On 27 April 2015, the company GDF Suez published a name change to Engie. Since this name change only refers to the brand name but not to the legal name of the company, the name change which was carried out with Eurex circular 069/15, must be revoked.

Accordingly, effective **21 May 2015**, the names of the Eurex option contract, the Eurex Single Stock Futures contract and the Eurex Single Stock Dividend Futures contract (GZF, GZFG, G2ZF) on shares of the company will change.

Product codes as well as product ISIN and ISIN of the underlying of the Eurex option, the Eurex Single Stock Futures contract and the Eurex Single Stock Dividend Futures contract will remain unchanged:

Product code old/new	ISIN of underlying instrument old/new	Product ISIN old/new	Name old	Name new
GZF	FR0010208488	FR0010208488	Engie	GDF Suez
