2. Contract specifications and product parameters

The minimum number of tradable contracts for the Eurex Trade Entry Services will be one contract.

Generally, contract specifications for the new Single Stock Futures and the new Single Stock Dividend Future are in line with those for the existing Single Stock Futures and Single Stock Dividend Futures, respectively, with the relevant Eurex group ID, also in terms of trading hours and trading calendar, last trading day, settlement and determination of the daily and final settlement prices.

As of the introduction date of the new products, updated Annexes A and D of the Contract Specifications for Futures Contracts and Options Contracts at Eurex Deutschland and Eurex Zürich will be published on the Eurex website www.eurexchange.com under the following link:

Resources > Rules and Regulations > Contract specifications

3. Risk parameters

You will receive the relevant risk parameters via the Theoretical Price Files after the product set-up in Eurex Exchange's T7. The parameters will also be published as of start of trading on the Eurex website under:

Market data > Clearing data > Risk parameters and initial margins

Currently, all listed derivatives on single stocks, equity indexes, fixed income and money market instruments as well as all OTC IRS products are eligible for calculation in Eurex Clearing Prisma.

The risk parameters for the new products can be found on the Eurex Clearing website www.eurexclearing.com under the link:

Risk management > Risk parameters

There, you will also find an up-to-date list with details for all Prisma eligible Eurex products.

4. Mistrade parameters and position limits

Mistrade ranges and position limits for the new Single Stock Futures and the new Single Stock Dividend Future will be published as of start of trading on the Eurex website under the links:

Products > Equity Derivatives > Single Stock Futures

Products > Dividend Derivatives > Single Stock Dividend Futures

5. Transaction limits

The same values apply as for existing Single Stock Futures and Single Stock Dividend Futures, respectively, with the relevant Eurex group ID. For details, please refer to the Eurex website under the link:

Technology > Excessive System Usage Fee

6. Transaction fees

The same transaction fees apply as for the corresponding existing Single Stock Futures and Single Stock Dividend Futures, respectively.

7. Vendor codes

As of start of trading, data vendor codes for the new products will be published on the Eurex website under the link:

Products > Vendor product codes
