➲ Middle + Back Office ➲ IT / System Administration	Detailed Simulation Calendar from August 1, 2005 until September 1, 2005

Attached to this circular we are providing the calendar for the CCP Release 3.0 Permanent Simulation environment from August 1, 2005 until September 1, 2005. Please note that, contrary to the schedule in the previous simulation calendar, a batch run has now been planned for August 1, 2005 instead of August 3, 2005.

Simulation will be possible at all times, including weekends. At least two batch runs are planned per week. On batch days, simulation times will be limited.

Detailed information on the simulation including a list of current simulation instruments and the current schedule for batch days can be found on the Eurex website under

www.eurexchange.com > Member Section > Software Releases CCP > Simulation Environment.
