales price of the trades concerned as well as of the highest purchase price of the trades concerned.
  2. The highest price established in the context of this comparison is then multiplied by the respective number of trades concerned. The sum resulting from this is set off with the respective final amounts of the trades concerned and hence yields the amount to be paid to ECC in the course of cash settlement.
  3. After receipt thereof, ECC shall pay out this amount to the other trading participants to be supplied.
- (2) The EEX trading participant which was not been supplied in due time must accept the measures according to Paragraph (1). In as far as ECC has initiated stocking up by means of an auction or in accordance with measures as per Paragraph (1) a), the EEX trading participant obliged to deliver shall not be entitled to deliver the emission allowances or Certified Emission Reductions which it owes to ECC on the day of the respective auction or of the measures according to Paragraph (1) a). In case stocking up of the emission rights or Certified Emission Reductions to be delivered has been achieved by means of an auction or in any other way, the obligations to deliver arising from the original trade shall expire on account of this.
- (3) The costs incurred on account of measures as per Paragraph 1 shall be borne by the defaulting EEX trading participant. Amongst other aspects, ECC shall charge a fee for each auction which has been carried out to the amount of EUR 250 for each defaulting delivery of emission allowances or Certified Emission Reductions.
- (4) ECC can have recourse to the EEX trading participant or to Eurex Clearing AG pursuant to Number 1.4 Paragraph (2) c) in case of default which ECC or other EEX trading participants have suffered on account of a default caused by the EEX trading participant. Regardless of the occurrence of a case of damage, ECC shall be entitled to demand interest as well as liquidated damages from a defaulting trading participant or Eurex Clearing AG. The liquidated damages shall be calculated as follows:

Until the delivery of the outstanding emission allowances or Certified Emission Reductions by the defaulting EEX trading participant, until stocking up or until settlement of the trades for which no delivery has taken place by means of cash

**Clearing Conditions for Eurex Clearing AG**

settlement ECC shall be entitled to the payment of liquidated damages and of interest in accordance with the provisions in Chapter I Number 3.9.1 Paragraph (3). The period of time which is relevant for the calculation of the liquidated damages including the interest shall be extended up to and including the Business Day on which the emission allowances or Certified Emission Reductions delivered or acquired by means of stocking up are transferred to the other EEX trading participants to be supplied by means of a credit entry on the respective internal position accounts. This shall apply accordingly in as far as claims to the delivery or claims to damages have been assigned to ECC or in as far as a cash settlement is executed by it.

ECC shall, provided that it resorts upon Eurex Clearing AG as guarantor pursuant to Number 1.4 Paragraph (2) c) in case of damages caused by default of the EEX trading participant, assign the indemnity claims against the defaulting EEX trading participant to Eurex Clearing AG if Eurex Clearing AG has fulfilled the asserted payment claim.

- (5) Provided ECC claims indemnity according to Paragraph (4) from Eurex Clearing AG in its position as guarantor pursuant to Number 1.4 Paragraph (2) c), Eurex Clearing AG may resort to the Clearing Member being guarantor for the respective obligations of the defaulting EEX trading participant pursuant to Number 1.4 Paragraph (2) c), in the amount paid to ECC plus another damage caused by default of the EEX trading participant. This applies accordingly provided that ECC resorts to Eurex Clearing AG due to interest claims or claims to contractual penalty fines pursuant to Paragraph (4).

In this case, Eurex Clearing AG shall, in according application of Paragraph (4), assign its indemnity claims against the defaulting EEX trading participant to its Clearing Member if this Clearing Member has fulfilled the payment claim asserted by Eurex Clearing AG.

**20.852.2 Subpart****Clearing of European Carbon Futures Early DecContracts**

The following provisions shall apply to the Clearing of Transactions in European Carbon Futures Early Dec Contracts with physical delivery of EU emission allowances from the trading phase during the time period 1 January 2008 to 31 December 2012 (EU ETS Phase II) whose contract specifications are determined by EEX.

Eurex Clearing AG will calculate a fixed amount payable by a party on a Payment Date (the "**Fixed Amount**") as either:

- (d) Specific provisions in case of a Securities Distribution in the form of subscription rights

The following additional provisions apply to new Securities Lending Transactions established in the case of a Securities Distribution in the form of subscription rights pursuant to Paragraph (b) above:

Notwithstanding the rights of the Borrower or the Lender to issue a Recall or Return request, as the case may be, in accordance with Number 2.2.2, the Securities Lending Transaction regarding the Securities Distribution in form of subscription rights shall be redeemed by way of cash settlement on the Business Day following the end of the subscription period applicable to the subscription rights and the Borrower shall be obliged to pay a respective cash amount.

The amount of such cash payment by the Borrower shall be determined by Eurex Clearing AG in the currency of the Underlying Securities on the basis of the last settlement price of the subscription rights prior to the final Maturity Date (the "**Rights Cash Settlement Price**") or, if no such Rights Cash Settlement Price is available, such other amount as determined by Eurex Clearing AG in its reasonable discretion and notified by Eurex Clearing AG to the Clearing Members.

Eurex Clearing AG is neither obliged to support the sale nor the execution of any subscription rights underlying the new Securities Lending Transaction.

- (e) In the event of a Securities Distribution with respect to a related Securities Lending Transaction, Paragraph (2)(a), (b) and (d) shall apply *mutatis mutandis* to the relevant Securities Lending Transaction between the relevant Clearing Member and its Non-Clearing Member, if any.

**20.108.22.4.2** Other Corporate Actions

Mandatory Reorganisations and Voluntary Reorganisations as defined in this Number 2.4.2 shall have the following effects on Securities Lending Transactions:

(1) Mandatory Reorganisations

**"Mandatory Reorganisations"** are corporate actions where the participation of the concerned owner of the relevant Underlying Securities in the corporate action is mandatory and not based on an individual decision or election of such concerned owner of the relevant Underlying Securities. Mandatory Reorganisations may be based on a decision of the competent corporate bodies of the respective company, e.g. the shareholders' meeting, or be triggered by third parties, e.g. in case of a squeeze out following a takeover offer.

