Training for the Eurex Release 4.0 Clearing Graphical User Interface

Contact: Member Training: Tel. +49 (0)69-2101-3767

Content may be most important for:	**Attachments:**
➲ Middle + Back Office ➲ Auditing / Security Administration	1. Course description and schedule 2. Registration form

As already announced, Eurex Release 4.0 includes an extension to the current graphical user interface (GUI) on the MISS architecture which provides access to a number of the clearing functions. In preparation for the forthcoming simulation phase, Eurex has arranged a special Clearing Update training programme for back office staff of clearing and non-clearing members to familiarise them with the new GUI facilities. The training programme will be conducted during the period 03 April 2000 to 02 May 2000 in five locations. A description of the course content and the detailed schedule can be found in Attachment 1.

This initial series of courses is provided for members already using the MISS architecture who intend to use the new Clearing GUI at an early stage. For capacity reasons the number of course participants is initially limited to two per member.

Members who intend to continue with the User Device architecture after the introduction of Release 4.0 are asked to attend alternative training sessions in the regular schedule of System Training for Eurex Clearing. These courses will be updated to include the new GUI facilities at the same time. The schedule is published in the Eurex Training & Education brochure, which is available on our web-site “www.eurexchange.com” under the path ’Market place / downloads / education’.

If you intend to participate in the Release 4.0 simulation using the new Clearing GUI facilities, please complete the registration form (Attachment 2) and return it **before 24 March 2000** to Eurex Member Training. The course fee is EUR 400.00 per person and each participant should complete a separate registration form.

Member Training on the new Clearing Graphical User Interface

Training content and structure:

Participants will be introduced to the new Clearing facilities on the Eurex Release 4.0 graphical user interface (GUI). The system will be presented using the new windows and following the logical process flow between them. In addition, extensive exercises will be performed by participants to deepen their knowledge. All necessary technical equipment (Windows/NT platform) and training material will be provided.

Goal of the course:

After attending the course, participants will be able to perform the daily clearing activities on the new graphical user interface. Furthermore, they will be able to pass their knowledge on to their colleagues.

Participants and requirements:

The course consists of 'update' training for personnel already experienced in clearing with Eurex. It is targeted solely at experienced users since the course concentrates on the presentation and use of the graphical user interface and offers no basic introduction to clearing at Eurex. Furthermore, this particular training programme is addressed to only those members who will use the MISS platform with the introduction of release 4.0.

Duration: 1 day

Languages: Course languages: German, English
Documentation: English

Course Fee: EUR 400.00

Terms and Conditions

Registration/Course Documentation

Registration for Eurex seminars is binding. Course documentation will be handed out at the beginning of the seminar.

Seminar Fee

Your registration will be confirmed. The fee for the training course will be 400 euro.

Withdrawals/Cancellations

In case of non-participation, the full fee will be charged. It is possible to nominate an alternative participant. In case of cancellations, a nominal charge of Euro 100 will be invoiced. To cancel, you must notify Eurex at least 3 days prior to the seminar date. Eurex reserves the right to cancel any seminar, if necessary, at short notice.

Hotel bookings

If you require hotel accommodation, please contact your travel agent. Eurex does not provide any reservation services. In the event that a seminar is cancelled for any reason whatsoever, Eurex will not reimburse any travel/accommodation costs incurred.
