none

Please note that there is a mistype in the header of the Mistrade Ranges table published in Eurex circular 223/07:

The threshold in the maturity ranges is **24** months and not eight months. This means that the maturity range for all classes is split into “up to and including 24 months” and “more than 24 months” of maturity.

Reference Price	Mistrade Range		Reference Price	Mistrade Range		Reference Price	Mistrade Range	
	Maturity (Months)			Maturity (Months)			Maturity (Months)	
	≤ 24	> 24		≤ 24	> 24		≤ 24	> 24

For more information please feel free to contact Sascha Semroch at tel. + 49-69-211-1 50 78 or e-mail sascha.semroch@eurexchange.com.