**Clearing Conditions for Eurex Clearing AG**

Mandatory Reorganisations which occur on or after the Novation Time and on or prior to the Maturity Date (taking into account any postponement pursuant to Number 2.6.4 or 2.6.5) shall be processed in accordance with the following provisions:

- (a) where any liquidation (in whole or in part) or squeeze-out occurs with respect to the Underlying Securities, the relevant Securities Lending Transaction shall be
  - (i) redeemed on the date on which such liquidation or squeeze-out proceeds, if any, would be received by the Lender in respect of the Loaned Securities assuming such Loaned Securities were not loaned to the Borrower and were retained by Lender on such date, and the Borrower shall on such date, pay to the Lender, a sum of money equivalent to (and in the same currency as) such liquidation or squeeze-out proceeds, if any, against the return of the Principal Collateral to the Borrower and the Securities Lending Transaction will be redeemed without the delivery of Equivalent Loaned Securities or
  - (ii) automatically be cancelled in case the Mandatory Reorganisation under (a) occurred on or after the Novation Time and prior to the Value Date (taking into account any postponement pursuant to Number 2.6.1 or 2.6.2);
- (b) where any other Mandatory Reorganisations occur with respect to the Underlying Securities, the relevant Securities Lending Transactions shall on the execution date of such other Mandatory Reorganisation by the issuer, be adjusted accordingly by the equivalent of the securities that would be received by the Lender in respect of the Loaned Securities assuming such Loaned Securities were not loaned to the Borrower and were retained by Lender on the execution date of such other Mandatory Reorganisation by the issuer. References in this Chapter IX to Loaned Securities shall then refer to the Loaned Securities as adjusted by this Paragraph (1)(b).

In the event of a Mandatory Reorganisation with respect to a related Securities Lending Transaction, Paragraph (1) shall apply *mutatis mutandis* to the relevant Securities Lending Transaction between the relevant Clearing Member and its Non-Clearing Member, if any.

(2) Voluntary Reorganisations

**"Voluntary Reorganisations"** are certain corporate actions that are in respect of the concerned owner of the relevant Underlying Securities not mandatory but require a decision/election of the owner of the Underlying Securities to participate in the corporate action (including exchange offers, repurchase offers, optional parts of rights, tender, acquisition, takeover or purchase offers).

Voluntary Reorganisations will not be processed by Eurex Clearing AG and Eurex Clearing AG shall not be obliged to forward information on any voluntary reorganisations to the Clearing Members.

If the Lender Clearing Member wishes the execution of and to receive any rights or other distributions with regard to Voluntary Reorganisations it either (i) may recall the Equivalent Loaned Securities in accordance with Number 2.2.2 Paragraph (3) et seq., or (ii) may enter into a bilateral agreement with the Borrower Clearing Member which provides for the rights and obligations in connection with the bilateral

No fractions of securities or financial instruments shall be delivered with respect to any Mandatory Reorganisation or Securities Distribution. Instead, the Borrower shall pay to the Lender a cash amount in the currency of the Underlying Securities equal to the value of the fractional Distribution or other fractional amount of securities under Number 2.4.2, as determined by Eurex Clearing AG as soon as reasonable practicable and in its reasonable discretion and notified to the Clearing Members. Such cash amount shall be paid by the Borrower on the Business Day after the notification by Eurex Clearing AG thereof.

**20-108.52.4.5** No Reporting Obligations

Eurex Clearing AG is not obliged to monitor the Underlying Securities and to provide information about the Underlying Securities, the issuer of the Underlying Securities or about corporate actions to the Clearing Members unless Eurex Clearing AG has received information with regard to corporate actions that have been processed under this Number 2.4 in which case Eurex Clearing AG shall forward such information regarding corporate actions that have been processed under this Number 2.4 to the Clearing Members and the Third Party Flow Provider without undue delay.

Such rate shall accrue in arrears, shall be determined by Eurex Clearing AG on a daily basis and shall become due on the 7th Business Day of each month (with the last payment date being the seventh Business Day of the month following the Maturity Date). Such rebate shall accrue in arrears, shall be determined by Eurex Clearing AG on a daily basis and shall become due on the 7th Business Day of each month (with the last payment date being the seventh Business Day of the month following the Maturity Date). Such a Re-Rate shall become effective upon receipt by Eurex Clearing AG of the corresponding Re-Rate request via the Third Party Flow Provider as of such time or, if provided for by the rules of the relevant Third-Party Flow Provider, as of such other time specified in the Re-Rate request provided that such date shall fall in the current accrual period in which the complete Re-Rate information have been received by Eurex Clearing AG.

**20.1102.6** Failure to Deliver**20.110.12.6.1** Failure to Deliver by the Lender on the Value Date

- (1) If the Lender fails to actually deliver the Loaned Securities to the Borrower in full on the Value Date or any Business Day thereafter, if applicable, with respect to a specific Securities Lending Transaction (the "**Non-Settled Transaction**"), the settlement of such Transaction shall be postponed to the next following Business Day.

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Settled Transaction on such Business Day.

If no actual delivery of the Loaned Securities occurs in full by the end of the second Business Day immediately following the Value Date, Eurex Clearing AG shall cancel the Non-Settled Transaction. Cancellation confirmations shall be given in accordance with Number 1.2.3 Paragraph (3).

- (2) Eurex Clearing AG reserves the right at any time prior to a complete settlement of Non-Settled Transactions to cancel such Non-Settled Transactions by sending cancellation confirmations to the Clearing Members and any relevant Non-Clearing Member(s), if any.
- (3) Eurex Clearing AG will charge the Lender Clearing Member a contractual penalty, if the Lender Clearing Member fails to actually deliver the Loaned Securities in full on the second Business Day immediately following the Value Date and if the Securities Lending Transaction has been cancelled, irrespective of whether Eurex Clearing AG has suffered a loss. The applicable contractual penalty shall be 0.02 per cent. per day of the Required Collateral Value (calculated in the Transaction Currency) with a minimum of EUR 200 or USD 300 and a maximum of EUR 1,000 or USD 1,500.
- (4) Measures set forth in Paragraphs (1) through (3) shall be binding on the Clearing Member which did not receive delivery in time.

**20.110.22.6.2** Failure to Deliver by the Borrower on the Value Date

- (1) If the Borrower fails to actually deliver Eligible Principal Collateral Assets in respect of the Initial Principal Collateral to the Lender in full on the Value Date or any Business Day thereafter, if applicable, with respect to a specific Securities Lending Transaction (the "**Non-Collateralised Transaction**"), the settlement of such Non-Collateralised Transaction shall be postponed to the next following Business Day.

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Collateralised Transaction on such Business Day.

**Clearing Conditions for Eurex Clearing AG**

If no actual delivery of the Initial Principal Collateral occurs in full by the end of the second Business Day immediately following the Value Date, Eurex Clearing AG shall cancel the Non-Collateralised Transactions. Cancellation confirmations shall be given in accordance with Number 1.2.3 Paragraph (3).

