1. Transaction Fees

The Management Boards of the Eurex Exchanges have made the decision to increase the monthly minimum transaction fees from EUR 2,250.00 to EUR 3,500.00 from 01 July 2000.

Also with effect from 01 July 2000 new Eurex members will benefit from a waiver of the minimum transaction fees for the month of their admission, and the next three full months.

2. Alternative Access

In the near to medium-term future, Eurex will offer alternative means of access which will allow members to trade on Eurex without the need for a full front end configuration or dedicated connections to Eurex. Such access possibilities will include lower cost solutions.

We will inform you about these new services and their fee structures in the near future.
