At their meeting on September 1, 2004 the Management Boards of Eurex Deutschland and Eurex Zürich made the following decisions:

1. To change the closing times for continuous trading of Finnish equity options as well as HEX25® index options from 18:30 CET to 17:30 CET
2. To change the closing times for continuous trading of Finnish equity options on the last trading day from 18:30 CET to 17:30 CET
3. To change the closing times of HEX25® index options and futures on the last trading day from 17:00 CET to 17:30 CET.

Please note:

– The closing times for OTC Block Trading of Finnish equity options and HEX25® index options remain unchanged at 18:30 CET
– The closing times for continuous trading and OTC Block Trading of HEX25® index futures remain unchanged at 20:00 CET.

With these changes, Eurex adjusts its trading times in line with the new trading hours of the OMX (formerly OMHEX) integrated cash markets.

The changes will be implemented on Monday, **September 27, 2004**.