- (2) Eurex Clearing AG reserves the right at any time prior to a complete settlement of the Non-Collateralised Transaction to cancel such Non-Collateralised Transactions by sending cancellation confirmations to the Clearing Members and any relevant Non-Clearing Member(s), if any.
- (3) Eurex Clearing AG will charge the Borrower Clearing Member a contractual penalty, if the Borrower Clearing Member fails to actually deliver the Initial Principal Collateral in full on the second Business Day immediately following the Value Date and if the Securities Lending Transaction has been cancelled, irrespective of whether Eurex Clearing AG has suffered a loss. The applicable contractual penalty shall be 0.02 per cent. per day of the Required Collateral Value (calculated in the Transaction Currency) with a minimum of EUR 200 or USD 300 and a maximum of EUR 1,000 or USD 1,500.
- (4) Measures set forth in Paragraphs (1) through (3) shall be binding on the Clearing Member which did not receive delivery in time.

**20.110.32.6.3** Failure to Deliver Principal Collateral or Return Equivalent Principal Collateral during the term of a Securities Lending Transaction

- (1) If a Lender fails to actually deliver Equivalent Principal Collateral to the Borrower pursuant to Number 2.3.2 Paragraph (2) on the relevant Business Day or a Borrower fails to actually deliver Principal Collateral to the Lender pursuant to Number 2.3.2 Paragraph (3), the due date for the return of such Equivalent Principal Collateral or the delivery of such Principal Collateral shall be postponed until but no later than the third Business Day thereafter.
- (2) Irrespective of the postponement of the due date pursuant to Paragraph (1), the failure by the respective Clearing Member to comply with its obligation pursuant to Number 2.3.2 Paragraphs (2) and (3), respectively, constitutes a Termination Event pursuant to Chapter I Part 1 Number 7.2.1 Paragraph (1). Eurex Clearing AG is entitled at any time to increase its margin requirement accordingly if a Clearing Member fails to return Equivalent Principal Collateral or to deliver Principal Collateral pursuant to Number 2.3.2 Paragraphs (2) and (3), as the case may be.

**20.110.42.6.4** Failure to Deliver by the Borrower on the Maturity Date

- (1) If the Borrower fails to actually deliver the relevant Equivalent Loaned Securities which are due to be returned to the Lender in full on the Maturity Date or any Business Day thereafter with respect to a specific Securities Lending Transaction (the "**Non-Performed Transaction**") and provided that the related Return or Recall request, if any, has not been withdrawn in accordance with Number 2.2.2 Paragraph (7) or cancelled, the redemption of such Non-Performed Transaction shall be postponed to the next following Business Day.

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Performed Transaction on such Business Day.

**Clearing Conditions for Eurex Clearing AG**

- (2) If a Record Date for a Cash Distribution or for a Securities Distribution in the form of subscription rights pursuant to Number 2.4.1 or the last trade day for the term of acceptance for a Voluntary Reorganisation pursuant to Number 2.4.2 occurs with respect to a Non-Performed Transaction between Eurex Clearing AG and the Borrower Clearing Member, the Borrower Clearing Member shall be obliged to pay a contractual penalty to Eurex Clearing AG irrespective of whether Eurex Clearing AG has suffered a loss.

Such contractual penalty shall be determined as follows:

- (a) with respect to Cash Distributions pursuant to Number 2.4.1 Paragraph (1), the contractual penalty shall be 35.8 % of the net Cash Distribution, multiplied by the number of Equivalent Loaned Securities owed by the Borrower to the Lender on the Maturity Date. The contractual penalty shall be payable in the currency of the Equivalent Loaned Securities and only be charged by Eurex Clearing AG if the calculation in the applicable currency results in a value of at least EUR 5,000, or CHF 7,000;
- (b) with respect to Securities Distributions in the form of subscription rights pursuant to Number 2.4.1 Paragraph (2) (d), the contractual penalty shall be (i) the Rights Cash Settlement Price or (ii) if no such Rights Cash Settlement Price is available, such other amount as determined by Eurex Clearing AG in its reasonable discretion; in each case of (i) or (ii) above, multiplied by two;
- (c) with respect to Voluntary Reorganisations pursuant to Number 2.4.2 Paragraph (2), the contractual penalty shall be calculated on the basis of the offer as follows:

- Conversion offer in cash

In a conversion offer in cash, the amount of the contractual penalty shall be calculated on the basis of the offered cash amount for one Underlying Security according to the conversion offer less the settlement price, multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation and by the Acquisition Ratio determined at the end of the acceptance period. If necessary, the offered cash amount shall be converted into the currency of the Equivalent Loaned Security on the basis of the exchange rates published by Eurex Clearing AG on the last trade day for the term of acceptance for the Voluntary Reorganisation.

- Conversion offer in securities or cash

For a conversion offer in securities (bidder's securities) or cash, the amount of the contractual penalty is calculated per Equivalent Loaned Security owed on the last trade day for the term of acceptance for the Voluntary Reorganisation in accordance with the following formula; this is then multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation:

Contractual penalty per Equivalent Loaned Security =

$$\text{Maximum}(0; (((\sum_{1-n} (\text{Number}_{\text{Bidder's Securities}} * \text{Price}_{\text{Bidder's Securities}}) + \text{offered cash amount}) - \text{Settlement Price}_{\text{Security}}) * \text{Acquisition Ratio}))$$

**Clearing Conditions for Eurex Clearing AG**

$$\text{Maximum}(0; (((\sum_{1-n} (\text{Number}_{\text{Bidder's Securities}} * \text{Price}_{\text{Bidder's Securities}}) + \text{offered cash amount}) - \text{Settlement Price}_{\text{Security}}) * \text{Acquisition Ratio}))$$

- Different conversion offers in securities or cash

If, in the event of a voluntary corporate action, there is a right to choose between different conversion offers, the contractual penalty is calculated on the basis of the highest value of the conversion offers and the settlement price of the Underlying Security, multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation and the Acquisition Ratio determined at the end of the acceptance period. To this end, the different conversion offers will be calculated using the formula described above and will be compared with one another. The highest contractual penalty per Equivalent Loaned Security shall then apply; this will be multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation.

- Different conversion offers in the event of mandatory corporate actions

If, concerning a mandatory corporate action, a selection right exists giving a choice between different conversion offers, the contractual penalty per Equivalent Loaned Security is to be calculated on the basis of the difference between the highest and lowest value of conversion offers, the result being multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation.

