C7, the new clearing architecture of Eurex Clearing is replacing the existing Eurex Clearing classic system in a stepwise approach. Eurex Clearing successfully launched release 1.0 on 30 June 2014 in production by introducing Flexible Accounts. Further enhancements to the Flexible Account structure and related reports will be made with the introduction of release 2.0 on **24 November 2014**.

In a third step Eurex Clearing C7 Release 3.0 will migrate position and transaction maintenance to C7 in **November 2015**.

Simulation is planned to start in **July 2015**.

Release 3.0 will be a mandatory release for Clearing Members, Non Clearing Members and Registered Customers.

Further details as well as communication schedules, will be published in December 2014.

Clearing Members, Non Clearing Members and Registered Customers should contact their third party software providers in order to prepare for the simulation and production launch dates.
