With reference to Eurex circular 210/05 we would like to publish a clarification on the regular trading calendar for all products included in the trading hours extension. This regulation will result in a harmonized close of trading for Fixed Income Futures und Equity Index Futures.

For all euro-denominated Fixed Income Futures and Equity Index Futures of Eurex the German trading calendar will apply.

We would like to point out that we do not plan to shorten trading hours at other bank holidays than those comprised in the German trading calendar.

Should you have any questions or require further information, please do not hesitate to contact our Customer Support Team at tel. +49-69-211-1 17 00 or fax +49-69-211-1 17 01.