The following formula shall be used to calculate the value of the conversion offer:

Value of conversion offer per Underlying Security =

$$\sum_{1-n} (\text{Number}_{\text{Bidder's Securities}} * \text{Price}_{\text{Bidder's Securities}}) + \text{offered cash amount}$$

**Number<sub>bidder's securities</sub>:** Number of bidder's securities offered by the bidder for one Underlying Security of the target company.

**Price<sub>bidder's security</sub>:** Price for a bidder's security, which is determined as follows: (i) If new issues or new securities are offered, the issue price of the newly issued security offered for subscription will be used as the basis, (ii) if existing securities are offered and Eurex Clearing AG has a determined Settlement Price for the corresponding security, such fixed Settlement Price shall be used as the basis, (iii) otherwise, the closing price on the stock exchange with the largest turnover in the corresponding security shall be used as the basis. The price of the bidder's securities shall, if necessary, be converted into the currency of the Underlying Security on the basis of the exchange rates published by Eurex Clearing AG on the last trade day for the term of acceptance for the Voluntary Reorganisation.

**Clearing Conditions for Eurex Clearing AG**

n: Number of the possibly different securities offered by the bidder.

Acquisition Ratio: Total number of Underlying Securities that the bidder plans to acquire, divided by the total number of Underlying Securities offered to the bidder.

Settlement Price<sub>security</sub>: The daily settlement price determined by Eurex Clearing AG on the last trade day for the term of acceptance for the Voluntary Reorganisation for the Equivalent Loaned Security owed on the last trade day for the term of acceptance for the Voluntary Reorganisation.

The contractual penalty shall be payable in the currency of the Equivalent Loaned Securities and only be charged by Eurex Clearing AG if the calculation in the applicable currency results in a value of at least EUR 5,000 or CHF 7,000.

Should the terms of the conversion offer on which the calculation of the contractual penalty is based, change after the last trade day for the term of acceptance for the Voluntary Reorganisation and the calculation of the contractual penalty have a different result in due consideration of the changed conditions, Eurex Clearing AG reserves the right to re-calculate the contractual penalty on the basis of the modified conditions.

The right of Eurex Clearing AG to claim damages shall remain unaffected.

- (3) With respect to any Non-Performed Transaction between Eurex Clearing AG and the Borrower Clearing Member, Eurex Clearing AG is entitled vis-à-vis the Borrower Clearing Member to commence a buy-in and to purchase Underlying Securities equivalent to the Equivalent Loaned Securities in accordance with the terms and conditions of Paragraphs (6) through (9) below (a **"Buy-In"**) if the conditions for a Buy-In pursuant to Paragraph (4) or (5) below are satisfied.
- (4) A Buy-In in accordance with Paragraphs (6) through (9) below shall take place upon receipt by Eurex Clearing AG of a Buy-In request of the Lender Clearing Member (a **"Buy-In Request"**). A Buy-In Request may only be given by the Lender Clearing Member if and to the extent a Recall request pursuant to Number 2.2.2 Paragraph (3) has been given by the Lender Clearing Member (either at the same time than the Buy-In Request or before) and has not been withdrawn.

If provided for by the rules of the relevant Third-Party Flow Provider, the Lender Clearing Member is entitled to withdraw a Buy-In Request provided that a Buy-In Request can not be withdrawn after the end of trading on the Business Day preceding the Buy-In Date (as defined in Paragraph (6) below).

If no Buy-In Request has been received by Eurex Clearing AG within ten Business Days following the date set as Maturity Date in the relevant Recall request or if the Buy-In Request has been withdrawn, Eurex Clearing is entitled to cancel the Recall request.

Eurex Clearing AG shall be entitled to commence a Buy-In in its reasonable discretion with respect to a Non-Performed Transaction with the Borrower Clearing Member if no Buy-In Request has been received or if a Buy-In Request has been withdrawn.

**Clearing Conditions for Eurex Clearing AG**

- (5) A Buy-In in accordance with Paragraphs (6) through (9) below shall also take place if the Non-Performed Transaction has not been redeemed on the third Business Day following the Maturity Date pursuant to Paragraph (i)(b) or (ii) of the definition of Maturity Date in Number 2.2.2 Paragraph (8), provided that no failure to deliver Equivalent Principal Collateral by the Lender pursuant to Number 2.6.5 occurs at the same time.
- (6) The Buy-In shall take place on the Buy-In Date if and to the extent the obligations under the Non-Performed Transaction have not been satisfied in full by the end of trading on the Business Day preceding the Buy-In Date.

The "**Buy-In Date**" shall

- (a) in the case of Paragraph (4) above, be the latest of
- (i) the second Business Day after the date set as Maturity Date in the Recall, and
  - (ii) if the respective Securities Lending Transaction is already a Non-Performed Transaction, the Business Day following the receipt of a Buy-In Request by the Lender Clearing Member in accordance with Paragraph (4) above, and
  - (iii) if the respective Securities Lending Transaction has not been subject to a prior settlement, the second Business Day following the receipt of a Buy-In Request by the Lender Clearing Member in accordance with Paragraph (4) above, or
- (b) in the case of Paragraph (5) above, the third Business Day after the Maturity Date,

in each case subject to changes by Eurex Clearing AG which reserves the right to defer the Buy-In Date by one or more Business Days or, upon good cause shown, to determine another Business Day for the Buy-In Date.

Eurex Clearing AG will inform the involved Clearing Members about the Buy-In and the results of a Buy-In per fax or telephone.

- (7) In the event a Buy-In pursuant to Paragraph (6) is successful and the Underlying Securities purchased during the Buy-In (the "**Purchased Securities**") have been delivered to Eurex Clearing AG by no later than 10:00 a.m. (Frankfurt am Main time) on the Business Day after the Buy-In Date, the purchase price for the Purchased Securities shall be born by the Borrower Clearing Member and shall be paid on the Business Day after the Buy-In Date in accordance with the daily cash clearing procedure pursuant to Chapter I Part 1 Number 1.4.1.

For the avoidance of doubt, if the Lender does not return the Equivalent Principal Collateral on the applicable payment date, then Number 2.6.5 Paragraph (2) (h) applies.

- (8) In the event a Buy-In pursuant to Paragraph (6) is not successful or only partially successful on the Buy-In Date or the Purchase Securities have not been delivered to Eurex Clearing AG by 10:00 a.m. (Frankfurt am Main time) on the Business Day

**Clearing Conditions for Eurex Clearing AG**

after the Buy-In Date, a cash settlement shall take place on the Business Day following the Buy-In Date with respect to the Non-Performed Transaction.

