Effective **20 September 2012**, Eurex participants and investors domiciled in the U.S. will have access to trading of another product: EURO STOXX® ex Financials Futures contracts.

On 28 August 2012, the Commodity Futures Trading Commission's (CFTC) Division of Market Oversight certified this contract submitted by Eurex for review on 12 July 2012. The contracts satisfy the requirements of the Commodity Exchange Act and CFTC's Regulations and may be offered or sold to persons in the U.S. through Eurex's direct access terminals located in the U.S.

The respective new product assignment groups are XACFQE (Equity Index Futures in Euro).

For direct access to the CFTC press release, please click here:

CFTC Press Release

Please note: As a result of the new product assignment groups, although the multicast addresses for dissemination of market data will remain unchanged, the respective port numbers will change as follows:

Snapshot Messages: 50033 to 50001
Incremental Messages: 50032 to 50000

For any questions you may have, please contact Steven Stasys, Jennifer Goldson or Ralf Huesmann via the above-mentioned contact details.
