Change of Exchange Mnemonic for Options on Mannesmann

Circular No. 44/98

Ladies and Gentlemen,

Mannesmann Aktiengesellschaft wishes to change its mnemonic both for the cash and the derivatives market. For this purpose, the exchange mnemonic for these shares will be changed from "MMW" to

"MMN".

We will implement this change in the Eurex System after the end of trading on September 4, 1998, with effect from September 7, 1998. Therefore, the "MMW" mnemonic will still be valid on Friday, September 4, 1998. This will apply in particular to all Eurex reports, the Theoretical Price File and all Back Office Messages broadcast during the Eurex batch processing run.

No Back Office Messages will be broadcast to participants' systems during the change. At the start of trading on September 7, 1998, only the new "MMN" mnemonic will be valid throughout the Eurex System. This change will be carried out along the lines of the change of SAP's exchange mnemonic in April of this year.

Please do not hesitate to contact our Functional and Technical Helpdesks on +49 69/2101-1210/1250 or -1200, respectively.

Yours sincerely,

Edward Backes

Manfred Weber