Eurex Clearing AG will inform the involved Clearing Members about the cash settlement pursuant to this Paragraph (8).

The cash amount to be paid by the Borrower vis-à-vis the Lender shall be denominated in the currency of the Underlying Security and be determined by Eurex Clearing AG as follows:

The Settlement Price of the Underlying Securities determined by Eurex Clearing AG multiplied by 2 and multiplied by the number of Equivalent Loaned Securities.

Number 2.2.2 Paragraph (1) and Number 2.3.3 Paragraph (1) apply *mutatis mutandis*.

- (9) If the Underlying Securities of a Non-Performed Transaction are subscription rights, no Buy-In shall take place following a Buy-In Request. Instead, a cash settlement shall occur on the earlier of the Buy-In Date or the Business Day following the end of the subscription period for that subscription right at a price determined by Eurex Clearing AG in accordance with Number 2.4.1 Paragraph (2) (d) (bb) multiplied by two and multiplied by the number of Equivalent Loaned Securities.
- (10) Measures set forth in Paragraphs (1) through (9) shall be binding on the Clearing Member which did not receive delivery in time.
- (11) Eurex Clearing AG will charge a buy-in fee from the Borrower Clearing Member if a Buy-In has taken place (independent whether it has been successful or not) (the "**Buy-In Fee**"). The Buy-In Fee shall be denominated in the Transaction Currency and amount to 10% of the market value of the Equivalent Loaned Securities bought or to be bought in the Buy-In, with a minimum of EUR 250 or CHF 375 and a maximum of EUR 5,000 or CHF 7,000.
- (12) For the avoidance of doubt, if the Lender does not return the Equivalent Principal Collateral on the applicable payment date for the relevant cash amount pursuant to Paragraph (7), (8) and (9), then Number 2.6.5 applies *mutatis mutandis*.

**20.110.52.6.5** Failure to Deliver by the Lender on the Maturity Date

- (1) If the Lender fails to actually deliver the relevant Eligible Principal Collateral Assets which are due to be returned in respect of Equivalent Principal Collateral in the form of Cash Principal Collateral to the Borrower in full on the Maturity Date with respect to a specific Securities Lending Transaction (for the purpose of this Paragraph (1), the "**Non-Returned Transaction**"), the redemption and return of the Equivalent Principal Collateral of such Non-Returned Transaction shall be postponed to the next following Business Day.

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Returned Transaction on such Business Day.

If the Lender fails to actually deliver the Equivalent Principal Collateral in the form of Cash Principal Collateral to Eurex Clearing AG in full until 9:30 a.m. (Frankfurt am Main time) on the Business Day following the Maturity Date with respect to the Non-Returned Transaction, a Termination Event pursuant to Chapter I Part 1 Number 7.2.1 Paragraph (1) shall have occurred with respect to the Lender Clearing Member

**Clearing Conditions for Eurex Clearing AG**

(irrespective of the fact whether a failure to deliver the Equivalent Loaned Securities by the Borrower pursuant to Number 2.6.4 Paragraph (1) occurs at the same time).

The related Securities Lending Transaction with the Borrower Clearing Member shall be regularly redeemed in accordance with Number 2.2.2 on such Business Day.

- (2) (a) If the Lender fails to actually deliver the Equivalent Principal Collateral in the form of Non-Cash Principal Collateral to the Borrower in full on the Maturity Date or on any Business Day thereafter with respect to a specific Securities Lending Transaction (for the purpose of this Paragraph (2), the **"Non-Returned Transaction"**), the redemption of such Non-Returned Transaction and return of the Equivalent Principal Collateral shall be postponed to the next following Business Day.

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Returned Transaction on such Business Day.

- (b) If no redemption of the relevant Non-Returned Transaction and return of the Equivalent Principal Collateral occurs in full on the third Business Day immediately following the date set as Maturity Date in the applicable Return request, the Borrower may request that the Lender's obligation under the Non-Returned Transaction to return the Equivalent Principal Collateral shall be replaced by an obligation of the Lender to pay a cash amount in the Transaction Currency determined by Eurex Clearing AG, in accordance with Paragraph (c).

- (c) The cash amount pursuant to Paragraph (b) shall be determined as follows:

- in the case of equity securities, the settlement price of the financial instruments comprising the Equivalent Principal Collateral that have not been delivered, as determined by Eurex Clearing AG, multiplied by 2 and multiplied by the number of such financial instruments that have not been delivered; and
- in the case of fixed income securities, the settlement price of the financial instruments comprising the Equivalent Principal Collateral that have not been delivered, as determined by Eurex Clearing AG, plus 300 bp and with such sum to be multiplied by the number of such financial instruments that have not been delivered.

- (d) If no cash settlement request has been received by the Borrower pursuant to Paragraph (b) until the tenth Business Day immediately following the date set as Maturity Date and the Borrower has not withdrawn its Return request, Eurex Clearing AG is entitled to determine that the Lender's obligation under the Non-Returned Transaction to return the Equivalent Principal Collateral shall be replaced by an obligation of the Lender to pay to the Borrower a cash amount in the Transaction Currency determined by Eurex Clearing AG, in accordance with Paragraph (c).

- (e) The right of the Borrower to withdraw its Return request prior to the relevant payment date of the relevant cash amount pursuant to Paragraph (b) or (d) shall remain unaffected.

**Clearing Conditions for Eurex Clearing AG**

- 3.2** In addition, any entity may participate in a DM Auction upon invitation by Eurex Clearing AG if
- 3.2.1** such entity is either a Non-Clearing Member, a Registered Customer or any other customer of a Clearing Member, in each case if applicable limited to the applicable Liquidation Group(s) (each a "**Qualified Invitee**");

- 3.2.2 such Qualified Invitee has evidenced the receipt of consent from its respective Clearing Member(s) (which must qualify as a Mandatory Participant) to participate in the relevant DM Auction; and
- 3.2.3 such Qualified Invitee prior to the DM Auction represents, warrants and undertakes vis-à-vis Eurex Clearing AG in writing to comply at all times with the requirements and obligations set forth in Number 10.1, 10.2 and 10.3 below

(each a "**Selected Invitee**").

