Summary:

Based on the recommendation of the Eurex Working Group (Equity and Index Products) and several requests from the market, the Management Boards of the Eurex Exchanges have made the decision to extend the trading hours of options and futures contracts on the Dow Jones EURO STOXX 50 and the Dow Jones STOXX 50.

On normal exchange trading days, the start of the Post-Full phase (corresponding to the End of Trading) will be changed from 17.00 CET to 17.30 CET. The new trading hours for these products will therefore be from 09.00 CET until 17.30 CET.

There are no changes to the times of End of Trading (12:00 CET) or for execution of the Options products (19:30 CET) on the Last Trading Day.

Subject to the approval of the competent authorities, this decision will come into force on **24th January 2000.**
