Since the introduction of the Internet Subscription Service (ISS) to the Eurex Member Section approximately one year ago, Eurex offers the possibility to subscribe to Eurex circulars by topics and to receive Eurex emergency messages via SMS. This service now has been extended to other markets of Eurex Clearing AG. As of June 6, 2005, CCP circulars (Equity and Fixed Income CCP) will be transmitted via Eurex ISS to participants with the appropriate subscriptions. Furthermore, CCP emergency messages can be received, once the mobile phone number has been registered.

Due to the integration of these new markets into Eurex ISS the existing circular categories will be supplemented and, partially, renamed. All existing subscriptions will be migrated automatically to the new scheme and the number of possible subscribers per company extended to 30. The adjustments described in the following have become effective on May 30, 2005.

- The former category *Trading* will be specified as *Derivatives Trading* and *Clearing* as *Derivatives Clearing*.
- The new category *Equity Clearing/CCP* covers the clearing information for the cash market, for which Eurex Clearing AG acts as Central Counterpart in line with the CCP.
- *Fixed Income Clearing/CCP* addresses the participants of Eurex Bonds GmbH and Eurex Repo GmbH, which in future will be able to clear via Eurex Clearing AG as Central Counterpart.
- The category *Regulatory and Administrative* remains unchanged and applies to all markets.

Please note that the former category *Production and Simulation* can no longer be selected separately, but is comprised in the different categories specified above, as it is required for all markets.

For technical reasons the subscriber data were subject to a freeze during the migration process between May 30, 2005 and June 6, 2005. This means that during this period participants and vendors could change their data and register new accounts, but these new data will only become effective for circular distribution as of June 6, 2005.

On the Eurex website **www.eurexchange.com > Member Section > User Data** you can find further details about subscription and registration in the manuals “Eurex ISS Central Coordinator Manual“ **(> User Administration)** and „Eurex ISS User Manual“ **(> User Profile**). Should you have questions, please do not hesitate to contact the Customer Support hotline at telephone +49-69-211-1 17 00.
