The Management Boards of Eurex Deutschland and Eurex Zürich have made the decision to align the trading hours of all Eurex-traded Index Futures approved by the CFTC for trading in the USA. As for the DAX Future and the Dow Jones Euro STOXX 50^{SM} Future, with effect from 17 June, 2002 the trading hours of 09:00 until 20:00 CET will also apply to the Dow Jones STOXX 50^{SM} Future (FSTX), the Dow Jones STOXX^{SM} Banks Market Sector Index Future (FSTB) and the Dow Jones Euro STOXX^{SM} Banks Market Sector Index Future (FESB).

This is especially to allow US members to trade these products throughout the normal trading day

From 17 June, 2002 the Trading period for these products will be from 09:00 until 20:00 CET. The Post-Trading period will begin at 20:00 and end at 20:30 CET.