Selected Invitees are only entitled to participate in DM Auctions via their relevant Clearing Members; each such Clearing Member is, upon the submission of a Bid for a Selected Invitee with regard to a specific Auction Unit, herein referred to as a "**Representing Participating Bidder**"). The submission of a Bid by a Representing Participating Bidder constitutes a Bid by such Representing Participating Bidder and only binds such Representing Participating Bidder vis-à-vis Eurex Clearing AG.

Any Mandatory Participant may disclose the Specific Terms and/or any additional information with respect to any DM Auction only to Selected Invitees invited by Eurex Clearing AG to participate in the respective DM Auction.

- 3.3 Eurex Clearing AG shall be entitled to subsequently suspend any Mandatory Participant or any Selected Invitee compliant with the conditions of Number 3.2 from participating in a DM Auction upon the occurrence of a serious cause related to such Mandatory Participant or Selected Invitee, as the case may be. If a Representing Participating Bidder has been suspended, the Selected Invitee represented by it shall also be suspended.

#### 4 Pre-Auction Procedures

- 4.1 For each DM Auction Eurex Clearing AG will provide all Mandatory Participants and all Selected Invitees (together the "**Invitees**" and each an "**Invitee**") with the Specific Terms and with any further relevant information relating to this DM Auction in accordance with Number 11. The distribution of the Specific Terms constitutes an invitation of Eurex Clearing AG to the Invitees to submit a Bid to enter into each of the DM Auction Transactions comprised in the relevant Auction Unit with Eurex Clearing AG at the Auction Price.

In addition, Eurex Clearing AG shall specify in the Specific Terms or via email for each Mandatory Participant a minimum number of Auction Units for which such individual Mandatory Participant shall bid; such number shall depend on the relative exposure of the relevant Mandatory Participant with respect to the relevant Liquidation Group(s), in particular with regard to (i) the number of Transactions held by the Mandatory Participant with respect to the relevant Liquidation Group(s), (ii) the notional amount of Transactions held by the Mandatory Participant with respect to the relevant Liquidation Group(s) and (iii) the risks inherent in the Transactions held by the Mandatory Participant with respect to the relevant Liquidation Group(s).

- 4.2 The Specific Terms will contain

- (i) the Auction Units (including information regarding the DM Auction Transactions comprised therein),

**DEFAULT MANAGEMENT AUCTION RULES**

- (ii) the permissible spread between the two bids to be provided in accordance with Chapter I Part 1 Number 7.5.3 Paragraph (7) of the Clearing Conditions for the respective Auction Unit which shall equal the margin requirement for this Auction Unit,
- (iii) the auction currency,
- (iv) the scheduled auction date (the "**Auction Date**") and the commencement time, as of which the respective Bids can be submitted (the "**Commencement Time**"),
- (v) the scheduled expiration time by which the respective Bids have to be submitted pursuant to Number 5 by the relevant Participating Bidder and/or Representing Participating Bidder (the "**Expiration Time**"),
- (vi) the Auction Format (as defined in Number 7 below), and
- (vii) the date and time of acceptance of the winning Bids (the "**Acceptance Date**" and "**Acceptance Time**") and the date and time of settlement of the auction (the "**Settlement Date**" and the "**Settlement Time**").

**4.3** Eurex Clearing AG is entitled at any time prior to the Expiration Time to change the Auction Date, Commencement Time, Expiration Time, the Auction Format, or the bidding procedures pursuant to Number 5, or to cancel a DM Auction, in each case by notice pursuant to Number 11, provided that Eurex Clearing AG shall reasonably extend the Expiration Time to allow for the exercise of the revocation right pursuant to Number 4.4 below. Eurex Clearing AG shall inform all Participating Bidders or Representing Participating Bidders of the respective DM Auction pursuant to Number 11 about any such changes.

**4.4** If Eurex Clearing AG amends the Specific Terms or any provisions of the General DM Auction Rules prior to the Expiration Time of a DM Auction and such amendment is, in the reasonable opinion of Eurex Clearing AG, materially prejudicial to any Participating Bidder and/or Representing Participating Bidder that has already submitted its Bid(s) before such amendment was announced and became effective, then such Participating Bidder or Representing Participating Bidder may revoke its Bid(s) in accordance with this Number 4.4, provided that a revocation of the respective Bid(s) will only become effective if received by Eurex Clearing AG prior to the Expiration Time (as amended). Any extension, cancellation, or re-opening of a DM Auction shall be deemed not to be materially prejudicial so that a Participating Bidder and/or Representing Participating may not revoke its Bid in case of any such change.

Bidder or Representing Participating Bidder and Eurex Clearing AG. If a Representing Participating Bidder submitted the winning Bid, Transactions corresponding to the DM Auction Transactions of the relevant Auction Unit will further be established between the Non-Clearing Member or Registered Customer for which the relevant Bid has been provided and its Representing Participating Bidder at the same time.

## DEFAULT MANAGEMENT COMMITTEE RULES

### 1 General Provisions for Default Management Committees

#### 1.1 Default Management Committees

Default Management Committees (each, a "**DMC**") are committees established by Eurex Clearing AG pursuant to Chapter I Part 1 Number 7.5.1 of the Clearing Conditions of Eurex Clearing AG (the "**Clearing Conditions**") for purposes of advising and assisting the management board of Eurex Clearing AG with respect to the occurrence of a Termination (as defined in Chapter I Part 1 Number 7 of the Clearing Conditions) and all other DMC Matters (as defined in Chapter I Part 1 Number 7.5.1 Paragraph (2) of the Clearing Conditions). Each DMC is governed by the rules set forth in these default management committees rules (the "**DMC Rules**").

#### 1.2 DMC Secretary

Eurex Clearing AG shall serve as the secretary of each DMC (the "**DMC Secretary**") and shall perform the administrative duties set out herein.

#### 1.3 Definitions

Terms used and not otherwise defined in these DMC Rules shall have the meanings ascribed to them in the Clearing Conditions.

### 2 Composition of Default Management Committees

#### 2.1 Types of DMCs and DMC Members

Eurex Clearing AG will establish a DMC with respect to one or more Liquidation Groups specified in the DMC Composition Table published by Eurex Clearing AG on its website ([www.eurexclearing.com](http://www.eurexclearing.com)) (the "**DMC Composition Table**") with respect to the relevant DMC Term (as defined in Number 2.6 below), provided that a DMC with respect to a Liquidation Group will only be established if there are at least 5 Clearing Members participating in the Clearing with respect to such Liquidation Group. A DMC will consist of at least two members selected by Eurex Clearing AG in accordance with these DMC Rules (the "**DMC Members**" and each a "**DMC Member**"). The number of DMC Members of each DMC are specified in the DMC Composition Table. Eurex Clearing AG may, in its discretion, decide not to establish a DMC with respect to a Liquidation Group which does not have a substantial size.

