Systems & Services

Eurex Repo's new trading system F7

The software version for the Eurex Repo F7 production has successfully been updated to version 2.6 on March 2, 2018.

More information about F7 can be found on our website: Trading System F7

Products

Introduction of the Eurex Repo Member Trade eXtractor (MTX)

As of March 5, 2018, the Member Trade eXtractor (MTX) facility is available in F7.

Members are able to create MTX trade reports with extended trade information of their own trades as well as of linked participants e.g. Clearing or Trading Agents for their Select Finance customers, which can then be retrieved from Deutsche Börse's Common Report Engine (CRE) infrastructure.

Volumes 2017/2018

Training

GC Pooling and Repo Market

Trader examination and training for the Repo and GC Pooling Market for existing and new participants is available online. For the exam registration please click HERE

Regular Repo and GC Pooling system trainings are offered in Zurich. The trainings include basic knowledge about repo trading and the practical use of the system. Feel free to register HERE

SecLend Market

Eurex Repo offers ongoing training sessions to prospective SecLend traders from legally admitted market participants. The training includes basic knowledge about seclend trading and the practical use of the system. Training sessions can be provided on request.

Deutsche Börse Academy

The Deutsche Börse Academy brings together all of Deutsche Börse Group's training activities with a carefully coordinated range of financial market seminars, certificate courses and study programmes.

On **May 17, 2018** the seminar **Repo / Securities Lending** will take place in Eschborn. The seminar aims at providing participants with an understanding of the purpose of securities lending and repos.

Find out more and read about the course content HERE
