The Management Boards of the Eurex Exchanges have decided to change the published holiday calendar for Dutch Dow Jones EURO STOXX 50 equity options.

Contrary to the information provided in circular 013/00, in line with all other Eurex products, 01 May 2000 will be a non-trading day for Dutch equity options on Eurex.

The revised calendar is presented below:

Holiday Calendar - Dutch Equity Options

April	**May**	June	December
21 April 2000	**1 May 2000**	01 June 2000	25 December 2000
24 April 2000		12 June 2000	26 December 2000
