Summary:

A production software fix (replacement file) for the Eurex Release 14.0 @X-ceed Trading GUI and @X-tract Clearing GUI has been made available for download on the Eurex website under the following path:

www.eurexchange.com > Member Section > Releases > Eurex 14.0 > Software Kits > Production Kits

For direct access to the production kits on the Eurex Member Section, please click on the following link:
https://www.eurexchange.com/members/releases/eurex14/kits_production_en.html

The software fix addresses the following issue:

- The order in which the futures contracts are displayed in the GUI windows may not correspond to the definition within the corresponding profile.

Installation of the Eurex GUI fix is optional, but strongly recommended for all Members who are using the Eurex @X-ceed Trading and/or Eurex @X-tract Clearing GUI. Third party applications are not affected.

Eurex Release 14.0: Software Fix for the Eurex @X-ceed Trading and @X-tract Clearing GUIs

A production software fix (replacement file) for the Eurex Release 14.0 @X-ceed Trading GUI and @X-tract Clearing GUI has been made available on the Eurex website.

The software fix addresses the following issue:

- The order in which the futures contracts are displayed in the GUI windows may not correspond to the definition within the corresponding profile.

Installation of the Eurex GUI fix is optional, but strongly recommended for all Members who are using the Eurex @X-ceed Trading GUI and/or @X-tract Clearing GUI. Third party applications are not affected. The software fix should be installed on all MISSes in a MISS group and workstations where the @X-ceed Trading and @X-tract Clearing GUIs are being used.

The following files are available:

SUN Solaris: **eurexr140_hf20111107_sun.tar.Z**

SUN Solaris (x86): **eurexr140_hf20111107_x86.tar.Z**

Microsoft Windows: **eurexr140_hf20111107_win.zip**

The software fix is available for download from the Eurex website under the following path:

www.eurexchange.com > Member Section > Releases > Eurex 14.0 > Software Kits > Production Kits

For direct access to the production kits on the Eurex Member Section, please click on the following link:
https://www.eurexchange.com/members/releases/eurex14/kits_production_en.html

In order to install the fix correctly please follow the instructions in the "*readme*" file which is also provided.

Please note:
The Eurex Release 14.0 production software fix (EurexGUI.jar) may also be applied to the Eurex Release 14.0 simulation environment.

If you have any questions or require further information, please contact your Technical Account Manager using your VIP number or the Eurex Customer Technical Support, tel. +49-69-211-1 12 00 or via e-mail to: cts@deutsche-boerse.com.
