## Eurex Repo Technical Information

Eurex Repo F7 simulation v3.5 update (with optional API upgrade)

**Contact:** Eurex Repo Sales

**Importance:** High Priority

**Summary:**

The Eurex Repo F7 simulation environment will be updated to version F7 release 3.5 on Thursday, February 25th, 2021.

Eurex Repo will conduct internal tests on February 26th, 2021 and the **3.5 Simulation** period will commence **starting Monday, March 1st, 2021.**

With the start of the business day on Monday, March 1st, 2021 the software version for Repo F7 simulation will be 003.530.000.

Release 3.5 includes GUI enhancements as well as an optional F7 API upgrade. API customers (including ISVs) will be provided a new set of updated XSDs for release 3.5 in the Eurex Repo member section, together with an updated F7 API manual describing all changes in detail.

F7 API customers that choose not to introduce the new F7 API features may continue to use the Release 3.4 XSDs with the new software. However, it is always strongly recommended that all API customers perform a regression test during the simulation period.

The **launch** of the optional **upgrade to version 3.5 in Eurex Repo F7 production is planned on Monday, April 12th 2021.**

Release 3.5 includes enhancements affecting F7 Trading GUI and F7 API users (optional):

- F7 GUI specific enhancements
  - User PINs
  - Trade approvals (four-eyes)
  - New quote history
  - New re-submit feature for pre-trades
  - Pre-trade window improvements
  - Newsboard pop-ups
  - Smaller enhancements
- F7 API specific enhancements (optional)
  - Trade approvals (four-eyes)
  - New quote history

F7 GUI users are strongly recommended **to clear the browser cache** after the release introduction, to ensure that the newly introduced GUI functionalities behave correctly.

Details on the various enhancements and features are described in the "[Eurex Repo F7 3.5 Release Notes - Simulation version](#)" which has been published in the Eurex Repo member section together with a matching set of XSDs for v003.520.000.

F7 system documentation for release 3.5 are available at: [Eurex Repo Member Section](#) > Repo Resources > Trading System F7 > System documentation > Release 3.5

Including:

Eurex Repo F7 3.5 Release Notes, Simulation version

F7 API Manual for v003.520.000, Simulation version

F7 API XSD v003.520.000

Eurex Repo F7 GUI – User Manual, version 3.5

BTW: The current production software v.3.4 is always available for testing in the advanced simulation environment.

Best regards,

Your Eurex Repo Team
