Xetra Release 17.0

Communication Calendar

	Year	2017																																										
	Month	Mar				Apr				May					Jun					Jul					Aug						Sep					Oct					Nov			
	Day	06	13	20	27	03	10	17	24	01	04	15	23	29	02	09	12	22	29	03	10	17	24	31	03	08	10	14	21	28	04	08	15	22	29	02	09	19	26	30	02	06	13	20
Release Announcement	27/03/17				x																																							
Communication Calendar	27/03/17				x																																							
Release Description	15/05/17											x																																
Xetra Market Data Interface - Modification Announcement	15/05/17											x																																
Xetra FIX Gateway - FIX 4.2 and 4.4 Modification Announcement	15/05/17											x																																
Member FE Development Guide (Values API) - Modification Announcement	15/05/17											x																																
Enhanced Broadcast Solution- Interface Specification Modification Announcement	15/05/17											x																																
Enhanced Transaction Solution- Interface Specification Modification Announcement	15/05/17											x																																
Technical Description	12/06/17																x																											
Functional Description	12/06/17																x																											
Member FE Development Guide (Values API) - Programming Version incl. Delta and Header Package	24/07/17																						x																					
XML Report Reference Manual - Programming Version incl. Delta	24/07/17																						x																					
Xetra Market Data Interface - Programming Version incl. Fast Message Template (XML) and Single Packet (Template)	24/07/17																						x																					
Xetra FIX Gateway - FIX 4.2 and 4.4 Programming Version incl. Fiximate and Repository	24/07/17																						x																					
Enhanced Broadcast Solution - Interface Specification Programming Version incl. Delta and Fast Message Template (XML)	24/07/17																						x																					
Enhanced Transaction Solution - Interface Specification Programming Version incl. Delta,Data Model and Error Codes	24/07/17																						x																					
Xetra J-Trader User Manual - Preliminary Version	14/08/17																											x																
Front End Access to Exchange Applications	21/08/17																												x															
Network Access to Exchange Applications	21/08/17																												x															
Check List Simulation	21/08/17																												x															
Member Simulation Guide	21/08/17																												x															
Multicast-Addresses for Simulation, Advanced Simulation and Production (MDI, EnBS)	21/08/17																												x															
Simulation Info incl. Kits & Notes (Circular)	21/08/17																												x															
Xetra Instrument Reference Data Guide	28/08/17																													x														
Common Report Engine User Guide	28/08/17																													x														
Front End Installation Guide & Front End Operations Guide	28/08/17																													x														
Common Front End Sizing Guidelines	28/08/17																													x														
Simulation Kits & Notes	28/08/17																													x														
Security Administration Manual	28/08/17																													x														
Market Model Continuous Auction	04/09/17																														x													
Xetra Market Data Interface - Final Version incl. Fast Message Template (XML) and Single Packet (Template)	02/10/17																																			x								
Xetra FIX Gateway - FIX 4.2 and 4.4 Final Version incl. Fiximate and Repository	02/10/17																																			x								
Enhanced Broadcast Solution - Interface Specification Final Version incl. Delta, Datenmitschnitt and Fast Message Template (XML)	02/10/17																																			x								
Enhanced Transaction Solution - Interface Specification Final Version incl. Delta, Data Model and Error Codes	02/10/17																																			x								
Member FE Development Guide (Values API) - Final Version incl. Delta and Header Package	02/10/17																																			x								
XML Report Reference Manual - Final Version incl. Delta	02/10/17																																			x								
Xetra J-Trader User Manual - Final Version	02/10/17																																			x								
Check List Production	30/10/17																																							x				
Production Introduction Information including Kit & Notes (Circular)	30/10/17																																							x				
Production Kits & Notes	06/11/17																																									x		
Exchange Rules & Regulations	13/11/17																																										x
