Getronics NV: Further Information on the Takeover Offer to Getronics NV Shareholders

The conversion period for the existing takeover offer of the company KPN NV to the shareholders of Getronics NV of EUR 6.25 per share will end on October 12, 2007, at 15:00 CET.

Publication of the results and confirmation that the offer has taken effect irrevocably must take place within a period of five days after the conversion period has ended.

Trading in Getronics NV shares at NYSE Euronext in Amsterdam will end on October 12, 2007 early at 15:00 CET. This will also apply to Eurex options or the Eurex stock futures contract on shares of Getronics NV (GTO/GTOG).

On October 15, 2007 trading in Getronics NV shares will be resumed in the following classes:

- Shares registered for conversion = ISIN NL0006019697
- Shares not registered for conversion = ISIN NL0000853091 (as before)

After October 15, 2007 the underlying instrument for Eurex options and the Eurex stock futures contract on Getronics NV shares will continue to be the share with ISIN NL0000853091.

As of October 12, 2007 until publication of the conversion result, exercises in Eurex options on Getronics NV shares will not be possible.

Therefore, trading in Eurex options on Getronics shares (GTO) and the Eurex stock futures contract on Getronics NV (GTOG) will then be immediately set to “HALT” and discontinued. Settlement of positions will take place at theoretical fair value based on the procedure described in Eurex circular 157/07. Basis of the calculation of the theoretical fair value will be the final bid price.

Should there be any changes in this procedures, particularly in case of a possible extension of the acceptance period, we will inform you without delay.
