The permanent simulation environments of Eurex, CCP and Xetra will not be available after April 17, 2003. Re-opening of simulation for all three systems is planned for the beginning of May.

The respective simulation calendar will be published in a separate circular in good time.

The advanced simulation environment will be continued as scheduled.

For functional questions please contact the Functional Help-desk at: +49-69-21 01-17 00.
