Please note that in contrast to our announcement in Eurex circular 082/12, a new Single Stock Future (SSF) will be introduced on Eurazeo (RFXH) on June 4, 2012 (see Eurex circular 114/12) due to technical reasons. This will be done although no adjustments have been made to the original Eurex stock futures contract on Eurazeo (RFXG), as published in the **Market Supervision Messages** window on May 24, 2012. Effective **June 4**, **2012**, at start of trading, trading in the original contract (RFXG) will be put on "HALT" and discontinued, if there is no open interest until that date.
