2. Designated Market Maker Agreement for Futures on SLI Swiss Leader® Index

The Management Board of Eurex Deutschland and the Executive Board of Eurex Zürich AG decided to extend the Designated Market-Making scheme in futures on the SLI Swiss Leader Index® in an unchanged format for the time period from **1 January 2016 to 31 December 2016**.

Eurex Exchange offers interested participants the opportunity to act as Designated Market Makers for the index futures mentioned above. Designated Market Makers ensure continuous liquidity by undertaking to provide quotes on the bid and ask side, subject to maximum spreads, for a specified minimum number of contracts and within a specified period of time.

For details to this scheme please refer to attachment 1.

To register as a Designated Market Maker, please use the form in attachment 2.

Scheme obligations

Designated Market-Making scheme for SLI Swiss Leader Index[®] Futures

Outline

This Designated Market-Making scheme applies to SLI Swiss Leader Index[®] Futures.

Designated Market Makers will be obliged to provide bid and ask prices in order to receive the status of Designated Market Maker in the respective product.

Scheme obligations

Minimum size: 10 contracts on the bid and ask side (as outlined below).

Maximum spread: 10 index points (as outlined below).

Product	Eurex code	Minimum size	Maximum spread
SLI Swiss Leader Index [®] Futures	FSLI	10	10

Spread and size classifications will be reviewed on a regular basis.

Quotation period: 80 percent of the daily trading period between 09:00 and 17:20 (CET) on a monthly average.

Market Makers will be obliged to supply bid and ask prices/quotes only in the front month contracts until five exchange trading days immediately preceding the last trading day of the front month contract; afterwards, Market Makers will have the choice of quoting the front month or the next contract month.

Scheme period: 1 January 2016 until 31 December 2016

Eurex Exchange will evaluate on a monthly basis which Market Makers have complied with the obligations of the Market Maker scheme in the respective index futures. Market Makers participating in this scheme will not receive any additional rebates or pay any additional fees for contracts traded under this scheme. Standard Eurex transaction fees will apply.
