

Publication categories and rules for **Circulars** and **Readiness Newsflashes** – 1/2

Eurex and Eurex Clearing publish important announcements affecting their clients via Circulars and Readiness Newsflashes. Learn more about when you receive a Circular and when you receive a Readiness Newsflash.*

Characteristics of Circulars

Circulars are distributed via e-mail to announce **new initiatives** and **legally binding items**

Characteristics of Newsflashes

Readiness Newsflashes are distributed via e-mail to announce **updates to initiatives** like availability of documentation, Release Statements, checklists etc.

Publication categories and rules for **Circulars** and **Readiness Newsflashes** – 2/2

Publication Rules
