As already announced on May 28, 2004 via Newsboard Message, the Management Boards of Eurex Deutschland and Eurex Zürich have decided to delist options and futures contracts on Fresco Dow Jones EURO STOXX^{SM} 50 Exchange Traded Fund (FRC1, FRCF) with immediate effect.

As there was no more open interest in these two products, trading in all series and expiration months were set to Trading Status “HALT”. Both products will be deleted from the Eurex system on June 11, 2004.
