Application for the Granting of Market Maker Licenses at Eurex

Permanent and Advanced Market Making Registration Form

1. Preface

Eurex addresses the following proposal to all market participants interested in the status of Permanent Market Maker (hereafter denoted as PMM) in all fixed income, equity and equity index options listed at Eurex. Eurex also addresses the following proposal to all market participants interested in the status of Advanced Market Maker (hereafter denoted as AMM) in pre-defined packages consisting of equity and equity index options listed at Eurex.

Permanent quotation will be permitted in all fixed income options as well as all stock and index options listed at Eurex.

PMMs are at liberty to choose the fixed income, stock and index options in which they wish to make a permanent market. AMMs, on the other hand, are at liberty to choose the package in which they wish to make a permanent market. However, the fixed income, stock and index options chosen or within the chosen package must be subject to a market making license between Eurex and the member. This registration therefore supplements the Market Maker license signed between Eurex and market making member firms.

Resignation from the responsibilities is subject to the general rules for Eurex Market Making. Members are requested to indicate the options in which they wish to make a permanent market in accordance with this agreement and to sign and return the document to Eurex, Product Design, 60485 Frankfurt, Fax: +49-69-211-1 44 61.

2. Permanent Market Maker and Advanced Market Maker Quotation Obligations and Trading Parameters

The quotation obligations and trading parameters of a PMM or AMM are detailed in the attached document “Market Maker Obligations at Eurex” and have to be fulfilled in their appropriate valid version.