The DMC Composition Table will be updated or adjusted by Eurex Clearing AG annually for each upcoming DMC Term.

#### 2.2 Membership Requirements

DMC Members will be nominated by Clearing Members and accepted and appointed by Eurex Clearing AG with respect to the relevant DMC Term in accordance with the membership requirements to select DMC Members in this Number 2.2 (the "**Membership Requirements**").

### 2.2.1 Selection of Participating DMC Member Institutions

Eurex Clearing AG will select the Clearing Members entitled to nominate a DMC Member (each a "**Participating DMC Member Institution**") in accordance with Number 2.2.2.

### 2.2.2 Guidelines for the Selection of Participating DMC Member Institutions

- (1) With respect to each DMC and the relevant DMC Term, Eurex Clearing AG will compile a list of eligible DMC Member Institutions according to and ordered by the level of activity of each Clearing Member in its Own Account and its Customer Accounts in the relevant Liquidation Group (each an "**Applicable List**"). The applicable number of Clearing Members of each Applicable List will in the order of appearance automatically qualify as Participating DMC Member Institutions for the relevant DMC unless Eurex Clearing AG determines in its reasonable discretion a serious cause for excluding any such qualifying Clearing Member.
- (2) No Clearing Member shall be obliged (a) to be a Participating Member Institution for more than two DMCs and (b) to have more than one DMC Member in any DMC, at a time.
- (3) Each Participating DMC Member Institution may request its substitution by a qualified affiliated Non-Clearing Member or Registered Customer. Upon acceptance of such substitution by Eurex Clearing AG, which acceptance shall not be unreasonably withheld, the affiliated Non-Clearing Member or Registered Customer shall be a Participating DMC Member Institution (and shall be obliged to sign the Agreement for the Participation in a Default Management Committee, as applicable to Non-Clearing Members and Registered Customers, in the form provided by Eurex Clearing AG) and the relevant Clearing Member shall cease to be a Participating DMC Member Institution.
- (4) Eurex Clearing AG will inform each Participating DMC Member Institution of its selection as Participating DMC Member Institution at least 3 months prior to the commencement of the relevant DMC Term.

### 2.2.3 Designated DMC Members

- (1) Eurex Clearing AG will notify each Participating DMC Member Institution of its identification as a Participating DMC Member Institution in writing.
- (2) If a Participating DMC Member Institution has been selected as such for more than two DMCs it may request by written notice to Eurex Clearing AG (which shall be given without undue delay) that it only serves on two DMCs. Upon receipt of such notification Eurex Clearing AG shall notify such Participating Member Institution in which two DMCs it shall serve and shall select one or more other Clearing Member(s) in accordance with Number 2.2.1 to nominate a Designated DMC Member and a Designated DMC Deputy for the DMC Term of the relevant DMC(s).

- (3) Participating DMC Member Institutions shall nominate an individual as potential DMC Member (the "**Designated DMC Member**") and another individual as its deputy (the "**Designated DMC Deputy**") for the DMC Term of the relevant DMC by notifying the DMC Secretary in writing or by fax of the identities and contact information (including personal telephone number and email address) of the nominated individuals (the "**Designation Notice**") by no later than two months following receipt of Eurex Clearing AG's notice pursuant to Paragraph (1) above. In any case the Participating DMC Member Institution shall ensure that both, the Designated DMC Member and the Designated DMC Deputy will comply with their obligation to return a completed DMC Rules Acknowledgement and Undertaking Letter to Eurex Clearing AG, in accordance with Number 2.5 below, by no later than on the last Business Day prior to the commencement of the relevant DMC Term (the "**Designation Cut-Off Time**").
- (4) Designated DMC Members and Designated DMC Deputies must satisfy the following eligibility criteria evidenced by adequate information provided by the relevant Participating DMC Member Institution to Eurex Clearing AG:
- (a) the designated individual must be an employee of the Participating DMC Member Institution and shall have agreed to participate in a DMC;
  - (b) the designated individual must be qualified (*sachkundig*) with respect to the relevant Liquidation Group and must have appropriate expertise and experience in relation to the relevant DMC Matters;
  - (c) the designated individual is not already a DMC Member or DMC Deputy in a DMC or a similar committee of another central counterparty or exchange;
  - (d) the designated individual will not be subject to conflicts of interest following its acceptance as a DMC Member or DMC Deputy or will not be unable to act as DMC Member or DMC Deputy for whatever reasons; and
  - (e) the designated individual must be available for prompt participations in person in a DMC Meeting within two hours after receipt of an Invitation (as defined in Number 3.1.1 below).
- (5) If Eurex Clearing AG does not receive the Designation Notice by the Designation Cut-Off Time, the relevant Participating DMC Member Institution shall cease to be a Participating DMC Member Institution and another Clearing Member shall be selected by Eurex Clearing AG in accordance with Number 2.2.1 to nominate a Designated DMC Member and a Designated DMC Deputy for the DMC Term of the relevant DMC. Eurex Clearing AG shall notify the relevant Participating DMC Member Institution of its failure to give the Designation Notice.

## 2.3 Failure of the Participating DMC Member Institution to comply with nomination requirement

If a Participating DMC Member Institution fails to comply with its obligation to nominate a Designated DMC Member or a Designated DMC Deputy in accordance with Number 2.2.3 Paragraph (5) or Number 2.4.1 Paragraph (4), Eurex Clearing AG is entitled to exclude such Participating DMC Member Institution from the selection process according to Number 2.2 for the next three consecutive upcoming DMC Terms and to report such failure to the respective regulatory authorities. Irrespective of whether Eurex Clearing AG has suffered any damage, the Participating DMC Member Institution shall pay, in accordance with the instructions received from Eurex Clearing AG, a contractual penalty in the amount of EUR 1,000,000 (or the corresponding equivalent in another Clearing Currency as determined by Eurex Clearing AG). Any such penalty received by Eurex Clearing AG shall be added to and forthwith form part of the Reserve of Eurex Clearing AG in accordance with Chapter I, Part 1, Number 6.1.3. of the Clearing Conditions.

The right of Eurex Clearing AG to claim further damages shall remain unaffected.

