In order to further increase testing opportunities in Eurex 7.0 Release Simulation, additional liquidity will be provided in the Eurex products FGBS, FGBM, FGBL on Tuesday, October 12, 2004 between 17:30 and 20:00 CET.

It is planned to enter a large number of orders at different prices in the respective front months.

We invite all Eurex members and vendors to actively participate in Eurex 7.0 Release Simulation, especially in the products FGBS, FGBM, FGBL during the above-mentioned time.

As already announced with Eurex Circular 124/04, FGBS, FGBM, FGBL are products affected by the increase of the broadcast rate of the “Inside Market” and “Order Book Depth” streams.
