The Management Boards of Eurex Deutschland and Eurex Zürich have decided to delist options contracts on EM.TV (ETV) and Intershop (ISH1).

In view of the decision to delist and with immediate effect, no new series will be introduced. As soon as there is no more open interest, trading in existing series will be discontinued immediately.

Currently there is no open interest in Intershop, which means trading will be stopped at once. There is still open interest in EM.TV until the September 2004 expiry. As soon as there is no more open interest in EM.TV, trading will also cease.
