With this circular we complement information on the introduction of a Central Counterparty for the Irish stock market scheduled for next **Monday, December 5, 2005.**

The Central Counterparty (CCP) for securities traded in the Xetra order book at Irish Stock Exchange (ISE) originated from a common initiative of Irish Stock Exchange, Euroclear/CRESTCo Limited and Deutsche Börse AG. Eurex Clearing AG, which already renders CCP services for other markets, acts as CCP.

The product range for production start on December 5, 2005 comprises Irish stocks and Exchange Traded Funds (ETFs) traded in the Xetra order book at Irish Stock Exchange. Please find attached to this circular an updated list of securities which will be CCP-eligible for ISE effective December 5, 2005.