## 2.4 Procedures for becoming a DMC Member

### 2.4.1 Validation and Acceptance by Eurex Clearing AG

- (1) Upon receipt of a Designation Notice, Eurex Clearing AG validates the Designated DMC Member and the Designated DMC Deputy on the basis of the information given by the Participating DMC Member Institution to evidence compliance with the Membership Requirements. The Participating DMC Member Institution shall provide any further information or evidence of compliance with the Membership Requirements as reasonably requested by Eurex Clearing AG.
- (2) Upon acceptance of a Designated DMC Member and Designated DMC Deputy by Eurex Clearing AG, such Designated DMC Member shall for the DMC Term of the relevant DMC be a DMC Member and such Designated DMC Deputy shall for the DMC Term of the relevant DMC be a deputy for such DMC Member (the "**DMC Deputy**"; where these DMC Rules refer to a DMC Member, such reference shall also or only refer to the DMC Deputy if and to the extent the context so requires).
- (3) Eurex Clearing AG shall only reject a Designated DMC Member or a Designated DMC Deputy if the Designated DMC Member or the Designated DMC Deputy does not satisfy the eligibility criteria pursuant to Number 2.2.3. Eurex Clearing AG shall notify the relevant Participating DMC Member Institution of such rejection and the reasons therefor in writing.
- (4) Upon a rejection of a Designated DMC Member and/or a Designated DMC Deputy by Eurex Clearing AG, the relevant Participating DMC Member Institution may nominate a second individual as Designated DMC Member or Designated DMC Deputy, as the case may be, in accordance with 2.2.3 Paragraph (2).

If Eurex Clearing AG also rejects such second individual nominated as Designated DMC Member or Designated DMC Deputy, as the case may be, the relevant Participating DMC Member Institution shall cease to be a Participating DMC Member Institution and another Clearing Member shall be selected by Eurex Clearing AG in accordance with Number 2.2.1 to nominate a Designated DMC Member and a Designated DMC Deputy for the DMC Term of the relevant DMC. Eurex Clearing AG shall notify the relevant Participating DMC Member Institution of its failure to nominate a second Designated DMC Member or Designated DMC Deputy.

#### 2.4.2 List of DMC Members

Eurex Clearing AG maintains a list of all DMC Members and DMC Deputies of the relevant DMC, including the relevant contact details (address, phone number, fax number, email address).

Eurex Clearing AG shall not be obliged to make available such list to Clearing Members, Non-Clearing Members or Registered Customers.

### 2.5 DMC Member Acknowledgement and Undertaking Letter

Eurex Clearing AG will prepare and provide to each Designated DMC Member and Designated DMC Deputy a form of letter (the "**DMC Rules Acknowledgement and Undertaking Letter**"), pursuant to which a Designated DMC Member or Designated DMC Deputy will inter alia acknowledge and agree to its respective rights and responsibilities as described in the DMC Rules. Each Designated DMC Member and Designated DMC Deputy shall return to Eurex Clearing AG a properly completed and executed DMC Rules Acknowledgement and Undertaking Letter by the earlier of (a) five Business Days after becoming a Designated DMC Member or a Designated DMC Deputy and (b) the last Business Day prior to the commencement of the relevant DMC Term.

Failure by a Designated DMC Member or a Designated DMC Deputy to return a properly completed and executed DMC Rules Acknowledgement and Undertaking Letter by the deadline specified in this Number 2.5 will result in the relevant Designated DMC Member or a Designated DMC Deputy ceasing to be a Designated DMC Member or a Designated DMC Deputy and Eurex Clearing AG shall request the Participating DMC Member Institution to nominate a new DMC Member or DMC Deputy in accordance with Number 2.2.3.

### 2.6 Term of Membership in a DMC

The membership of a DMC Member or DMC Deputy in a DMC shall end on the last day of the calendar year in which it commenced (the "**DMC Term**"). Eurex Clearing AG is entitled to extend the DMC Term of a DMC if the DMC Matters for which a DMC Meeting has been convened are not resolved before the end of such DMC Term.

Nothing herein shall prevent the individual appointed as a DMC Member or DMC Deputy from serving in the same DMC for consecutive DMC Terms if duly appointed in accordance with this Number 2.2.

**2.7 Information Undertakings of Participating DMC Member Institutions**

Each Participating DMC Member Institution shall inform Eurex Clearing AG without undue delay (i) if the relevant DMC Member or DMC Deputy no longer complies with the Membership Requirements or (ii) if it merges with any other Participating DMC Member Institution(s) and if therefore more than one DMC Member or DMC Deputy nominated by affiliated Participating DMC Member Institutions is a DMC Member or DMC Deputy in the same DMC.

**2.8 Removal of DMC Members, Suspension of DMC Membership**

Any DMC Member or DMC Deputy that resigns or is replaced or removed from a DMC pursuant to these DMC Rules shall no longer be a DMC Member or DMC Deputy, as the case may be, and Eurex Clearing AG shall, in each case, accept a successor DMC Member or DMC Deputy for the DMC Term of the relevant DMC in accordance with the Membership Requirements.

**2.8.1 Resignation**

A DMC Member or DMC Deputy may at any time resign from its appointment by giving not less than 30 calendar days prior written notice of its resignation to the DMC Secretary provided that in any event such resignation shall only become effective upon the acceptance of a successor DMC Member or DMC Deputy.

**2.8.2 Automatic Removal**

A DMC Member or DMC Deputy shall be automatically removed from a DMC on which it serves without any further notice upon (i) the occurrence of a Termination Date in relation to the Participating DMC Member Institution (or the affiliated Clearing Member in the case of Number 2.2.2 Paragraph (2)) which has nominated such DMC Member or DMC Deputy or (ii) ceasing to be an employee of the Participating DMC Member Institution.

- (4) The contract shall cease automatically if the Participant's clearing license or his authorization to participate in stock exchange trading are terminated or suspended.

### **9. Liability**

However, the aforementioned shall not apply in cases of imperative liability, e.g. cases of wilful misconduct, gross negligence, and harm to life, body or health or in case of violation of significant contractual obligations. However, claims based on the violation of significant contractual obligations shall be limited to the damage which is typical for the contract and, thus, predictable. This limitation shall not apply in case of wilful misconduct, gross negligence or in case of liability due to harm to life, body or health. The provisions above shall not mean a shift in the burden of proof in the Participant's disfavour. Eurex Clearing AG may commission third parties to carry out its tasks either partially or completely, if it considers this justified. If Eurex Clearing AG makes use of this right, its liability is limited to the careful selection and instruction of the third party that it has commissioned. At the request of the Participant, however, Eurex Clearing AG shall cede existing claims it may have against the commissioned third party to the Participant.
