**Go to the Formula One Race on the Nürburgring with Eurex Deutschland and the Futures on the Dow Jones STOXX 50 and Dow Jones Euro STOXX 50**

**Circular 41/98**

Ladies and Gentlemen,

On June 22, 1998, futures and options on the Dow Jones STOXX 50 and Dow Jones Euro STOXX 50 were introduced for trading at Eurex. Five months before the euro's introduction, the four contracts at Eurex are already posting much higher trading volumes than any other derivatives contract on European share indices at other derivatives exchanges.

We would like to express our thanks to the Eurex members who are already supporting the STOXX derivatives in this early phase with a very special kind of invitation. Those members who rank among the five highest-turnover members in the **A account** (agency business) **or P/M account** (proprietary trading) in the total number of **futures** traded on the Dow Jones STOXX 50 and the Dow Jones Euro STOXX 50 during the period from **August 17 to September 11, 1998** will win tickets to the Formula One race on September 27, 1998 on the Nürburgring. The prize will be awarded to one person from each of the five firms per account group, i.e. a total of 10 tickets will be given away. The program includes, among other things:

- Arrival to/departure from the Nürburgring on Sunday, September 27, 1998
- First-class grandstand seats
- Champagne breakfast
- Four-course gourmet lunch at midday
- A gourmet buffet dinner in the evening

All of the winners will be notified immediately after September 11, 1998. If you have any questions, please call Elmar Werner at +49-69/2101-5923.

Best regards

Andreas Preuß Christian Klapproth
