Deutsche Börse and Eurex are planning a roadshow together with retail banks in several cities this autumn.

The aim of these events is to inform your company's retail investment advisors about Deutsche Börse and Eurex products and services relevant to private investors. In addition, we will give you the opportunity of organizing exclusive events with us on your premises for your customers.

Please call +49-69-211-1-82 73 if you are interested in hosting an event on your premises and/or holding an event with us for your customers. We will be happy to answer any questions you may have and to discuss further action.

Please forward this information, if necessary, to the appropriate department in your company.
