Extension of Market-Making scheme in VSTOXX® products

Extension of Designated Market-Making scheme for VSTOXX® Mini Futures (FVS)

Eurex Exchange will extend the existing Designated Market-Making Program effective 1 January 2014.

As Designated Market Makers, Eurex participants agree to supply continuous bid and ask prices (quotes) for a determined minimum number of contracts in compliance with maximum spreads. Also, amongst other things, Designated Market Makers agree to take over further obligations with regard to efficient operation of the market by providing additional price information. If required by Eurex Exchange, they agree to supply additional price and valuation analysis.

In return, Designated Market Makers will be reimbursed all transaction fees for the time period from 1 January until 31 December 2014 for trades concluded on M-accounts if they fulfill all quote obligations.

Market participants, who wish to register as Designated Market Makers in this product are requested to use the attached form.
