This circular is to inform you about the opportunity to participate in a Disaster Recovery Test for Eurex and/or Xetra. In this context, we request your reply as to your participation.

As agreed among the member firms represented in the Technical Advisory Committee, Deutsche Börse Group is planning to execute a Disaster Recovery Test for Eurex and Xetra with costs on October 9, 2004, provided enough members register for participation.

During the test, participants have the opportunity to connect their disaster recovery environments to the Eurex and/or Xetra production backend and receive the public news broadcast. Order entry will not be supported.

In addition, the following scenarios will be available:

- Communication server failover
- Failure of backbone connection
- Failure of all backbone connections
- Recovery of the backbone connections
- Complex outage

The Disaster Recovery Test will generate costs of 25,000 euro per market which will be distributed among the test participants. Deutsche Börse AG will not offer the test should less than ten participants register per market.

Please make a statement as to your participation in the Disaster Recovery Test and the costs involved by filling in the attached fax reply form. Kindly return your reply **no later than August 27, 2004**.

For any further information you may require, please contact our Customer Support Team, telephone +49-69-211-1 17 00, fax +49-69-211-1 16 41.
